

STATE OF ILLINOIS )

)ss.

COUNTY OF KANE )

AFFIDAVIT

I, Ted Beck, Chief Technology Officer for the City of Aurora, being duly sworn on oath hereby state:

That the City of Aurora desires to purchase an annual maintenance contract for the Harris Corporation Radio System. This system is used for both public safety and municipal workers for Aurora and Naperville. This communication system was originally purchased by the City in December 2008. The original contract for this system included the first 3 years of maintenance.

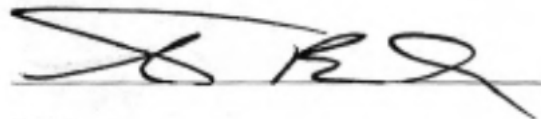

That the Harris Corporation provides support for this with factory trained and certified technicians. These staff members are Harris employees. This direct relationship allows for faster response to any system issues

That the Harris Corporation opened a facility in Aurora, 340 Marshall Avenue, to provide more timely support to both Aurora and Naperville

That support for the Harris Radio System has been excellent for the initial 8 years of system utilization

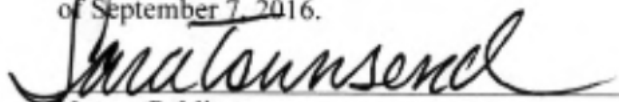

That pursuant to Aurora Code Section 2-335 a (3), the product or service desired is provided by only one (1) person and that failure to act promptly hereunder may likely result in a substantial increase in cost thereof to be borne by the city.

Further affiant sayeth not.

Ted Beck  
Chief Technology Officer  
City of Aurora

Subscribed and sworn to  
before me this 7th day  
of September 7, 2016.

  
Notary Public
