

RFB – Electrical Services 2023 (22-108)

ADDENDUM NO. 2

TO: All Bidders

FROM: Engineering Division, City of Aurora

DATE: December 8, 2022

THIS ADDENDUM FORMS A PART OF THE BIDDING AND CONTRACT DOCUMENTS. THIS SIGNED FORM MUST BE RETURNED WITH THE BID.

Please incorporate the following information into the above referenced Request for Bids (RFB):

- This Addendum does not change the due date for this RFB. Sealed bids still must be received by the City Clerk's Office, 44 E. Downer Place, Aurora, IL 60507 by **2:00 P.M., December 14, 2022**, at which time they will be opened and read publicly via non-mandatory teleconferenced and live streamed bid opening.
- Addendum 1 stated that "travel time can also be billed at the Net Hourly Rate". However, after discussing further internally, the City has since determined that because this award will be based on hourly rates provided and will not factor in the distance to Aurora to be traveled by the awarded contractor, travel time will not be billable. As such, only time onsite will be eligible to be billed at the "Net Hourly Rate". This policy supersedes the above referenced statement which was included with Addendum 1.
- While the unit prices provided "per lineal foot directional boring unit duct" and "each for concrete foundations" should be all-inclusive, the awarded contractor may submit for additional compensation if atypical conditions or requirements (such as contaminated soil disposal, boring through bedrock, etc.) are encountered. These additional costs will be considered, but not guaranteed, for payment by the City.

Sincerely,

Ian Wade, P.E.
City of Aurora Engineering Division
