# AFFIDAVIT

I, James J. Dahl, Director of Management Information Systems for the City of Aurora, being duly sworn on oath hereby state:

1. The City of Aurora is currently in need of a Cisco network equipment replacement.
2. Cisco does have a State of Illinois contract through the Illinois Century Network (ICN) and AT&T, which offers 42.5% off of list price of hardware.
3. Cisco and Sentinel are offering the City of Aurora 54.9% hardware discount and a 23% discount off of the first year of Cisco SMARTnet.
4. A requirement of the added discount is purchasing the Cisco equipment and services through Cisco's business partner, Sentinel Technologies.
5. Sentinel has submitted a quote in the amount of $709,574.00, which includes the 54.9 and 23%% discounts.
6. Sentinel has also quoted installation services in an amount of $68,140.00.
7. These discounts are not available from any other source and purchase of it provides substantial savings to the City.
8. Pursuant to Aurora Code Section 2-335 (a)(3) the desired product is provided by only one source and failure to purchase to act promptly may likely result in a substantial cost increase to be borne by the City.
9. Further affiant sayeth not.
