Aurora, IL 60505

7. BRIEF PROJECT DESCRIPTION – CURRENT FISCAL YEAR ONLY ESTIMATED COST: \$ 4,000,000.00
(Description must identify the number of lead service lines that you are seeking funding for in the current fiscal year)

The City of Aurora (COA) has approximately 49,000 water services in its water distribution system, 18,000 of which are assumed to be lead services. COA is seeking loan funds to replace 500 lead services in their entirety from the water main or shut off valve to the water meter in the building. The City of Aurora intends to continue an annual \$4,000,000 project for years 2-5 starting in the 2024 construction season depending on IEPA project approval. This project is for year 2 of the 5 year plan.

8. POPULATION SERVED BY THE LOAN APPLICANT: 180,542
(Provide the entire service population of the applicant, not just the service population of the project area)

9. PROPOSED PROJECT SCHEDULE:
- a. Project Plan Approval Date: 10/22/2021
 - b. Advertise for Bids: 06/23/2024
 - c. Construction Start Date: 09/01/2024
 - d. Completion of Construction: 12/01/2025

SIGNATURE OF AUTHORIZED REPRESENTATIVE:

DATE:

3/25/24

DISCLAIMER:

1. In accordance with 35 Illinois Administrative Code Part 663, the priority scoring of lead service line replacement projects will occur during April and May of each year. Scoring will be based on the data from the US Department of Commerce, Bureau of Census' most recent American Community Survey 5-year estimate. Census data as of March 31 of each year to be utilized for scoring, will be posted on the Agency website.
2. Community water supply systems which have not completed their service line inventory in accordance with Section 17.12(d) of the Act are not eligible to be considered a Disadvantaged Community per 35 Illinois Administrative Code Part 663. Therefore, they are considered ineligible to receive additional subsidization (commonly known as principal forgiveness) funding for lead service line replacement through 35 Illinois Administrative Code Part 663.
