Dear Members of the Selection Committee,

I am writing to express my interest in serving on the Board of the Asian American Native Hawaiian and Pacific Islander (AANHPI) Advisory Council for the City of Aurora. As a proud resident of Aurora for over 20 years and a dedicated community member, I am eager to contribute to this vital initiative and help foster stronger representation, support, and opportunities for our diverse populations.

During my time in Aurora, I have actively engaged with various community organizations and have served on multiple non-profit boards. My current work with the KS Foundation, a non-profit organization that collaborates closely with the Hesed House of Aurora, has allowed me to make significant contributions to our city's well-being. Through this work, I have been able to support numerous initiatives aimed at enriching our community, promoting diversity, and ensuring that the needs of all citizens are met.

I believe my experience in leadership roles, along with my long-standing commitment to community service, positions me well to serve as a member of the AANHPI Board. I am passionate about supporting the Asian American Native Hawaiian and Pacific Islander communities and look forward to the opportunity to work closely with other leaders in Aurora to make a positive impact.

I would be honored to contribute my skills, experience, and dedication to the Board, and I am confident that my involvement will help further the goals of the AANHPI Advisory Council.

Thank you for considering my application. I look forward to the possibility of contributing to this meaningful work.

Sincerely,
