All copies shall be the forms with the original signatures.**
- b. The City reserves the right to reject any and all Bids or parts thereof and to waive any technicalities and irregularities in the bidding and to disregard all nonconforming or conditional Bids or counter-proposals and to hold the Bid proposals for ninety (90) days from the opening date set forth above. Bidder agrees to accept a notice of award, if selected, based on the terms of this Bid in the event that a notification of award is received on or before expiration of the 90-day time period. The City reserves the right to cancel the Bid at any time, without liability for any loss, damage, cost or expense incurred or suffered by any Bidder as a result of that cancellation. Each Bidder is solely responsible for the risk and cost of preparing and submitting a Bid.
- c. Although price is a major consideration, product quality, references, service, delivery time and past experience, if applicable, will also be considered. No Bid will be considered unless the Bidder shall furnish evidence satisfactory to the City that he has the necessary facilities, abilities, experience, equipment, and financial and physical resources available to fulfill the conditions of the contract and execute the Work should the contract be awarded to him. Bid documents which are not responsive to the requirements herein may not be considered by the City for an award of the contract.

The contract will be awarded to the lowest responsible Bidder. In determining the responsibility of any Bidder, the City may take into account other factors in addition to financial responsibility, such as past records of its or other entities transactions with the Bidder, experience, ability to work cooperatively with the City and its staff, adequacy of equipment, ability to complete performance within necessary time limits, and other pertinent considerations such as, but not limited to, reliability, reputation, competency, skill, efficiency, facilities and resources.

The Bid will be awarded in the City's best interests based on these and other legally-allowable considerations. The City and its representatives and agents may make any investigations deemed necessary to determine the ability of the Bidder to perform the Work. The Bidder shall furnish any information and data requested by the City for this purpose.

### 3. RECEIPT OF BIDS

- a. It is suggested that respondents allow a minimum of four (4) days for delivery through U.S. mail, or Bids may be delivered to the Office of the City Clerk in person. Overnight courier is acceptable provided timely receipt of Bids. The Bidder assumes responsibility for late delivery of the mail. It is the sole responsibility of the Bidder to see that his Bid is received in the proper time.
- b. Any Bid received by the Office of the City Clerk after **2:00 p.m. on Wednesday, March 13, 2019** shall be rejected.
- c. All Bids must be submitted upon the blank forms attached herein with all blank spaces filled in and any alterations or erasures explained. Bids that contain any omissions, erasures, or alterations, or that contain any additions or omissions of items not called for in the Bid Package, or that contain irregularities of any kind, may be rejected as informal. Bids shall be in strict conformity with the Bid Package and any applicable Addenda. Only Bids which are made out upon the Bid Form will be considered. Partial or incomplete Bids will not be considered.

### 4. WITHDRAWAL OF BIDS

Bidders may not withdraw their Bid after the Bid opening without the approval of the Purchasing Director. Requests to withdraw a Bid must be in writing and properly signed. Bidders may, however, without prejudice, modify or withdraw its Bid by written request, provided that the request is received by the City Clerk prior to the scheduled Bid opening and at the address to which Bids were to be submitted. Following withdrawal or modification of its Bid, Bidder may submit a new Bid, provided it is received by the City Clerk prior to the bid due date. No Bid will be opened which is received after the time and date scheduled for the Bids to be received.

### 5. BID DEPOSIT

Each Bidder shall deposit with his Bid a Bid guarantee consisting of a bank draft, Bid bond, cashier's check, or certified check drawn on a good and solvent National or State Bank and payable to the order of the City, **in an amount of \$1,000**, as a guaranty that in case the Bidder's Bid is accepted, the Bidder shall within five (5) days after the date of such acceptance and notification thereof, deliver to the City a contract signed and executed by the contractor, proper insurance certificates and a 50% Performance and Payment Bond in one hundred percent of the contract sum furnished by a responsible bonding company acceptable to and written upon forms prepared or approved by the City as security for payment of labor and materials and for the faithful performance of the contract. All Bid deposits will be retained by the City until a Bid award is made, at which time the Bid deposit will be promptly returned to the unsuccessful Bidders. The Bid deposit of the successful Bidder will be retained until the equipment, goods or services have been received or completed and found to be in compliance with the specifications. Performance by the contractor shall not be considered complete, until final inspection and acceptance by the City of the contractor's Work. Final inspection shall occur within 30 days after the actual completion of the Work. Execution of the contract is contingent upon receipt of an acceptable Performance and Payment Bond and any required certificates of insurance.

Upon failure to meet the requirements of this paragraph, the Bidder shall forfeit the amount deposited as liquidated damages and no mistakes or errors on the part of the Bidder shall excuse the Bidder or entitle him to a return of the aforementioned amount.

## **6. BOND AND INSURANCE**

The Bidder awarded the contract may be required to furnish a Performance Bond in the amount of fifty percent (50%) and Payment Bonds in the amount of one hundred percent (100%) of the full contract price annually for each year of the contract, as well as Public Liability Insurance, and Workers Compensation Insurance; all of which shall be acceptable to the City of Aurora.

## **8. INVESTIGATION**

It shall be the responsibility of the Bidders to make any and all investigations necessary to become thoroughly informed of what is required and specified in the Bid. No plea of ignorance by the Bidders of conditions that exist or may hereafter exist as a result of failure or omission on the part of the Bidder to make the necessary examinations and investigations will be accepted as a basis for varying the requirements of the City of the compensation to the Bidder.

Each Bidder submitting a Bid is responsible for examining the complete Bid Package and all Addenda, and is also responsible for informing itself of all conditions that might in any way affect the cost or the performance of any Work. Failure to do so will be at the sole risk of the Bidder, and no relief will be given for errors or omissions by the Bidder. If awarded the contract, the Bidder will not be allowed any extra compensation by reason of any matter or thing concerning which such Bidder should have fully informed himself, because of his failure to have so informed himself prior to the bidding. The submission of a Bid shall be construed as conclusive evidence that the Bidder has made such examination as is required in this section and that the Bidder is conversant with local facilities and difficulties, the requirements of the Bid Package documents, and of pertinent, local, state and federal laws and codes, and has made due allowance in its Bid for all contingencies. Before any award is made of the contract to the contractor, the contractor may be required to, upon request of the City, furnish information concerning his performance record in his capacity to complete the Work in an efficient and timely manner.

## **9. BIDDER CAPABILITY**

The City reserves the right to require of the Bidder proof of his/her capability to perform as required by the specifications. However, prequalification of the Bidder shall not be required. The City may, at its option, disqualify a bidder and reject his bid for cause. Reasons deemed to be sufficient for this action shall include, but not be limited to, the following:

- Evidence of collusion among bidders.

Bidders desiring to submit a Bid on items which deviate from the stated specifications, but which they believe to be equal, may do so, but all specification deviations must be clearly stated on the form provided in the Bid proposal package. The Purchasing Director reserves the right to rule upon specification deviation in a manner as best befits the needs of the City. If a Bidder wishes to submit more than one Bid, each Bid, after the first, is to be considered an **alternate**. **THESE BIDS MUST BE PLACED IN SEPARATE ENVELOPES. THE ENVELOPE AND THE BID PROPOSAL PAGE MUST BE PLAINLY MARKED "ALTERNATE BID"**. The Purchasing Director will reject all deviations that amount to a material nonconformity with the specifications of the Bid.

## **11. BID AWARD**

Except as otherwise may be stated in the Specifications, Bid award shall be made to the lowest responsible Bidder meeting the requirements and/or intent of the specifications at the net delivered price(s) shown and best responding to the needs of the City, in the City's sole discretion. However, if the Bidder modifies limits, restricts or subjects his Bid proposal to conditions that would change the requirements of the specifications, this would be considered a conditional or qualified Bid proposal and will not be accepted. The City reserves the right to delete any Bid item listed in the Bid.

## **12. PRICES**

- Unit prices shall be shown for each unit on which there is a Bid, and shall include all packing, crating, freight and shipping charges to destination unless otherwise stated in the Bid proposal.
