**TECHNOLOGY AND HARDWARE LIMITED WARRANTY:**

Constant Technologies warrants to the original purchaser that the equipment sold as part of the integrated audio-visual system will be free of material and manufacturing defects for one year from the date of shipment, and/or transfer of ownership.

This warranty is made only to the original purchasing entity, and only for the equipment as installed by Constant Technologies technicians. Warranty coverage terminates when changes, reconfigurations, or relocations are made to the equipment without the consent and supervision of Constant Technologies. Warranty coverage of an item also terminates when the original purchaser sells, transfers, or otherwise disposes of a covered item.

Constant Technologies will arrange for the replacement of any warranted parts found to be defective within the terms of the warranty.

**THIS WARRANTY DOES NOT COVER:**

- Damage to equipment, or equipment malfunction, due to external causes. Examples include, but are not limited to, accident, abuse, misuse, electrical power failure or malfunction, incorrect environmental conditions, or other Acts of God.
- Lack of compatibility with signals and/or hardware other than previously approved by, or supplied by, Constant Technologies, Inc.
- Labor, travel, and shipping expenses necessitated by faulty equipment.

There are no other warranties, neither express nor implied, except as set forth above, including any warranty of merchantability or fitness for any particular purpose. Constant Technologies specifically excludes, and will not pay consequential or incidental damages under this warranty.
