## VOLUNTEER EXPERIENCE OR LEADERSHIP

---

Team Apache – for the last 10 years or so, I've been Vice President/Secretary of the team. Our major event has been the ABR Illinois State Time Trail Championship in Paw Paw Illinois. This event has been a consistent fixture on the racing calendar for over 10 years.

Chicago Tandem Society – we just joined this club this year. It's a great group of people that enjoy getting together, riding bikes, and eating good food. The highlight of the year so far was being a "captain" on a tandem for the "Bike the Drive" in Chicago with a blind person on the back of the tandem. This allowed an individual to experience a bike ride, that otherwise may not be able to.

Bicycle racing – ABR, USA Cycling: From the early to mid nineties to 2011. Raced competitively up to Masters 40+, and Category 3. Over the course of these years, completed over 100 racing events.
