For active employees: Check contract for applicable contribution percentage of the prevailing premium based on hire date and years of service.

****In 2002 the 3298 employees were given a one-time opportunity to change their group health insurance contribution from the current rates of .8%, .9%, and 1.0% to 1.5% of their gross earnings. If they elected to remain with their current contributions, then when they retired they would pay 100% of the group health insurance premium. There were approximately 21 employees who chose to remain at their current rate.**
