QUALIFYING STATEMENT
Arbor West Apartments (formerly known as Stone Crossing)

March 20, 2019

Aurora City Council

Dear City Council:

I am excited to come to you to ask for the vacation of the road at our Arbor West Apartment Complex. We are asking for this for several key reasons.

1. To improve the traffic flow to and from the site as well as within the complex.
2. To provide parking off the street and not parallel to the street.
3. To utilize some of the current set back areas to add significant amenities to the site in an effort to bring Arbor West Apartments up to today's standards for apartment living. These amenities include an indoor pool; exercise facility; modern laundry room, and upgraded office and meeting space. All of these will greatly enhance the residential setting for each and every resident.

There have been ongoing car accidents at the entrance to the site due to the one-way traffic and cross driveways exiting onto the road right at the intersection. We feel these improvements will eliminate this ongoing challenge.

We will also be adding a trash compactor which will eliminate the need for 15 unsightly dumpsters that are currently being used.

The 3.5 million dollar overall renovation will greatly enhance the site specifically as well as the surrounding property owners environment.

We ask for your positive consideration to this request.

Respectfully Submitted,

Brian G. Cunat
Owner, Arbor West Apartments
President, Cunat Inc.
