HOW DOES RECYCLED PLASTIC STACK UP

Made from Purest-Grade HDPE Recycled Plastic

ALL SEASON

Suitable for all climates; stands up to rain, snow, wind, salt spray, and sunlight—leave outdoors all-year.

UV INHIBITORS

Added to plastic to prevent fading and keep colors vibrant for decades on end.

LOW MAINTENANCE

Wipes down easily - won't absorb stains or moisture, making clean up a breeze.

NOT ALL RECYCLED PLASTIC FURNITURE IS CREATED EQUAL

THE DIFFERENCE IS IN THE DETAILS

We use only the best, the purest grade of recycled HDPE plastic available to the industry. Free of fillers and derivatives to ensure strength and longevity, the only additives you'll find in our material are UV inhibitors to prevent fading and colorants to ensure your furniture stays vibrant for years.

SISTER BAY FURNITURE CO.

At Sister Bay, there's no simpler way to say it: recycled plastic is just better. We pride ourselves on producing a product that doesn't harm the environment, is beautiful in design, and can hold up in all weather conditions. Learn more about the material that launched our company in 1997 and why other materials pale in comparison.

LOW MAINTENANCE
Wipes down easily – won't absorb stains or moisture, making clean up a breeze.

DURABLE
Won't rot, split, or delaminate. Solid color throughout ensures a "like new" look for years to come.

LONG LASTING
A single purchase of products built with our signature recycled plastic will last longer than the competition.

EARTH-FRIENDLY
We pride ourselves on producing sustainable products that keep plastic out of landfills and waterways.

MADE IN THE USA
All materials for our furniture are sourced within 200 miles of our facility, proudly manufactured by hardworking Wisconsinites.
