QUALIFYING STATEMENT

RE: 491 S. Route 59, Aurora, Illinois

The subject location is part of the Aurora Marketplace Shopping center. The parcel is currently occupied by a vacant bank building. The existing building and site improvements will be removed and replaced with a prototypical and aesthetically pleasing, free-standing Panera Bread restaurant building. The improvements will include a one-story building, a drive through lane, new parking lot, site lighting, and landscaping. The parking area will be expanded to accommodate additional parking. Ingress and egress will still be accomplished through the shopping center's existing access roads and parking area. No variances are anticipated. These proposed improvements will impact an existing on-site storm water detention easement. This easement will be vacated and a new easement will be dedicated.
