Ms. Tracey Vacek

Please accept this as our formal request for an extension of our special use permit for the property located at 1415 Corporate Blvd. Aurora, IL until 12/31/2021. In addition to the extension, it is agreed and understood that the dispensary will be substantially complete by such date and open no later than one year from the special use extension approval. The reason for this request is due to a change in policy with respect to licensing by the State of Illinois which no longer issues "conditional registration licenses" (as referenced in the prior special use documentation) and therefore will require completion of the premises and full inspection by the State prior to any registration or licensing, conditional or otherwise.

Thank you,

James P. Hughes Jr.
