Dear Justin,

The Hartford is pleased to support the City of Aurora, Illinois Fire Department. In this capacity, The Hartford has committed \$10,000 to support fire safety education efforts and programming.

We ask that the funds from this grant be used within one calendar year from today's date and within that time period, we also ask that you provide us with a one-page report detailing how the funds were utilized. The parameters of this grant can be customized to your individual needs, and may include, but are not limited to, fire safety awareness and education within the community and local schools.

We ask that our company be referred to as The Hartford in any materials you publish regarding this commitment and to have the opportunity to review prior publication.

On behalf of The Hartford and its Junior Fire Marshal program, thank you for your commitment to keeping children fire safe.

Sincerely,
