

Truck Stop Establishments (2841) Use Definition:

A place where gasoline or any other automotive engine fuel stored only in underground tanks, kerosene, or lubricating oil or grease for the operation of motor vehicles or boats are offered for sale directly to the public on the premises. These establishments have one or more diesel fuel stations with bays that are designed to accommodate semi-trucks or other commercial vehicles. Minor automotive repairs, accessories and servicing is permitted. Major automotive or boat repairs; tire recapping; and the washing of motor vehicles where no production-line methods, mechanized devices, or combination thereof is employed are not permitted. When the dispensing, sale or offering for sale of motor fuels or oil is incidental to the conduct of a public garage, the premises shall be classified as a public garage.
