Party will have the right to terminate this Agreement upon the provision of written notice to the other Party.

SECTION 4. INCENTIVES.

A. **Completion of Improvements and Verification of Project Costs.** Notwithstanding any provision of this Agreement to the contrary, the City will not have any obligation to pay any Rebates to the Developer prior to completion of construction of the Improvements by the Developer, as evidenced by the issuance of a certificate of occupancy for the use of the new Improvements by the City, and submission by the Developer to the City of verification of payment of all construction costs related to the initial construction of the Improvements, all to the satisfaction of the City Chief Financial Officer, or their designees.

B. **Building Permit Plan Review Expediting Fee Waiver.** The City will suspend its building permit plan review expediting fee for the Project ("***Expediting Fee***"). The Expediting Fee is estimated to be \$216,000. If the Developer achieves the Commencement Date as set forth in, and within the time required in this Agreement, the City will waive the Expediting Fee. If the City provided the Project with an expedited building permit plan review, and if the Developer fails to achieve the Commencement Date as set forth in, and within the time required in, this Agreement, the Developer will promptly pay, via check to the City, the Expediting Fee.

C. **Calculation of Property Tax Rebate.** Beginning on the Commencement Date, the City will pay to the Developer fifty percent (50%) of the Municipal Property Taxes (which by definition in Section 2.F excludes any portion of the City's property tax levy for pension funding) generated by the Property during each Tax Year.

D. **Calculation of Sales Tax Rebate.** Beginning on the Commencement Date, the City will pay to the Developer fifty percent (50%) of the New Sales Taxes generated by the Developer on the Property during each Tax Year.

E. Rebates Payments.

1. **Property Tax Rebate.** Within 270 days after the end of each Tax Year, and after the City receives written proof of payment of the Property Taxes from the Developer for that Tax Year, the City will pay the applicable Property Tax Rebate for that particular Tax Year to the Developer, based on the records of DuPage County. If, for any reason, DuPage County fails to distribute the Municipal Property Taxes revenue to the City in sufficient time for the City to make the annual payments, the City will make the required Property Tax Rebate payment within 60 days after the date on which the City actually receives the Municipal Property Taxes revenue due the City for the applicable annual payment period. If the City identifies the need to adjust and reconcile the amount of any Property Tax Rebate payment to account for any provision of this Agreement or to account for the amount of Municipal Property Taxes actually paid to the City, the City and the Developer agree to reasonably cooperate with each other to accomplish the reconciliation.

2. **Sales Tax Rebate.** Within 150 days after the end of each Tax Year, and after the City receives the summary of Sales Taxes paid from the Property for the applicable year from IDOR, the City will pay the applicable Sales Tax Rebate for that particular Tax Year to the Developer, based on the records of IDOR. If, for any reason, the State of Illinois fails to distribute the Municipal Sales Taxes revenue to the City in sufficient time for the City to make the annual payments, the City will make the required Sales Tax Rebate payment within 60 days after the date on which the City actually receives the Municipal Sales Taxes revenue due the City for the

applicable annual payment period. If the City identifies the need to adjust and reconcile the amount of any Sales Tax Rebate payment to account for any provision of this Agreement or to account for the amount of Sales Tax actually paid by the State of Illinois to the City, the City and the Developer agree to reasonably cooperate with each other to accomplish the reconciliation. Any information received by the City from the Developer under this Agreement regarding Municipal Sales Taxes will be kept confidential to the extent allowed by the Requirements of Law.

F. **Change in the Law.** The City and the Developer acknowledge and agree that the City's obligation to pay the Rebates to the Developer is predicated on existing State law governing the distribution of Property Taxes and Sales Taxes to the City. The City and the Developer further acknowledge that the General Assembly of the State has, from time to time, considered proposals to modify or eliminate the distribution of Property Taxes and Sales Taxes to Illinois municipalities. In the event that Property Taxes or Sales Taxes are no longer distributed to the City, or if the distribution is altered in a manner that prevents the City and the Developer from determining with a reasonable degree of certainty the amount of the Municipal Property Taxes or the Municipal Sales Taxes ("***Change in Law***"), the provisions of this Agreement with regard to Municipal Property Taxes or Municipal Sales Taxes generated from the Property on or after the effective date of the Change in Law will automatically terminate and become null and void and be of no further force or effect, and the City will have no obligation whatsoever to pay to the Developer any of the Municipal Property Taxes or the Municipal Sales Taxes, as the case may be, generated on or after the effective date of the Change in Law. However, if, at any time during the term of this Agreement, there is another Change in Law that either results in the distribution of Property Taxes or Sales Taxes to the City, or allows the City and the Developer to determine with a reasonable degree of certainty the amount of the Municipal Property Taxes or Municipal Sales Taxes, the provisions of this Agreement with regard to Municipal Property Taxes or Municipal Sales Taxes generated from the Property will automatically be reinstated and will continue through the remainder of the term of this Agreement.

G. **No Guarantee.** The Parties acknowledge and agree that none of the terms, conditions, or provisions of this Agreement are to be construed, deemed, or interpreted as a guarantee that the City will receive any Property Taxes or Sales Taxes as a result of the operation of the Project on the Property.

H. **Limited Liability.** Notwithstanding any other provision of this Agreement to the contrary, the City's obligation to pay the Rebates payments is not and will not be a general debt or obligation of the City or a charge against its general credit or taxing powers, but is and will be a special limited obligation payable solely from Municipal Property Taxes and Municipal Sales Taxes received by the City, in accordance with this Agreement. The Developer has and will have no right to, and agrees that it may not, compel any exercise of the taxing power of the City to pay the Rebates, and no execution of any claim, demand, cause of action or judgment may be levied upon or collected from the general credit, general funds or other property of the City. No recourse may be had for any payment pursuant to this Agreement against any past, present, or future elected or appointed officer, official, agent, representative, employee, or attorney of the City in their individual capacity.

I. **Closure; Refund of Rebates.**

1. In the event that, at any time before ten Tax Years have passed, the Project is abandoned, closed, or terminated ("***Closure***"), then: (a) the provisions of this Agreement with regard to Municipal Property Taxes and Municipal Sales Taxes generated from the Property will, as of the date of the Closure, automatically terminate and become null and void and be of no

further force or effect, and the City will have no obligation whatsoever to perform any of the Rebates obligations in Section 4 of this Agreement; and (b) within 90 days after the date of Closure, the Developer must refund to the City a portion of the Rebates received by the Developer prior to the date of the Closure, as follows:

<u>Date of Closure</u>	<u>% of Rebates Payments to be Refunded</u>
During the first Tax Year	0% (no Rebates will have been paid)
During the second Tax Year	90%
During the third Tax Year	80%
During the fourth Tax Year	70%
During the fifth Tax Year	60%
During the sixth Tax Year	50%
During the seventh Tax Year	40%
During the eighth Tax Year	30%
During the ninth Tax Year	20%
During the tenth Tax Year	10%

2. The Developer must provide the City with no less than 180 days written notice prior to any abandonment, closure, or termination of the use of the Property for the Project.

J. **Limitations on Payment of Rebates.** The Developer acknowledges and agrees that the Property must be used and maintained in strict compliance with Requirements of Law and the Developer’s obligations in this Agreement. If the Developer fails to comply in all respects with the Requirements of Law, its obligations in this Agreement, or cure any defects as allowed in this Agreement, the City will have the right to suspend payment of the Rebates for the period that the Developer is not in material compliance with the Requirements of Law or its obligations in this Agreement, and the City will have no further obligation to pay any Rebates to the Developer until the City determines in its reasonable discretion that the Developer is in material compliance with the Requirements of Law or its obligations in this Agreement.

K. **Commitment to Fair Employment Practices; Prevailing Wage.** Developer will comply with all federal, State, and local laws relating to equal employment opportunities with respect to construction and operation of the Project. Developer will, in all solicitations or advertisements for employees placed by or on behalf of Developer state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin. Developer will pay the prevailing rate of wages as established under 820 ILCS 130/0.01 *et seq.*, as amended (“***Prevailing Wage Act***”) to all workers involved with the Project, and will comply with the Prevailing Wage Act, regardless of whether such prevailing wages are required to be paid under Illinois law, or whether the Prevailing Wage Act is required to be followed relative to the Project.

L. **Filing and Reporting.** Within 30 days of the Effective Date, a report regarding this Agreement, and a copy of this Agreement, will be filed electronically with IDOR pursuant to 65 ILCS 5/8-11-21(c). The Developer will reasonably cooperate with the City in preparing and filing

the report, and the Developer will provide information and materials needed by the City to prepare and file the report.

SECTION 5. PROPERTY VALUATION.

The Developer recognizes that the City has legitimate interests and concerns regarding the valuation and assessment of the Property for property tax purposes. Accordingly, Owner, all successor owners of any portion of the Property, and all persons and entities related thereto or affiliated therewith, must: (a) not otherwise initiate any protest or appeal that seeks a property valuation for the Property that is below the minimum assessed valuation of \$17,400,000; and (b) notify the City prior to the commencement or initiation of any protest or appeal by the Developer or any such person or entity of the real property valuation established by the DuPage County Assessor for the Property. The Developer must timely notify the City if refunds or credits for any portion of the remitted Property Taxes are made as a result of the protest or appeal. In the event of such a refund or credit, the City will be entitled to deduct an amount equal to the refunded or credited amount from subsequent payments of Property Tax Rebates made pursuant to this Agreement.

SECTION 6. FORCE MAJEURE.

Except as expressly provided to the contrary in this Agreement, whenever a period of time is provided for in this Agreement for either the Developer or the City to perform any act or obligation, and the Developer or the City, as the case may be, is unable to perform or complete the act or obligation because of a Force Majeure, then upon the occurrence of the Force Majeure, the time period for the performance and completion of the acts or obligations will be extended automatically for a reasonable time to accommodate the delay caused by the Force Majeure.

SECTION 7. LITIGATION AND DEFENSE OF AGREEMENT; INDEMNITY.

A. **Litigation.** If, during the term of this Agreement, any lawsuits or proceedings are filed or initiated against either Party before any court, commission, board, bureau, agency, unit of government or sub-unit thereof, arbitrator, or other instrumentality, that may materially affect or inhibit the ability of either Party to perform its obligations under, or otherwise to comply with, this Agreement ("***Litigation***"), the Party against which the Litigation is filed or initiated must promptly deliver a copy of the complaint or charge related thereto to the other Party, and must thereafter keep the other Party fully informed concerning all aspects of the Litigation.

B. **Defense.** The City and the Developer must use their respective best efforts to defend the validity of this Agreement, and all ordinances and resolutions adopted and agreements executed by such Party pursuant to this Agreement, including every portion thereof and every approval given, and every action taken, pursuant thereto. Each Party will have the right to retain its own independent legal counsel, at its own expense, for any matter. The City and the Developer agree to reasonably cooperate with each other to carry out the purpose and intent of this Agreement.

C. **No Liability for City Review.** The Developer acknowledges and agrees that: (1) the City is not, and will not be, in any way liable for any violations of restrictive covenants applicable to the Property that may occur, or for any damages or injuries that may be sustained, as the result of the City's review and approval of any plans for the Property, or as a result of the issuance of any approvals, permits, certificates, or acceptances relating to the use and development of the Property; and (2) the City's review and approval of any of the plans and the

issuance of any of the approvals, permits, certificates, or acceptances does not, and will not, in any way, be deemed to insure the Developer, or any of its heirs, successors, assigns, tenants, or licensees, or any third party, against restrictive covenant violations or damage or injury of any kind at any time.

D. **City Procedures.** The Developer acknowledges that notices, meetings, and hearings have been properly given and held by the City with respect to the approval of this Agreement, and agrees not to challenge any of those actions on the grounds of any procedural infirmity or of any denial of any procedural right.

C. **Sales Tax Audits and Refunds.** The Developer must timely notify the City if it initiates any protest or audit of the Sales Taxes remitted from the Property to the State of Illinois, and if the State of Illinois refunds or credits to the Developer any portion of the remitted Sales Taxes as a result of the protest or audit. In the event of such a refund or credit, the City will be entitled to deduct an amount equal to the refunded or credited amount from subsequent payments of Sales Tax Rebates made pursuant to this Agreement.

D. **Compliance.** Failure by the Developer to provide the information or materials, or execute and provide the documentation, required by this Section 9 will relieve the City from performance of any duty or obligation under this Agreement until such time as the Developer has cured such failure.

The Developer will provide the City with confidential copies of the relevant portions, upon execution, of the Construction Agent Agreement, the Ground Lease, and the Lease. Notwithstanding any provision to the contrary set forth herein, the Developer shall be permitted to collaterally assign this Agreement to the Lessor and to any other person or entity providing financing for the construction of the Improvements, without the requirement of first obtaining the consent of the City, provided however that the City may enter into a written consent to such collateral assignment if requested by Developer, provided that no such collateral assignment may create any additional obligation, cost, or duty on the City beyond those in this Agreement.

D. **Transfer Defined.** For purposes of this Agreement, the term "transfer" includes any assignment, transfer, sale, transfer to a receiver or to a trustee in bankruptcy, transfer in trust, or other disposition of the Project, in whole or in part, by voluntary or involuntary assignments sale, foreclosure, restructuring, merger, sale and leaseback, consolidation, or otherwise.

E. **Prohibited Assignments.** It is the express intent of the Parties that, except as expressly provided or allowed herein, this Agreement, and all of the rights and privileges granted herein, are for the sole and exclusive benefit of the Developer for development and operation of the Project on the Property. Accordingly, notwithstanding any provision of this Agreement, in the event that the Developer does, or attempts to, voluntarily or involuntarily transfer its interest in the Project, in whole or in part, without the prior consent of the Corporate Authorities, which consent may be granted or denied in the sole and absolute discretion of the Corporate Authorities, this

Agreement, and all of the rights and privileges granted herein, will, at the option of the City, become null and void and be of no force or effect. Notwithstanding the foregoing provision, nothing herein shall be construed as to prohibit the Lease or the Ground Lease.

F. **Survival.** The Developer's obligations in Sections 7 and 10 of this Agreement will survive and continue even if this Agreement is on longer in effect.

SECTION 13. REPRESENTATIONS AND WARRANTIES.

In order to induce the City to enter into this Agreement, to adopt the resolution, and to grant the rights herein provided for, the Developer hereby warrants and represents to the City as follows:
