**Subject:** Parking on Baldwin Ct

Good morning Mike,

My name is Amanda Thomas, I live at **2459 Baldwin Court** in the Wheatlands Subdivision. I have complained two times to the city of Aurora, and now I am reaching out to you to try to see if we can rectify the parking situation in this cul de sac. There is currently a Gray Toyota Camry that is parked directly behind my driveway. I personally witnessed a garbage truck that was barely able to get through this morning. There are constantly vehicles parked perpendicular to the curb, which is obviously illegal. But this is posing quite a hazard if any emergency vehicles needed to get through. According to the City ordinance there is a requirement for 18 feet clearance on any street, I can assure there is not 18 feet between this Toyota Camry and my driveway.

Please contact me back to ensure you have received this email. I'm not sure if we can paint the curbs yellow? Or place a no parking sign near the island of the cul de sac. I'm not sure what can be done. But, not only is it a safety hazard but it is also aesthetically not appealing.

Thank you,

Amanda Thomas
