Attachment to Land Use Petition

Qualifying Statement

The Owner/Developer Fox Valley Property Services LLC 1900 E New York hereby respectfully submits its Qualifying Statement in connection with its Petition to Modify the Planned Development for the Property as described herein and as illustrated on the Preliminary Engineering, Plat of Subdivision and Plans accompanying this application.

The Owner/Developer Fox Valley Property Services LLC 1900 E New York is a Series of an Illinois Limited Liability Company. Its Members and Managers are MIKE SETORK f/k/a MEHDI SETORK, 1667 E. New York St., Aurora, Illinois 60505 and MASHAALAH SETORK, 1667 E. New York St., Aurora, Illinois 60505.

The Property is currently Zoned B-3, Per Section 8.4 of the Zoning Ordinance, "B-3" Business and Wholesale District. A Planned Development is provided per Ordinance 4475. The proposed development is to amend the Planned Development to subdivide the property into 4 lots, and amend the Zoning to B-2 for the following purposes:

Lot 1, a Permitted Use for a used automobile sale and service facility (2811) or major automotive repair (2836);

Lot 2, a Permitted Use for 14,000 square foot commercial building for shopping center, with Permitted Uses as permitted in the B-2 District and with one Special Use for Restaurant, or Financial Institution or Retail with Drive-through facility (2110, 2210 or 2530).

Lot 3, a Permitted Use for a Mini-storage facility (3340).

Lot 4, a Permitted Use for open space; OS-2

a) This project promotes the public health, safety, morals, comfort or general welfare because it is consistent with the Comprehensive Plan, is in harmony with the existing uses in the neighborhood, it contributes to the tax base of the City, and it supports employment and preserves open space in the community, and more specifically:

2.1-2. It is consistent with protection of the character and the stability of the residential, business and manufacturing areas within the City of Aurora by promoting the orderly and beneficial development of this commercial area;

2.1-3. It prevents the overcrowding of land and undue concentration of structures, so far as possible and appropriate in each district, and to provide adequate light, air, privacy and convenience of access to property;

2.1-4. The proposed development is consistent with regulation of the intensity of use of lot areas, and to determine the area of open spaces, and increases permanent open space in the neighborhood and surrounding buildings, necessary to provide adequate light and air, and to protect the public health;

2.1-5. The proposed development conforms to standards for the buildings or structures in the project;

2.1-6. The uses, buildings or structures are compatible with the character of development or intended uses within specified zoning districts;

2.1-7. The proposed development limits congestion in the public streets and protect the public health, safety, convenience and general welfare by providing for the off-street parking of motor vehicles and the loading and unloading of commercial vehicles consistent with City standards ;

2.1-8. It conserves and enhances the taxable value of land and buildings in the project and throughout the City of Aurora;

b) The use and enjoyment of other property already established or permitted in the general area. The established and permitted use in the general area are primarily commercial and retail facilities

c) Property values within the neighborhood. The proposed use will have property value consistent with the neighborhood and the developments contemplated by the Comprehensive Plan

d) The normal and orderly development and improvement of surrounding property for uses established or permitted within their respective existing zoning districts

e) Utilities, access roads, drainage and/or other necessary facilities will be constructed privately and maintained by the Property Owners Association for the development as per the Covenants, Conditions and Restrictions. Access to New York Street is provided as shown on the Preliminary Plat and the Engineering Drawings.

f) Ingress and egress as it relates to traffic congestion in the public streets will not adversely impact traffic congestion in the public streets. The Applicant is donating ROW for New York street, consistent with the intended profile of New York Street, and

g) The proposed use is in harmony with applicable regulations of the zoning district in which the subject property is proposed to be or is located and the Comprehensive Plan.

h) A bullet point list of any variances:

- Section 43-10-B provides that variations from the Aurora Subdivision Control Ordinance may be granted by the Committee, the Plan Commission or the City Council in connection with the establishment of a Planned Development District or the approval of preliminary final plats for all or part of the Planned Development District pursuant to Section 14.7 of the City Zoning Ordinance.

- Pursuant to that authorization, Applicant proposed that the Planned Development Agreement provide that requirements of 43-12; 43-18; 43-55; 43-72; 43-76(d); 43-77; 43-95; 43-98; and 43-99 be waived. The commonly provided utility facilities as defined in the Aurora Subdivision Control Ordinance will not be dedicated but will be privately

owned, constructed, maintained and replaced as they are to be provided to Lots 1, 2, and 3 by mutual, non-exclusive easements.

- The Applicant proposed that the requirements of 43-99 be waived as to internal lots provided that the parkway landscaping on New York Street shall be as per this section; per Section 43-36(c) the Applicant proposed to adopt protective covenants in the proposed Declaration of Covenants Conditions and Restrictions for the Subdivision to provide utility facilities required by the Subdivision Control Ordinance including providing.
