SHEILA M. BROWN DECLARATION OF TRUST
DATED SEPTEMBER 6, 2017

QUALIFYING STATEMENT

The Sheila M. Brown Declaration of Trust Date September 6, 2017 owns an approximately 6.3 acres known as 30W669 Sunrise Road in DuPage County, Illinois.

The intended use of the property is for the construction of a potential 87,502 square foot light industrial structure with ancillary automobile, truck and trailer parking.

This proposed development will address the following standards:

- a) The surrounding area was planned and designed to accommodate uses such as the one proposed. This development will continue to be designed and operated to complement the existing safety and general welfare of the citizens of Aurora and the adjacent unincorporated areas.
- b) Significant industrial, warehouse and manufacturing uses exist in the general area in the City of Aurora. Where interfacing exists with county residential properties, design standards, landscaping and traffic planning will be implemented to protect those areas.
- c) Property values have continued to remain stable in the area, including those of the non-industrial areas of the County as the industrial uses have expanded over the years.
- d) The development of this property will continue to offer many of the quality standards in the adjacent Butterfield Planned Development District both in design of the structures, site planning and landscaping details.
- e) All necessary utilities are existing or being extended to serve the subject property. Drainage patterns will continue to be honored and enhanced. Roads serving the development are existing and improved to provide for the site and area traffic needs.
- f) This property is being designed to provide for special access drives serving truck movements separate from automobiles. Two different access points from the site to the public streets will be provided to minimize congestion.
- g) The property will be subject to the regulations established in an ORI (Office, Research, and Light Industry) Conditional Use Planned Development zoning.
