Therefore, all bidders are required to complete the following certification:

Sponsor means any person, association, committee, or organization operating an apprenticeship program and in whose name the program is (or is to be) registered or approved. Sponsors will establish a Joint Apprenticeship Training Committee (JATC) to carry out the responsibilities and duties required of a Program Sponsor as described in these Standards of Apprenticeship.

Responsibilities of the JATC

- G. Maintain records of all Apprentices, showing their education, experience, and progress in learning the occupation.
- H. Certify to the Registration Agency that Apprentices have successfully completed their Apprenticeship Program.
- I. Notify, within 45 days, the Registration Agency of all new Apprentices to be registered, credit granted, suspensions for any reason, reinstatements, extensions, completions, and cancellations with explanation of causes.
- J. Supervise all the provisions of the Standards and be responsible, in general, for the successful operation of the Standards by performing the duties here listed. Cooperate with public and private agencies, which can be of assistance in obtaining publicity to develop public support of apprenticeship. Keep in contact with all parties concerned, including Apprentices, Employers, and Journeyworkers.
- K. Provide each Apprentice with a copy of these Standards, along with any applicable written rules and policies. Require the Apprentice to sign an acknowledgment receipt of same. Follow this procedure whenever revisions or modifications are made to the rules and policies.
- L. When notified that an Apprentice's Related Instruction or on-the-job progress is found to be unsatisfactory, the Sponsor will determine whether the Apprentice should continue in a probationary status and may require the Apprentice to repeat a process or series of

ApprenticeshipUSA

processes before advancing to the next wage classification. Should it be found in the course of this determination that the Apprentice does not have the ability or desire to continue the training to become a Journeyworker, the Sponsor will, after the Apprentice has been given adequate assistance and opportunity for corrective action, terminate the Apprenticeship Agreement, as provided in 29 CFR § 29.7(h)(1)(2)(i) and (ii).

- M. The Sponsor will provide each registered Apprentice with continuous employment, insofar as possible, sufficient to provide the opportunity for completion of his or her Apprenticeship Program. If the Sponsor is unable to fulfill its training and/or employment obligation in conformance with these Standards, the Sponsor will, per Section XXII of these Standards and with the Apprentice's consent, make a good-faith effort to facilitate a transfer of the Apprentice to another registered sponsor for completion of the apprenticeship.

If conditions of business make it necessary to temporarily suspend the period of apprenticeship, Apprentices suspended for this reason will be given the opportunity to resume their active apprenticeships before any additional Apprentices are employed. The suspension and reinstatement of Apprentices shall be done in relation to retention of the most advanced Apprentice and in accordance with the company policy for breaks in seniority.

- N. Assess the current and prospective need for Apprentices and trainees in the area covered by the Program and adjust intake and recruiting efforts accordingly.
- O. Review qualifications and employ instructors and staff as needed.
- P. Coordinate the Training Program and Apprentice Program as appropriate for support in all aspects of program management. Cooperate with the National JATC in research and evaluation studies, report test results and participate in certification programs.
- Q. Hear and judge all complaints and/or violations of Apprenticeship Agreements, rendering decisions as required by majority vote and maintaining the written record of any such dispute. In its discretion, the JATC shall exercise its disciplinary authority to withhold periodic wage advancements or to cancel the Apprenticeship Agreement for causes such as unsatisfactory progress on the job or in related study, unwillingness/inability to learn, unreliability, lack of interest, insubordination, improper conduct, and drug and/or alcohol use at work or during related study. The Director of Apprenticeship has the authority to request an illegal substance or alcohol test. Allegations involving matters of Equal Employment Opportunity in apprenticeship shall be processed consistent with the requirements of the federal regulations 29 CFR 30.

ApprenticeshipUSA

- R. Determine the quality and quantity of experience on the job which Apprentices should have and to make every effort toward their obtaining it.
- S. Advise Apprentices on the need for accident prevention and provide instruction with respect to safety in the workplace.
- T. Notify the appropriate Registration Agency of all new Apprentices to be registered, credit granted, suspensions for any reason, reinstatements, extensions, completions and cancellations with explanation of causes and notice of completions of Apprenticeship Agreements.

Structure of the Joint Apprenticeship and Training Committee (JATC)

- A. Members of the JATC will be selected by the groups they represent.
- B. Membership will be composed of an equal number of representatives of the Employer(s) and of the employees represented by a bona fide collective bargaining agent(s). The JATC shall be composed of 12 members, six appointed by the Construction and General Laborers' District Council of Chicago and Vicinity and six appointed by the Employer associations.
- C. Technical Assistance - such as that from the U.S. Department of Labor, Office of Apprenticeship and vocational schools - may be requested to advise the JATC.

Administrative Procedures

- A. The JATC will select a chairperson and a secretary, one representing Labor and the other representing Employers and will determine the time and place of regular meetings. Meetings will be held as frequently as needed to effectively manage the Program. Written minutes of the meetings will be kept. The Union and MARBA shall designate three Union and three Employer Trustees, respectively, to serve on the Joint Apprentice Subcommittee. The term of membership on the JATC shall be three years subject to the right of the appointing Associations and District Council to remove and appoint Trustees.
- B. The chairperson and secretary will have the power to vote on all questions affecting apprenticeship.
- C. The offices of chairperson and secretary should rotate among members of the JATC.
- D. The JATC shall meet quarterly or more often if necessary to conduct its business. Special meetings may be called by the Chair or by the Secretary. A quorum at any meeting shall consist of three members with at least one from the Union trustees and one from the Employers trustees. Each interest group shall always maintain the authority to cast an

equal number of votes at JATC meetings. A record of the business conducted at each meeting shall be made.

- E. The JATC may delegate authority to the Executive Director of the Fund, Director of Apprenticeship and/or to the Coordinators of the Apprenticeship Program to carry out any of the responsibilities listed above in this Section I.

SECTION II - EQUAL OPPORTUNITY PLEDGE - 29 CFR §§ 29.5(b)(21) and 30.3(b)

The recruitment, selection, employment, and training of Apprentices during their apprenticeship shall be without discrimination because of race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. The Sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the Apprenticeship Program as required under 29 CFR § 30.

SECTION III - AFFIRMATIVE ACTION PLAN AND SELECTION PROCEDURES - 29 CFR §§ 29.5(b)(21), 30.4, and 30.5

Sponsors with five or more registered Apprentices are required to adopt an affirmative action plan (Appendix C) and selection procedures (Appendix D), which will become part of these Standards of apprenticeship. However, the Office of Apprenticeship encourages the development of these two plans for all programs regardless of Apprentice numbers. For programs with fewer than five Apprentices, these plans are not required, and the Sponsor may continue to select Apprentices in conformance with its current human resources and equal employment opportunity hiring policies.

SECTION IV - QUALIFICATIONS FOR APPRENTICESHIP - 29 CFR § 29.5(b)(10)

Applicants will meet the following minimum qualifications:

A. Age

Applicants must be 18 years or age or older..

B. Education

Applicants must have a tenth grade education or higher or must have completed a General Educational Development (GED) program or other high school equivalency program. Applicants must provide an official transcript(s) for high school showing completion of tenth grade or higher or a GED certificate or other high school equivalency credential if applicable.

C. Physical

Applicants must physically be able to perform the work of the trade.

D. Communication

Applicants must have a reading, understanding, writing and communicating ability that would enable the applicant to perform the tasks of the Construction Craft Laborer in a safe manner and would allow the applicant to comprehend the subject matter taught, in English only, in Related Instruction.

E. Driver's License

Applicants must have a valid driver's license.

F. Substance Abuse Testing

Applicants will pass a screen for the current illegal use of drugs and alcohol on acceptance into the Program and prior to being employed.

G. Legally Eligible

Applicants must legally be eligible to work in the United States.

All applicants will be required to complete an application form and provide substantiating evidence for the above qualifications. (See Appendix D.)

SECTION V - APPRENTICESHIP AGREEMENT - 29 CFR §§ 29.3(d), 29.3(e), and 29.5(b)(11)

After an applicant for apprenticeship has been selected, but before employment as an Apprentice or enrollment in Related Instruction, the Apprentice will be covered by a written Apprenticeship Agreement (Appendix B) which can be submitted electronically through the RAPIDS, using the Apprentice Electronic Registration process. Such agreement will contain a statement making the terms and conditions of these Standards a part of the agreement as though expressly written therein. The Sponsor shall provide a copy of the Apprenticeship Agreement to the Apprentice, the Registration Agency, the Employer, and the Union. An additional copy will be provided to the veteran's state approving agency for those veteran Apprentices desiring access to any benefits to which they are entitled.

Prior to signing the Apprenticeship Agreement, each selected applicant will be given an opportunity to read and review these Standards, the Sponsor's written rules and policies, the Apprenticeship Agreement, and the sections of the Collective Bargaining Agreement (CBA) that pertain to apprenticeship.

The Registration Agency will be advised within 45 days of the execution of each Apprenticeship Agreement and will be given all the information required for registering the Apprentice.

The Apprenticeship Agreement shall contain a provision making these Standards a part thereof including consent by the Apprentice to the authority of the Sponsor to transfer the Apprentice from one participating Employer to another for just cause. However, it is understood that an Apprentice who has entered the Program directly as a result of an Employer referral and offer of employment will not be transferred by the Sponsor from the referring Employer to another Employer unless the referring Employer cannot provide continuous employment or adequate OJL or unless the Employer refuses to release the employee to attend Apprenticeship Program classes. Furthermore, Apprentices who have entered the Program directly as a result of a referral and offer of employment shall not change Employers in violation of the rules of Sponsor. The Agreement Form shall identify any credit granted for previous experience, if any, and the entrance wage rate for the Apprentice as a percentage of the Journeyworker wage. The Sponsor will promptly notify the

ApprenticeshipUSA

Registration Agency of all cancellations or termination of agreements. The Apprentice shall be required to pay back a percentage of training costs if he/she leaves the Apprenticeship Program early to either accept a journeywork position or work in non-union jobs within the Laborers' work jurisdiction. Apprentices cannot be on Local Union Journeymen's Out of Work List until the completion of the Program.

If an Apprentice is temporarily released due to business conditions, he/she shall be given the opportunity to be reinstated before any additional Apprentice is employed by the same sponsoring Employer. The Sponsor may arrange for the transfer of the Apprenticeship Agreement to another Sponsor after receiving the consent of the Apprentice and the new Sponsor.

SECTION VI - SUPERVISION OF APPRENTICES AND RATIOS - 29 CFR § 29.5(b)(14) and 29 CFR § 29.5(b)(7)

No Apprentice shall work without proper or adequate supervision of a Journeyworker.

For the purpose of these Standards, adequate or proper supervision of the Apprentice means the Apprentice is under the supervision of a fully qualified Journeyworker or supervisor at all times who is responsible for making work assignments, providing OJL, and ensuring safety at the worksite.

To adequately or properly supervise an Apprentice does not mean the Apprentice must be within eyesight or reach of the supervisor, but that the supervisor knows what the Apprentice is working on; is readily available to the Apprentice; and is making sure the Apprentice has the necessary instruction and guidance to perform tasks safely, correctly, and efficiently.

The sponsor shall establish a numeric ratio of Apprentices to fully proficient workers (Journeyworkers) consistent with proper supervision, training, safety, continuity of employment, and applicable provisions in CBAs, except where such ratios are expressly prohibited by the CBAs.

The ratio language must be specific and clearly described as to its application to the jobsite, workforce, department, or plant. The ratio of Apprentices to fully proficient workers (Journeyworkers) will be as noted in Appendix A.

The Sponsor will be responsible for the training of the Apprentice on the job. Apprentices will be under the general supervision of the Sponsor and under the direct supervision of the Journeyworker to whom they are assigned. The Supervisor of Apprentice(s) designated by the Employer will be responsible for the Apprentice's work assignments and will ensure the Apprentice is working under the supervision of a skilled Journeyworker. The supervisor will also evaluate the Apprentice's work performance and will complete and submit progress reports to the Sponsor.

The ratio of Journeyworkers to Apprentices shall be six (6) Laborer Journeyworkers to one (1) Laborer Apprentice on a company-wide basis, with no more than twenty percent (20%) of Laborers

ApprenticeshipUSA

being Apprentices on any one job site of the Employer. Employers who employ a maximum of between one (1) and five (5) Laborer journeyworkers shall be entitled to one (1) Laborer Apprentice, who may be assigned to job sites irrespective of the twenty percent (20%) job site maximum specified in this provision per the CBA.

Apprentices shall work under the supervision of competent and qualified Journeyworkers on the job. Instruction in safety and safe work practices should be a part of job instruction in addition to that included in related OSHA regulations and in special off-job courses.

SECTION VII - TERM OF APPRENTICESHIP -29 CFR § 29.5(b)(2)

The term of the occupation will be two (2) years with an (OJL) attainment of 2,400 hours supplemented by the required hours of Related Instruction as stated on the Work Process Schedule and Related Instruction Outline (Appendix A). Full credit will be given for the probationary period.

The initial minimum requirement shall be 600 hours per six months, which amount may be met by up to 50 hours of added classroom instruction, where relevant work experience is unavailable and which amount may be reduced by the Joint Committee, if less than 90% of Apprentices are able to obtain 600 hours of OJL. In no case shall the on the job learning requirement be less than 500 hours per six months, regardless of work availability.

When credit is granted, the remaining term of apprenticeship shall be reduced. The term may also be reduced by the Committee for individual Apprentices demonstrating exceptional skill and technical knowledge competencies in any module or major component of the work processes.

SECTION VIII - PROBATIONARY PERIOD - 29 CFR §§ 29.5(b)(8), and 29.5(b)(20)

Every applicant selected for apprenticeship will serve a probationary period. The probationary period cannot exceed 25 percent of the length of the Program or 1 year, whichever is shorter. The probationary period shall be 500 hours of OJL hours.

The first 500 hours of employment for all entering Apprentices, without respect to any advanced standing awarded, shall constitute a probationary period, which shall be a part of the term of apprenticeship.

During the probationary period, either the Apprentice or the Sponsor may terminate the Apprenticeship Agreement, without stated cause, by notifying the other party in writing. The records for each probationary Apprentice will be reviewed prior to the end of the probationary period. Records may consist of periodic reports regarding progression made in both the OJL and Related Instruction, and any disciplinary action taken during the probationary period.

ApprenticeshipUSA

Any probationary Apprentice evaluated as satisfactory after a review of the probationary period will be given full credit for the probationary period and continue in the Program.

After the probationary period, the Apprenticeship Agreement may be cancelled at the request of the apprentice or may be suspended or cancelled by the Sponsor for reasonable cause after documented due notice to the Apprentice and a reasonable opportunity for corrective action. In such cases, the Sponsor will provide written notice to the Apprentice and to the Registration Agency of the final action taken.

SECTION IX - HOURS OF WORK

Apprentices will generally work the same hours as fully proficient workers (Journeyworkers), except that no Apprentice will be allowed to work overtime if it interferes with attendance in Related Instruction classes.

Apprentices who do not complete the required hours of OJL during a given segment will have the term of that segment extended until they have accrued the required number of hours of training.

Apprentices also shall be subject to the same overtime or travel requirements as Journeyworkers but not to the degree that either conflicts with required Related Instruction. Apprentices may be discharged by the Employer for cause, including irresponsible work habits such as absences, late arrival, early departures, which may also result in termination from the Program by the Sponsor.

SECTION X - APPRENTICE WAGE PROGRESSION – 29 CFR § 29.5(b)(5)

Apprentices will be paid a progressively increasing schedule of wages and fringe benefits during their apprenticeship based on the acquisition of increased skill and competence on the job and in Related Instruction. Before an Apprentice is advanced to the next segment of training or to fully proficient or Journeyworker status, the Sponsor will evaluate all progress to determine whether advancement has been earned by satisfactory performance in OJL and in Related Instruction courses. In determining whether satisfactory progress has been made, the Sponsor will be guided by the work experience and Related Instruction records and reports.

The progressive wage schedule and fringe benefits will be an increasing percentage of the fully proficient or Journeyworker wage rate as established in the CBA. The percentages that will be applied to the applicable fully proficient or Journeyworker rate are shown on the attached Work Process Schedule and Related Instruction Outline (Appendix A). In no case will the starting wages of Apprentices be less than that required by any minimum wage law that may be applicable.

SECTION XI - CREDIT FOR PREVIOUS EXPERIENCE – 29 CFR §§ 29.5(b)(12) and 30.4(c)(8)

The Sponsor may grant credit toward the term of apprenticeship to new Apprentices. Credit will be based on demonstration of previous skills or knowledge equivalent to those identified in these Standards.

Apprentice applicants seeking credit for previous experience gained outside the supervision of the Sponsor must submit the request at the time of application and furnish such records and affidavits to substantiate the claim. An applicant who is a veteran and who wishes to receive consideration for military training and/or experience must submit a DD-214 form. Applicants requesting credit for previous experience who are selected into the Apprenticeship Program will start at the beginning wage rate. The request for credit will be evaluated and a determination made by the Sponsor during the probationary period, when actual on-the-job and Related Instruction performance can be examined. Prior to completion of the probationary period, the amount of credit to be awarded will be determined after review of the Apprentice's previous work and training/education record and evaluation of the Apprentice's performance and demonstrated skill and knowledge during the probationary period.

An Apprentice granted credit will be advanced to the wage rate designated for the period to which such credit accrues. The Registration Agency will be advised of any credit granted and the wage rate to which the Apprentice is advanced.

The granting of advanced standing will be uniformly applied to all Apprentices. The Sponsor will be the sole judge of the amount of credit to be granted, if any. Credit awarded shall advance the Apprentice to the wage period such credit entitles the Apprentice.

SECTION XII - WORK EXPERIENCE - 29 CFR § 29.5(b)(3)

During the apprenticeship, the Apprentice will receive OJL and Related Instruction in all phases of the occupation necessary to develop the skill and proficiency of a skilled Journeyworker. The OJL will be under the direction and guidance of the Apprentice's supervisor.

The work of the Construction Craft Laborer occupation is diverse; therefore, care must be taken to ensure that the families of tasks and clusters of job skills are organized so that the Sponsor can track the experience and training being received by the Apprentice.

While modifications may be required from time to time to accommodate the type of construction work available in the area, Apprentices are encouraged to gain experience in all of the commonly accepted major industry divisions. The four industry divisions are: (a) environmental remediation, (b) building construction, (c) heavy/highway construction and (d) underground construction. It is to be noted that the skills used are not necessarily discrete to one grouping.

The Sponsor will identify those skill clusters most important to success at the Journeyworker level in the locality in which the Program operates. The Sponsor will plan rotation and off-site instruction to meet those particular requirements.

Participation by the Apprentice in off-job and skill center manipulative skill training is particularly relevant to rounding out the skills acquired as noted above. It is the only viable alternative in dangerous, hazardous work. Moreover, the time spent in this form of tutoring skills is almost totally 100% training time as contrasted with the reverse in normal work time with its focus on productive output. It is for this reason the Sponsor may give added value to the time spent in such controlled training environments when determining the completion of a major component of the work processes and group skill modules.

SECTION XIII - RELATED INSTRUCTION - 29 CFR § 29.5(b)(4)

Every Apprentice is required to participate in coursework related to the job as outlined in Appendix A. A minimum of 144 hours of Related Instruction is recommended for each year of the apprenticeship. Apprentices agree to take such courses as the Sponsor deems advisable. The Sponsor will secure the instructional aids and equipment it deems necessary to provide quality instruction. In cities, towns, or areas having no vocational schools or other schools that can furnish Related Instruction, the Sponsor may require Apprentices to complete the Related Instruction requirement through Electronic Media or other instruction approved by the Registration Agency.

Each Apprentice may be paid a Trainee Allowance as determined by the Sponsor, while attending the required hours of related training.

The Sponsor will inform each Apprentice of the availability of college credit (if applicable).

Any Apprentice who is absent from Related Instruction will satisfactorily complete all coursework missed before being advanced to the next period of training. In cases of failure of an Apprentice to fulfill the obligations regarding Related Instruction without due cause, the Sponsor will take appropriate disciplinary action and may terminate the Apprenticeship Agreement after due notice to the Apprentice and opportunity for corrective action.

To the extent possible, Related Instruction will be closely correlated with the practical experience and training received on the job. The Sponsor will monitor and document the Apprentice's progress in Related Instruction classes.

The Sponsor will secure competent instructors whose knowledge, experience, and ability to teach will be carefully examined and monitored. The Sponsor may require the instructors to attend instructor training to meet the requirements of 29 CFR § 29.5(b)(4)(i)(ii) or state regulations.

Related Instruction provided by the Sponsor is identified in Appendix B.

SECTION XIV - SAFETY AND HEALTH TRAINING - 29 CFR § 29.5(b)(9)

All Apprentices will receive instruction in safe and healthful work practices both on the job and in Related Instruction that are in compliance with the Occupational Safety and Health Administration standards promulgated by the Secretary of Labor under 29 U.S.C. 651 et seq., as amended, or state standards that have been found to be at least as effective as the federal standards.

Apprentices will be taught that accident prevention is very largely a matter of education, vigilance, and cooperation and that they should strive at all times to conduct themselves in their work to ensure their own safety and that of their fellow workers.

SECTION XV - MAINTENANCE OF RECORDS – 29 CFR §§ 29.5(b)(6), 29.5(b)(23), and 30.8

Program Sponsors are responsible for maintaining, at a minimum, the following records:

- summary of the qualifications of each applicant;
- basis for evaluation and for selection or rejection of each applicant;
- records pertaining to the applicant's qualifications;
- the original application;
- records of each Apprentice's OJL;
- Related Instruction reviews and evaluations;
- progress evaluations;
- record of job assignments, promotions, demotions, layoffs, or terminations, rates of pay; and
- any other actions pertaining to the apprenticeship

Program Sponsors will also maintain all records relating to apprenticeship applications (whether selected or not), including, but not limited to, the Sponsor's outreach, recruitment, and selection process. Such records will clearly identify minority and female (minority and nonminority) applicants and must include, among other things, the basis for evaluation and for selection or rejection of each applicant. For a complete list of records that each sponsor is required to maintain under 29 CFR § 30, please refer to 29 CFR § 30.8. Sponsoring Employers must maintain records of applicants and apprentices as required by law.

All such records are the property of the Sponsor and will be maintained for a period of 5 years from the date of last action. They will be made available to the Registration Agency upon request.

The Sponsor will maintain for a period of five (5) years from the date of last action, all records relating to Apprentice applications (whether selected or not), the employment and training of apprentices, and any other information relevant to the operation of the program. This includes, but is not limited to, records on the recruitment, application and selection of apprentices, and records on the apprentice's job assignments, promotions, demotions, layoffs, terminations, rate of pay, or other forms of compensation, hours of work and training, evaluations, and other relevant data. The records will permit identification of minority and female (minority and non-minority) participants. These records will be made available on request to the Registration Agency.

Apprentice Work Records: The Apprentice will maintain a work record showing the amount and type of work being performed classified in accordance with the designations of the work processes as shown in Appendix A. Work record forms will be provided to each apprentice. Work records are to be submitted to the Committee at one month intervals to be recorded in the apprentices' master record. Work records together with off-site instruction and training reports will be used by the JATC in determining advancements, completions, and reassignment needs.

ApprenticeshipUSA

Committee Records: The JATC shall maintain descriptive records on all equal employment opportunity and affirmative action matters. These include documentation of outreach efforts, application notices, applications and their disposition, and actions taken.

The JATC shall also maintain records of disciplinary or adverse actions, hearings and decisions made, involuntary actions relative to the Program, enrolled Apprentices, participating employers, Registration Agency, or any legal proceedings involving the Committee.

The Apprentice will authorize an effective release of their completed Related Instruction records from the local school authorities to the JATC. The record cards and all data, written records of progress evaluations, corrective and final actions pertaining to the apprenticeship, will be maintained by and will be the property of the JATC. This record will be included in each apprentice's record file maintained by the JATC.

Before each period of advancement, or at any other time when conditions warrant, the JATC will evaluate the apprentice's record to determine whether he/she has made satisfactory progress. If an apprentice's Related Instruction or on-the-job progress is found to be unsatisfactory, the JATC may determine whether the Apprentice will continue in a probationary status, or require the Apprentice to repeat a process or series of processes before advancing to the next wage classification. In such cases, the JATC will initiate a performance improvement plan with the apprentice.

Should it be found that the Apprentice does not have the ability or desire to continue the training to become a Journeyworker, the JATC will, after the Apprentice has been given adequate assistance and opportunity for corrective action, terminate the Apprenticeship Agreement.

SECTION XVI - CERTIFICATE OF COMPLETION OF APPRENTICESHIP - 29 CFR § 29.5(b)(15), and Circular 2015-02

Upon satisfactory completion of the requirements of the Apprenticeship Program as established in these Standards, the Sponsor will so certify to the Registration Agency and request the awarding of a Certificate of Completion of Apprenticeship to the completing apprentice(s). Such requests may be completed electronically using the supplied U. S. Department of Labor, ETA, Office of Apprenticeship, Application for Certification of Completion of Apprenticeship Form in (Appendix B), accompanied by the appropriate documentation for both OJL and the Related Instruction as may be required by the Registration Agency.

SECTION XVII - NOTICE TO REGISTRATION AGENCY - 29 CFR §§ 29.3(d), 29.3(e), and 29.5(b)(19)

The Registration Agency must be notified within 45 days of any Apprentice action - e.g., registered, reinstated, extended, modified, granted credit, completed, transferred, suspended, canceled - and a statement of the reasons therefor.

SECTION XVIII - REGISTRATION, CANCELLATION, AND DEREGISTRATION - 29 CFR §§ 29.5(b)(18), 29.8(a)(2), and 29.8(b)(8)

These Standards will, upon adoption by the Sponsor, be submitted to the Registration Agency for approval. Such approval will be acquired before implementation of the program.

The Sponsor reserves the right to discontinue at any time the Apprenticeship Program set forth herein. The Sponsor will notify the Registration Agency within 45 days in writing of any decision to cancel the Program.

The Registration Agency may initiate deregistration of these Standards for failure of the Sponsor to abide by the provisions herein. Such deregistration will be in accordance with the Registration Agency's regulations and procedures.

The Sponsor will notify each Apprentice of the cancellation of the Program and the effect of same. If the Apprenticeship Program is cancelled at the Sponsor's request, the Sponsor will notify the apprentice(s) within 15 days of the date of the Registration Agency's acknowledgment of the Sponsor's request. If the Registration Agency orders the deregistration of the Apprenticeship Program, the Sponsor will notify the apprentice(s) within 15 days of the effective date of the order. This notification will conform to the requirements of 29 CFR § 29.8.

SECTION XIX - AMENDMENTS AND MODIFICATIONS - 29 CFR § 29.5(b)(18)

These Standards may be amended or modified at any time by the Sponsor provided that no amendment or modification adopted will alter any Apprenticeship Agreement in force at the time without the consent of all parties. Such amendment or modification will be submitted to the Registration Agency for approval and registration prior to being placed in effect. A copy of each amendment or modification adopted will be furnished to each Apprentice to whom the amendment or modification applies.

SECTION XX - ADJUSTING DIFFERENCES; COMPLAINT PROCEDURE - 29 CFR §§ 29.5(b)(22), 29.7(k), and 30.11

The Sponsor will have full authority to enforce these Standards. Its decision will be final and binding on the Employer, the Sponsor, and the apprentice, unless otherwise noted below.

If an applicant or an Apprentice believes an issue exists that adversely affects his/her participation in the Apprenticeship Program or violates the provisions of the Apprenticeship Agreement or Standards, the applicant or Apprentice may seek relief through one or more of the following avenues, based on the nature of the issue:

29 CFR § 29.7(k)

For issues regarding wages, hours, working conditions, and other issues covered by the CBA, apprentices may seek resolution through the applicable grievance and arbitration procedures contained in the CBA.

The Sponsor will hear and resolve all complaints of violations concerning the Apprenticeship Agreement or Standards for which written notification is received within 15 days of the alleged violations. The Sponsor will make such rulings, as it deems necessary, in each individual case within 30 days of receiving the written notification. Either party to the Apprenticeship Agreement may consult with the Registration Agency for an interpretation of any provision of these Standards over which differences occur. The name and address of the appropriate authority to receive, process, and dispose of complaints is: The LiUNA Chicagoland Laborers' District Council Training & Apprentice Fund located at 1200 Old Gary Ave. Carol Stream, Illinois, 60188.

Discrimination Complaints

(29 CFR Part 30)

Any Apprentice or applicant for apprenticeship who believes that he/she has been discriminated against based on race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, or disability with regard to apprenticeship, or who believes he or she has been retaliated against as described in 29 CFR § 30.17, may personally or through an authorized representative, file a written complaint with the Registration Agency with whom the Apprenticeship Program is registered or EEOC.

Registration agency is the US/DOL/OA, Jose Velazquez, Deputy Administrator, Frances Perkins Building, 200 Constitution Avenue, NW, Washington, DC 20210. E-mail: Velazquez.jose.a@dol.gov Office phone number: 202.693.2909.

Generally, a complaint must be filed within 300 days of the alleged discrimination or specified failure to follow the equal opportunity standards. However, for good cause shown, the Registration Agency may extend the filing time. The time period for filing is for the administrative convenience of the Registration Agency and does not create a defense for the respondent.

Each complaint must be made in writing and must contain the following information:

- i The complainant's name, address and telephone number, or other means for contacting the complainant;
- ii The identity of the respondent (the individual or entity that the complainant alleges is responsible for the discrimination)
- iii A short description of the events that the complainant believes were discriminatory, including but not limited to when the events took place, what occurred, and why complainant believes the actions were discriminatory.
- iv The complainant's signature or the signature of the complainant's authorized representative.

Complaints of discrimination in the Apprenticeship Program may be filed and processed under Title 29, CFR part 30, and the procedures as set forth above.

The JATC will provide written notice of its complaint procedure to all applicants for apprenticeship and all apprentices.

On any dispute or complaint appealed to the registration agency, the Committee's further action will conform to the procedures published by that agency.

Neither the JATC; the JATC's sponsoring Employer and union organizations; nor their officers, members, employees, or agents; shall be liable financially or otherwise for actions taken by the JATC, or the consequences of such actions, with respect to:

ApprenticeshipUSA

1. Withholding apprenticeship from any individual because of the individual's lack of qualifications, or because of the unavailability of employment or training opportunities; or
2. Cancellation of the Apprenticeship Agreement for cause; or
3. Non-referral of Apprentices to an Employer that fails to comply with the requirements of these Standards or the JATC, and/or removal of currently-employed Apprentices from such Employer; or
4. Inability of the JATC to provide employment opportunities and OJL; or
5. Failure of an Employer or an Apprentice to comply with legal requirements such as workers compensation, safety and health regulations, regulations relating to the employment of legal minors, or other federal, state or local mandates.

SECTION XXI - COLLECTIVE BARGAINING AGREEMENTS - 29 CFR § 29.11

Nothing in this part or in any Apprenticeship Agreement will operate to invalidate:

- (a) Any apprenticeship provision in any CBA between Employers and employees establishing higher apprenticeship standards; or
- (b) Any special provision for veterans, minority persons, or women in the standards, Apprentice qualifications or operation of the Program, or in the Apprenticeship Agreement, which is not otherwise prohibited by law, executive order, or authorized regulation.

SECTION XXII - TRANSFER OF AN APPRENTICE AND TRAINING OBLIGATION - 29 CFR § 29.5(13)

The Transfer of an Apprentice between apprenticeship programs and within an apprenticeship program must be based on agreement between the Apprentice and the affected Apprenticeship Committees or Program Sponsors and must comply with the following requirements:

- i. The transferring Apprentice must be provided a transcript of Related Instruction and OJL by the committee or program sponsor;
- ii. Transfer must be to the same occupation; and
- iii. A new Apprenticeship Agreement must be executed when the Transfer occurs between the program sponsors.

The Apprentice must receive credit from the new sponsor for the training already satisfactorily completed.

It is the responsibility of the JATC to provide, insofar as possible, reasonably continuous employment for all Apprentices in the Program. Where the business of a participating Employer is not able to sustain reasonably continuous employment for the assigned apprentices, the JATC will attempt to arrange Transfer of apprentices to another participating Employer. An Apprentice who has entered the Program directly as a result of an Employer referral and offer of employment will not be transferred by the JATC from the referring Employer to another unless the referring Employer cannot provide continuous employment. If an Apprentice is laid off by a referring Employer, the Apprentice may accept employment from another Employer. If, however, after layoff an Apprentice accepts re-employment with the referring Employer, the Apprentice may not transfer to another Employer without permission of the JATC. Furthermore, if the nature of the participating Employer's business does not offer the diversity of work experience in the various processes of the trade or adequate OJL, the Committee may transfer apprentices to another participating Employer. Where there is an allegation of inadequate OJL, the JATC will provide the Employer with notice of any deficiencies and will provide the Employer a reasonable opportunity to correct deficiencies. The JATC shall determine whether there are deficiencies and the reasonableness of the Employer's action in correcting deficiencies. The Apprentice must receive credit from the new Employer for the training already satisfactorily completed. If conditions of business make it necessary to temporarily suspend the period of apprenticeship, Apprentices suspended for this reason will be given the opportunity to resume their active apprenticeships before any additional apprentices are employed.

An Employer that obtains the services of an Apprentice by a direct referral shall release the employee to attend Apprenticeship Program Classes and shall continue to employ the Apprentice as long as there is sufficient work, and as long as the Employer has the resources to provide OJL, provided the Apprentice has not given cause for termination. An Employer who violates this rule may be excluded by the JATC from using apprentices in the future. Notwithstanding the foregoing, the referring Employer may reject an applicant without cause only during the first thirty (30) days of the applicant's employment. However, an Employer shall not be required to continue to employ Apprentices whose attendance, cooperation or other work habits are cause for discharge, but shall not be permitted to reject an applicant based solely upon the applicant's lack of training or experience. Employers shall not employ an Apprentice who is required to remain in the employment of a referring Employer.

AFFIRMATIVE ACTION PLAN

AFFIRMATIVE ACTION PLAN

ADOPTED BY

**LiUNA Chicagoland Laborers' District Council
Training & Apprenticeship Fund and Board of Trustees**

**Chicago District Council, Laborers International
Union of North America**

**AS REQUIRED UNDER TITLE 29, CODE OF FEDERAL REGULATIONS, PART 30
AMENDED MAY 12, 1978**

**DEVELOPED IN COOPERATION WITH THE
U. S. DEPARTMENT OF LABOR
OFFICE OF APPRENTICESHIP**

SECTION I - INTRODUCTION

The JATC enters this Affirmative Action Plan (AAP) with good faith for the purpose of promoting equality of opportunity into its Registered Apprenticeship Program. The JATC seeks to increase the recruitment of qualified women and/or minorities for possible selection into the apprenticeship program in the event women and/or minorities are underutilized in the apprenticeship program. The JATC hereby adopts the following nondiscriminatory pledge and the AAP.

This AAP is a supplement to the Apprenticeship Standards. Any changes made by the JATC will become part of this written AAP, once approved by the Registration Agency.

SECTION II - EQUAL OPPORTUNITY PLEDGE

The JATC commits to the following Equal Opportunity Pledge:

LiUNA Chicagoland Laborers' District Council Training & Apprenticeship Fund will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex, (including pregnancy and gender identity) sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. LiUNA Chicagoland Laborers' District Council Training & Apprenticeship Fund will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30, Section 5 (c)(1).

SECTION III - UTILIZATION AND ANALYSIS, GOALS AND TIMETABLES

In order to allow positive recruitment and full utilization of minorities and women in the apprenticeship program, the JATC pledges to identify outreach efforts under Section IV which will be undertaken. The purpose of the analysis is to determine the minority and women's labor force in the JATC's labor market area. Once the labor force is determined, the JATC can determine if deficiencies exist in terms of underutilization of minorities and/or women in the occupations registered with the Registration Agency. (See attached Affirmative Action Plan Workforce Analysis Worksheet.)

SECTION IV - OUTREACH AND POSITIVE RECRUITMENT

The JATC's AAP includes the following "checked" outreach and positive recruitment efforts that would reasonably be expected to increase minority and women's participation in apprenticeship by expanding the opportunity of minorities and women to become eligible for apprenticeship selection. **Once those efforts have been checked, the JATC will set forth the specific steps they intend to take under each identified effort.** The JATC will identify **a significant number of activities** in order to enable it to meet its obligation under Title 29, CFR part 30.4(c).

- A. X An announcement of specific apprenticeship openings must be disseminated thirty (30) days in advance of the earliest date for application at each interval to the following agencies/organizations:

- Registration Agency
- Women's Organizations/Centers
- Local Schools
- Employment Service Centers
- One Stop Centers
- Vocational Education Schools
- Other Organizations/Centers (which can effectively reach minorities and women)
- Newspapers (which are circulated in the minority community and among women)

The announcement will include the nature of the apprenticeship, requirements for admission to apprenticeship, availability of apprenticeship opportunities, sources of apprenticeship applications, and the JATC's equal opportunity policy. The period for accepting applications as established by the JATC is: _____

- B. Participation in annual workshops conducted by employment service agencies for the purpose of familiarizing school, employment service and other appropriate personnel with the apprenticeship program and current opportunities.
- C. Cooperation with school boards and vocational educational systems to develop programs for preparing students to meet the standards and criteria required to qualify for entry into the apprenticeship program.
- D. Internal communication of the JATC's equal opportunity policy should be conducted in such a manner to foster understanding, acceptance, and support among the JATC's various officers, supervisors, employees, and members, and to encourage such persons to take the necessary action to aid in meeting its obligation under Title 29, CFR part 30.
- E. Engaging in programs such as outreach for the positive recruitment and preparation of potential applicants for apprenticeships; where appropriate and feasible, such programs will provide for pre-testing experience and training. In initiating and conducting these programs, the JATC may be required to work with other JATCs and appropriate community organizations. The JATC will also initiate programs to prepare women and encourage women to enter traditionally male programs.
- F. Encouraging the establishment and utilization of programs of pre-apprenticeship, preparatory trade training, or others designed to afford related work experience or prepare candidates for apprenticeship. The JATC will make appropriate provisions in its AAP to assure that those who complete such programs are afforded full and equal opportunity for admission into the apprenticeship program.
- G. Utilizing journeyworkers to assist in the implementation of affirmative action in the apprenticeship program.
- H. Granting advance standing or credit on the basis of previously acquired experience, training, skills, or aptitude for all applicants equally.

- I. Other appropriate action to ensure that the recruitment, selection, employment, and training of apprentices during their apprenticeship will be without discrimination because of race, color, religion, national origin, or sex (e.g., general publication of apprenticeship opportunities and advantages in advertisements, industry reports, articles, etc., use of present minority and women apprentices and journeyworkers as recruiters; career counseling; development of reasonable procedures to ensure employment opportunity, including reporting systems, on-site reviews, briefing sessions).

The Sponsor shall:

- 1) Participate in workshops for school and employment service counselors.
- 2) Cooperate and counsel with secondary and vocational school administrators concerning needs of the industry and how transition of female and minority group students from school to apprenticeship can best be accomplished.
- 3) Disseminate information within the industry to acquaint all involved with the goals of the apprenticeship program and to effect cooperation.
- 4) Cooperate with concerned minority and female organizations. They shall disseminate information to the general public detailing procedures for applying for admission to apprenticeship and how to respond.
- 5) Run newspaper advertisements in major newspapers and minority newspapers in all areas of jurisdiction, bi-annually.
- 6) Attempt to secure on public service time on radio and/or TV commonly identified with the minority community.
- 7) Adopt other acts deemed necessary by the sponsor to accomplish the goals desired.

SECTION V - ANNUAL REVIEW OF AFFIRMATIVE ACTION PLAN

The JATC will make an annual review of its current AAP and its overall effectiveness and institute any revisions or modifications warranted. The review will analyze (independently and collectively) the affirmative action steps taken by the JATC for evaluating the positive impact, as well as the adverse impact in the areas of outreach and recruitment, selection, employment, and training. They will work diligently to identify the cause and affect that result from their affirmative action measures. The JATC will continually monitor these processes in order to identify the need for a new affirmative action effort and/or deletion of ineffective existing activities. All changes to the AAP must be submitted to the Registration Agency for approval. The JATC will continually monitor the participation rates of minorities and women in the apprenticeship program in an effort to identify any type of underutilization. If underutilization exists, corrective action will be immediately implemented. The goals and timetables also will be reviewed periodically as determined by the Registration Agency and updated where necessary.

QUALIFICATIONS AND SELECTION PROCEDURES

**QUALIFICATIONS AND SELECTION
PROCEDURES**

ADOPTED BY

**LiUNA Chicagoland Laborers' District Council
Training & Apprentice Fund and Board of Trustees**

**Chicago District Council, Laborers International
Union of North America**

DEVELOPED IN COOPERATION WITH THE
U. S. DEPARTMENT OF LABOR
OFFICE OF APPRENTICESHIP

The certification of this selection procedure is not a determination that, when implemented, it meets the requirements of the Uniform Guidelines on Employee Selection Procedures (41 CFR, part 60-3) or 29 CFR part 30. Note that selection procedures may need to be modified to provide reasonable accommodations to qualified individuals with disabilities.

SECTION I. - MINIMUM QUALIFICATIONS

Applicants seeking acceptance into the Apprentice Program of the LiUNA Chicagoland Laborers' District Council Training & Apprenticeship Fund (the "Fund") must meet the following minimum qualifications:

A. Age

Applicants must be 18 years of age or older.

B. Education

Applicants must have at least a tenth grade education or higher or a GED or other high school equivalency.

C. Physical

Applicants must physically be able to perform the work of the trade.

D. Communication

Applicants must have a reading, understanding, writing and communicating ability that would enable the applicant to perform the tasks of the Construction Craft Laborer in a safe manner and would allow the applicant to comprehend the subject matter taught, in English only, in related instruction.

E. Driver's License

Applicants must have a valid driver's license.

F. Substance Abuse Testing

Applicants must pass a substance abuse test to be accepted into the Program.

G. Legally Eligible

Applicants must legally be eligible to work in the United States.

SECTION II. - APPLICATION and SELECTION PROCEDURES

An employer must refer newly hired employees for selection into the Apprenticeship Program consistent with the Collective Bargaining Agreement. Any employees referred to the Apprenticeship Program must meet the minimum qualifications identified above.

An employer may refer more than one new employee to the Apprenticeship Program provided that they do not exceed the specified ratio of six journeyworkers to one apprentice. The JATC may accept into the Program an individual who has been referred by an employer provided the employer has agreed to employ the individual and the employer further agrees to provide the on-the-job learning required by the Apprenticeship Program. An employee who is referred to the Apprenticeship Program and is accepted into the program must participate in an initial one-week safety training orientation at the first opportunity offered by the Apprenticeship Program. The offering of safety training orientation to new apprentices does not substitute for an employer's ordinary obligation to provide safe working conditions and appropriate direction to apprentices and journeyworkers in order to minimize the chance of injury.

Sponsoring employers must submit to the Fund the following documentation for all applicants prior to the date the applicant completes the Fund's application and submits to a substance abuse test:

1. Valid driver's license
2. Social Security card
3. Transcripts from high school showing completion of tenth grade or higher or, if applicable, other documentation demonstrating completion of a GED or other high school equivalency
4. Sponsorship letter from signatory employer

Applications will be accepted at locations within the jurisdiction of the Program as determined by the JATC. All applicants will be required to complete an application form. After completion of the application, the applicant will submit to a substance abuse test. After the applicant has taken the substance abuse test and completed the application and accompanying documentation, the Fund staff will review all the documentation and test results to determine whether the applicant satisfies the minimum qualifications set forth in Section I. Applicants who do not meet such qualifications or who cannot provide substantiating evidence for meeting such qualifications will be rejected from the Apprentice Program. A notice will be provided to the employer and the applicant if the applicant is rejected from the Program.

Applicants who are military veterans and who wish to receive credit for military training or experience must submit a form DD-214 to verify such military training and/or experience.

SECTION III. - NON-DISCRIMINATION POLICY, NON-HARASSMENT POLICY AND COMPLAINT PROCEDURES

A. Non-Discrimination Policy

The Fund will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex, (including pregnancy and gender identity) sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. The Fund will take affirmative action to provide equal opportunity in apprenticeship and will operate the

Apprenticeship Program as required under Title 29 of the Code of Federal Regulations, part 30, Section 5 (c)(1). Any applicant or apprentice who feels the Fund discriminated against him or her may file a complaint under the procedures outlined below.

B. Non-Harassment Policy

The Fund will work to promote an environment in which all apprentices (1) feel safe, welcomed and treated fairly, (2) are not harassed because of their race, color, religion, national origin, sex (including pregnancy and gender identify), sexual orientation, age (40 or older), genetic information, or disability and (3) are free from intimidation and retaliation. To that end, harassing conduct shall not be tolerated. Harassing conduct is unwelcome conduct that is based on race, color, religion, sex (including pregnancy and gender identity), national origin, age (40 or older), disability or genetic information. Harassment becomes unlawful where 1) enduring the offensive conduct becomes a condition of continued employment or apprenticeship, or 2) the conduct is severe or pervasive enough to create an environment that a reasonable person would consider intimidating, hostile, or abusive. Offensive conduct may include, but is not limited to, offensive jokes, slurs, epithets or name calling, physical assaults or threats, intimidation, ridicule or mockery, insults or put-downs, offensive objects or pictures, and interference with work performance. Any apprentice who is harassed, intimidated or retaliated against because of their protected status may file a complaint under the procedures outlined below.

C. Complaint Procedure

The Fund has established the following procedure for lodging a complaint of harassment, discrimination or retaliation. The Fund will treat all aspects of the procedure confidentially to the extent reasonably possible.

1. An apprentice who feels harassed or intimidated or discriminated against based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, age (40 or older), genetic information, or disability may initiate the complaint process by filing a complaint in writing with the Director of Apprenticeship. This complaint process is also available to any apprentice who feels he or she has been intimidated, threatened, coerced, retaliated against or discriminated against because he or she has (a) filed a complaint alleging a violation of Part 30 of Title 29 , Subtitle A of the Federal Regulations ("Part 30"), (b) opposed a practice prohibited by the provisions of Part 30 or any other Federal or State equal opportunity law, (c) furnished information to, or assisted or participated in any manner, in any investigation, compliance review, proceeding, or hearing under Part 30 or any Federal or State equal opportunity law; or (d) otherwise exercised any rights and privileges under the provisions of Part 30. (The provisions of Part 30 shall be available upon request. Part 30 is the part of the Federal Regulations dealing with equal employment opportunity in Apprenticeship.)
2. No formal action will be taken against any person under this policy unless the Director of Apprenticeship has received a written and signed complaint containing sufficient details to determine if the policy may have been violated. If an instructor or other Fund staff becomes aware that harassment or discrimination is occurring,

either from personal observation or as a result of an apprentice's coming forward, the instructor should immediately report it to the Director of Apprenticeship.

3. Upon receiving a complaint or being advised by an instructor or other Fund staff that a violation of this policy may be occurring, the Director of Apprenticeship will notify the Fund and review the complaint with Fund counsel.
4. Within five working days of receiving the complaint, the Director of Apprenticeship will notify the person(s) charged [hereafter referred to as "respondent(s)"] of a complaint and initiate the investigation to determine whether there is a reasonable basis for believing that the alleged violation of this policy occurred.
5. During the investigation, the Director of Apprenticeship, together with Fund counsel or other Fund employees, will interview the complainant, the respondent and any witnesses to determine whether the alleged conduct occurred.
6. Within 15 business days of the complaint being filed (or the matter being referred to the Director of Apprenticeship), the Director of Apprenticeship or other person conducting the investigation will conclude the investigation and submit a written report of his or her findings to the Executive Director.
7. If it is determined that harassment or discrimination in violation of this policy has occurred, the Executive Director will recommend appropriate disciplinary action. The appropriate action will depend on the following factors: a) the severity, frequency and pervasiveness of the conduct; b) prior complaints made by the complainant; c) prior complaints made against the respondent; and d) the quality of the evidence (e.g., first-hand knowledge, credible corroboration).
8. If the investigation is inconclusive or if it is determined that there has been no violation of policy but potentially problematic conduct may have occurred, the Director of Apprenticeship may recommend appropriate preventive action.
9. Within five days after the investigation is concluded, the Director of Apprenticeship will meet with the complainant and the respondent separately, notify them of the findings of the investigation, and inform them of the action being recommended.
10. The complainant and the respondent may submit statements to the Director of Apprenticeship challenging the factual basis of the findings. Any such statement must be submitted no later than five working days after the meeting with the Director of Apprenticeship in which the findings of the investigation are discussed.
11. Within 10 days from the date the Director of Apprenticeship meets with the complainant and respondent, the Executive Director will review the investigative report and any statements submitted by the complainant or respondent, discuss results of the investigation with the Director of Apprenticeship and/or other Fund staff as may be appropriate, and decide what action, if any, will be taken. The Director of Apprenticeship will report the Executive Director's decision to the complainant, the respondent and the instructors of the complainant and respondent. The Executive Director's decision will be in writing and will include findings of fact and a

statement for or against disciplinary action. If disciplinary action is to be taken, the respondent will be informed of the nature of the discipline and how it will be executed.

D. Alternative legal remedies

Nothing in this policy may prevent the complainant or the respondent from pursuing formal legal remedies or resolution through local, state or federal agencies or the courts, including the Office of Apprenticeship of the DOL as described below.

E. Right to Equal Opportunity

It is against the law for a sponsor of an Apprenticeship Program registered for Federal purposes to discriminate against an apprenticeship applicant or apprentice based on race, color, religion, national origin, sex, sexual orientation, age (40 years or older), genetic information, or disability. The sponsor must ensure equal opportunity with regard to all terms, conditions, and privileges associated with apprenticeship. If applicant or apprentice thinks that he or she has been subjected to discrimination, he or she may file a complaint within 300 days from the date of the alleged discrimination or failure to follow the equal opportunity standards with the US Department of Labor Office of Apprenticeship.

4. The complainant's signature or the signature of the complainant's authorized representative.

Who may file a complaint: Any individual who believes that he or she has been or is being discriminated against on the basis of race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, or disability with regard to apprenticeship, or who believes he or she has been retaliated against as described in 29 CFR § 30.17, may, personally or through an authorized representative, file a written complaint as described above.

SECTION IV. - MAINTENANCE OF RECORDS

The JATC will keep adequate records including a summary of the qualifications of each applicant, the basis for evaluation and for selection or rejection of each applicant, the original application for each applicant, information relative to the operation of the Apprenticeship Program, including, but not limited to, job assignment, promotion, demotion, layoff, or termination, rates of pay or other forms of compensation or conditions of work, hours including hours of work and, separately, hours of training provided, and any other records pertinent to a determination of compliance with the regulations at Title 29, CFR part 30, as may be required by the U.S. Department of Labor. Sponsoring employers shall maintain employment-related records of applicants and apprentices as required by law. The records pertaining to individual applicants, selected or rejected, will be maintained by the JATC in such manner as to permit the identification of minority and women (minority and non-minority) participants.

Each JATC must retain a statement of its AAP for the prompt achievement of full and equal opportunity in apprenticeship, including all data and analysis made pursuant to the requirements of Title 29, CFR part 30.4. Each JATC also must maintain evidence that its qualification standards have been validated in accordance with the requirements set forth in Title 29, CFR part 30.5(b).

Records related to each applicant and apprentice will be maintained for five (5) years from the date

of last action and made available upon request to the U.S. Department of Labor or other authorized representative.
