LYDIA About Lydia Home Association

- Lydia Home Association is a faith-based, non-profit organization that has been serving children and families through various programs since 1916
- Lydia Home Association was named after a woman in the Bible recorded in the book of Acts. The woman, Lydia, was a faithful, godly woman who opened her home to those who needed shelter. (Acts 16:14-15)
- Lydia Home Association's mission is to strengthen families to care for children and to care for children when families cannot. The programs are meant to both serve youth in care and be a blessing to the local community.

Zoning Requests

• Applicant is seeking the following development approvals:

3. A "reasonable accommodation" with respect to Applicant's proposed use of the Subject Property pursuant to Article 22 of the City of Aurora Code of Ordinances, as Applicant's proposed use of the Subject Property will provide residential treatment services for children with disabilities who are protected under the terms of the Federal Fair Housing Act.

Factors for Amendment to Plan Description

i. Is in accord with all applicable official physical development policies and other related official plans and policies of the city;

i. Represents the logical establishment and/or consistent extension of the requested classification in consideration of the existing land uses, existing zoning classifications, and essential character of the general area of the property in question;

Factors for Amendment to Plan Description

- iii. Is consistent with desirable trend of development in the general area of the property in question, occurring since the property in question was placed in its present zoning classification, desirability being defined as the trend's consistency with applicable official physical development policies and other related official plans and policies of the city; and
- iv. Will permit uses which are more suitable than uses permitted under the existing zoning classification; and
- v. Is a consistent extension of the existing land uses, existing zoning classifications, and essential character of the general area.

Factors for Conditional Use

- i. The establishment, maintenance or operation of the conditional use will be unreasonably detrimental to or endanger the public health, safety, morals, comfort or general welfare;
- ii. The conditional use will be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted or will substantially diminish and impair property values within the neighborhood; factors including but not limited to, lighting, signage and outdoor amplification, hours of operation, refuse disposal areas and architectural compatibility and building orientation;

Factors for Conditional Use

- iii. The establishment of the conditional use will impede the normal and orderly development and improvement of surrounding property for uses permitted in the district;
- iv. Adequate utilities, access roads, drainage and/or other necessary facilities have been or are being provided to the conditional use;
- v. Adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets;
- vi. The conditional use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the city council pursuant to the recommendations of commission.
