Ms. Tracey Vacek

Please accept this as our formal request for an extension of our special use permit for the property located at 1415 Corporate Blvd. Aurora, IL until 12/31/2020. In addition to the extension, it is agreed and understood that the dispensary will be open no later than one year from the special use extension approval. The reason for this request is due to the delay of the State of Illinois to issue licenses because of issues with processing the applications due to the Covid 19 crisis, which has delayed all applications currently being processed. As of today, a new date when licenses will be granted has not yet been announced.

Thank you,

  
James P. Hughes Jr.
