In consideration of the improvements to the Premises to be made by the Tenant under this lease ground rent is waived for the initial five (5) year term of this lease and for the first two (2) years of the first renewal term if Tenant exercises its option under Paragraph 4 to renew this lease.

- b. If Tenant exercises its option under Paragraph 4 to renew this lease, for the 12-month period beginning August 1, 2027, Tenant shall pay an initial ground rent calculated by multiplying the then square footage of the Premises by \$0.385 per square foot and adjusting the result according to the Cost of Living Rider attached and made part of this lease for the period August 1, 2020 through August 1, 2027. By way of illustration, the first month for which additional rent must be paid will be August 2020 and that payment must be made no later than October 15, 2020. Payment reports must be submitted on a form approved by the City of Aurora.

- b. If, for any reason, the additional rent as set forth in this Section is not paid within ten (10) days of the date it is due a carrying charge of two percent (2%) per month will be imposed on the amount that remains due and unpaid. - b. Landlord consents to Tenant granting one or more leasehold mortgages on any interest it may have under this lease. For any such leasehold mortgage, the parties shall execute and record a memorandum of lease in order that the mortgagee may obtain a loan policy insuring its mortgage from a title company.
- c. Tenant has no right to amend, modify, cancel or terminate this lease without the Mortgagee's prior written consent.
- d. Landlord shall send to each mortgagee a copy of any notice it sends to the Tenant provided the mortgagee has first submitted its address to Landlord in writing.
- e. - f. Any mortgagee (or assignee of a mortgagee) will have any right it may otherwise have, to acquire that portion of the leasehold interest in which it held its mortgage, by foreclosure, assignment, or otherwise. assign or sublet all or any portion of the Premises shall be conditioned on the prior consent of the Landlord which shall not be unreasonably withheld.

- g. Any mortgage on the Tenant's leasehold must contain a provision requiring the mortgagee to send a copy of all notices under the mortgage to the Landlord and giving the Tenant and Landlord not less than thirty (30) days to cure any default and reinstate the mortgage.
- h. Each mortgagee is entitled to proceeds of any hazard insurance on the portion of the Premises on which it holds a mortgage, as its interest may appear. 24. INDEMNITY

Tenant agrees to indemnify and save Landlord, its officers, agents and employees harmless from and against any and all claims and demands (except such as a result from negligent or intentional acts or omissions of Landlord, or its officers, agents or employees) for, or in connection with, any accident injury or damage whatsoever caused to any person or property arising, directly or indirectly from any act or omission of Tenant or any concessionaire or subtenant of Tenant, or their respective licensees, servants, officers, agents, employees, invitees, or contractors and from and against any and all costs, expenses and liabilities incurred in connection with any such claim or proceeding brought thereon.

25. DEFAULT

- ii. - b. After the occurrence of a Default, and Tenant's failure to cure, Landlord may terminate Tenant's right to possession of the Premises, with or without additional notice or demand whatsoever, and the mere retention of possession thereafter by Tenant shall constitute a forcible detainer of the Premises; and if the Landlord so elects, but not otherwise, and with or without notice of such election or any additional notice or demand whatsoever, this Lease shall thereupon terminate, and upon the termination of Tenant's right of possession, as aforesaid, whether this Lease be terminated or not, Tenant agrees to surrender possession of the Premises immediately, without the receipt of notice to quit or demand for possession of the Premises whatsoever, and hereby grants to Landlord full and free license to enter into and upon the Premises or any part thereof, to take possession thereof, and to expel and to remove Tenant or any other person who may be occupying the Premises or any part thereof, and Landlord may use such force in and about expelling and removing Tenant and other persons as may reasonably be necessary, and Landlord may repossess itself of the Premises as of its former estate, but such entry of the Premises shall not constitute trespass or forcible entry or detainer, nor shall it cause a forfeiture of rents due by virtue thereof, nor a waiver of any covenant, agreement or promise in this Lease contained, to be performed by Tenant. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts except an express written waiver, shall not be construed as a waiver of Landlord's right to act or of any other right hereby given to Landlord, or as an election not to proceed under the provisions of this Lease. In addition to the foregoing, Landlord shall be entitled to take any action or pursue any remedy permitted under law or in equity.

26. RIGHT TO CURE DEFAULTS

If Tenant fails to comply fully with any of its obligations under this Lease (including, without limitations, its obligation to maintain various policies of insurance, comply with all laws, ordinances and regulations and pay bills for utilities), then Landlord may, at its option, after Tenant's rights to cure have expired, cure such breach at Tenant's expense. Tenant shall reimburse Landlord (as additional rent) for all costs and expenses incurred as a result thereof, together with interest thereon, promptly upon demand.
