GENERAL PROVISIONS

SECTION A. Application and Interpretation

Persons employed in positions listed in the salary schedules set forth herein shall be subject to the provisions of this Salary Plan and shall be paid at a step in the appropriate salary grade assigned to their respective positions. Such persons are “At Will” employees whose compensation and employment may be terminated with or without cause, and with or without notice, at any time, at the option of either the City or the employee. No property rights, employment contracts, or other contractual rights shall vest in any employee by the terms of said Plan or as a result of the adoption of this Plan.

It shall be the responsibility of each department director to ensure full compliance with all provisions of this Salary and Benefit Plan. The Chief Human Resources Officer or designee shall determine the proper interpretation and application of each provision of the Plan, which determination shall be final and binding on the department directors and employees affected thereby.

All benefits adopted hereunder are unilaterally granted by the City as voluntary benefits of qualifying employment and shall remain in effect as herein provided only until such further action by the City Council shall amend or abolish same. No property or contractual rights shall vest in any employee by the terms of said Plan or as a result of the adoption of this Plan. Provided, however, that upon separation from employment, qualifying employees shall be entitled only to the payment of benefits in accordance with the terms of any said Plan in effect at such time of separation.

SECTION B. Definitions

Adjustment in Salary – a change in salary rate as provided below in Sections E and F.

Base Salary – a dollar amount of pay specifically designated in the Schedule of Rates.

Comparable Positions – two or more positions that are in the same salary grade.

Creditable Service – active service in a regular position listed in the salary schedules as set forth herein. A temporary or seasonal employee does not accrue creditable service in such positions. Creditable service shall not accrue during an unpaid leave, suspension or other unpaid absence in excess of thirty (30) calendar days. An employee returning to City employment within twelve (12) months of prior employment with the City shall receive credit for years of service for PTO purposes.

Creditable Service Date – the date an employee is placed in his/her current position. Creditable service date does not change unless specifically stated in the Plan. If after temporary or seasonal employment the individual is hired by the City as a regular employee (e.g., full time or part time), the employee’s date of hire in that regular position (not in the temporary or seasonal position) will be the Creditable Service Date.

Demotion – the assignment of an employee to a position with a lower salary grade than the former position.

Department/Division Head Approval – where stated in this Plan, approval must be obtained from the individual to whom the employee reports in the organization.

Entrance Salary – the initial base salary assigned to an employee on entering a position in the City service.

Full Time – employees who are normally scheduled to work thirty-five (35) hours or more per week.

Part Time – employees who are normally scheduled to work at least twenty (20) hours per week, but less than thirty-five (35) hours per week.

Promotion – the appointment of an employee to a position with a higher salary grade than the former position.

Reallocation – the assignment of a different salary grade (either upward or downward) to a position as a result of significant changes in the labor market, in the assigned duties and responsibilities of the position, or in its relation to other positions.

Salary Range – the series of salary steps in a grade assigned to a position.

Transfer – the assignment of an employee to a position having the same salary grade as the former position.

SECTION C. Conversion of Base Annual Salary Rates

For purposes of converting a base annual salary to an amount applicable for one pay period, divide the base annual salary by twenty-six (26).

For purposes of converting a base annual salary to an hourly rate, divide the base annual salary by two thousand eighty (2,080).

SECTION D. Increases in Pay

All employees in Executive positions will be subject to annual performance appraisals.

1. Scheduled step increases will occur in 2024, pursuant to Exhibit B attached. Some pay grades may be subject to review and market analysis before implementation of the step increase.
2. Promotion – Upon promotion, an employee shall be advanced to the lowest step in the new salary grade, which represents at least a full step increase in the former grade, unless otherwise authorized by the appointing authority and consent of the Chief Human Resources Officer or designee. Such an increase shall become effective at the beginning of the payroll period during which such promotion occurs. Said effective date shall be the

new creditable service date. When being promoted from the Non-Exempt Service to the Executive Service all accrued unused sick time earned while in the Non-exempt pay plan will be paid out in full at the Non-exempt rate of pay; sick time will be prorated for the remaining time for the current year; and any comp time earned will be paid out at the Non-exempt rate of pay.

3. Upward Reallocation – If a position is assigned to a higher salary grade, the employee occupying the position shall be placed in the new grade, which represents the same or an increase in pay. The appointing authority and consent of the Chief Human Resources Officer or designee shall make determination of step placement in an upward reallocation. Such an increase shall become effective at the beginning of the payroll period during which said reallocation occurs. Creditable service date shall not be changed.
4. Corrective adjustment – An employee may receive an upward adjustment in his/her base salary for the purpose of correcting a previous error or oversight.

SECTION E. [Decreases in Pay](#)

Employees occupying positions listed in the salary schedules set forth herein may have their salaries reduced as follows:

1. Demotion for Cause or Voluntarily – Upon demotion, the employee's base salary shall be reduced to the step of the lower grade deemed appropriate by the appointing authority with the consent of the Chief Human Resources Officer or designee.
2. Downward Reallocation – If a position is assigned to a lower salary grade, the employee's base salary shall be reduced to the final step of the lower grade if the current base is in excess thereof, or to the step in the lower salary grade which is closest to the current base salary unless otherwise determined by the appointing authority and consent of the Chief Human Resources Officer or designee.
3. Corrective Adjustment – An employee may receive a downward adjustment in his/her base salary for the purpose of correcting a previous error or oversight.

SECTION F. [Transfer](#)

Upon the assignment of an employee to a position having the same salary grade as the former position, the employee's base salary and creditable service date will not be changed.

SECTION G. [Payroll Records](#)

Responsibility for maintaining the accuracy and records of the time off provisions as listed in this Plan rests solely with the individual completing the City payroll reporting form and the department/division head signing said form.

BENEFITS

SECTION A. General Provisions

All benefits adopted hereunder are unilaterally granted by the City as voluntary benefits to qualifying employees and shall remain in effect as herein provided only until such further action of the City Council shall amend or abolish same. Benefits provided hereunder shall be granted to employees listed in Article 2, unless otherwise specifically modified. No property rights, employment contracts, or other contractual rights shall vest in any employee by the terms of said Plan or as a result of the adoption of this Plan. Provided, however, that upon separation from employment, qualifying employees shall be entitled only to the payment of benefits in accordance with the terms of any said Plan in effect at such time of separation. The health insurance plan in effect when this Plan is ratified shall be continued for Executive employees during the term of this Plan; provided, however, the City reserves the right to make any changes, reductions, modifications, deletions, or improvements with respect to employee health insurance (including but not limited to changes in insurance carriers, insurance plans, benefit levels, deductibles, co-payment levels, opting for self-insurance, etc.). Nothing in this Plan shall prevent the City from offering employees an alternative medical insurance plan with varying levels of benefits, deductibles and co-pays.

In addition to the benefits expressly set forth in this Plan, covered employees will participate in a Sec. 115 trust plan for health care costs if such program is implemented by the City after the effective date of this Plan. Participation in program shall be in accordance with IRS guidelines and the approved plan design.

The Police/Fire Chief and Deputy Chief of Police/Fire shall be entitled to all of the benefits provided in the Executive Service Pay Plan or their respective collective bargaining agreement, whichever is most favorable except the payout of sick leave.

SECTION B. Health Insurance

1. Employee Coverage

The City presently has in force a complete group hospitalization insurance program (OAP), a Health Maintenance Organization (HMO) program and a Value HSA (HDHP), for eligible employees and their dependents. Benefits are effective the first day of the month following commencement of employment for those eligible employees selecting coverage. Eligible employees will have thirty-one (31) days from the commencement of employment to elect coverage. Eligible employees who do not select coverage within the designated thirty-one (31) day period will be barred from electing coverage until the next annual open enrollment period, unless dictated by law. In addition, employees having made an election regarding coverage shall be bound by their election until the next annual open enrollment period, unless dictated by law. (See the Summary Plan Description for further details.)

Should federal or state law mandate eligibility requirement changes, they shall be construed as included in this Plan.

2. Premiums

a. Group Health

For those eligible employees who have elected coverage under the group health insurance program, the City shall pay full and total premiums, except for the amounts specified below.

Commencing with payroll # 1 eligible employees in the Executive Service will be required to pay the percentage of contribution listed below by category from the prevailing premium towards the health insurance coverage. The prevailing premium and employee percentage of contribution may be amended from time to time. Such premium amounts are to be payable each pay period.

OAP and Value HSA(HDHP) **(Full and part-time employees)**

Employee	20 % of Premium
Employee and Child(ren)	20 % of Premium
Employee and Spouse	20 % of Premium
Employee + Family	20 % of Premium

Blue Cross Blue Shield Blue Advantage (HMO) **(Full and part-time employees)**

Employee	20 % of Premium
Employee and Child(ren)	20 % of Premium
Employee and Spouse	20 % of Premium
Employee + Family	20 % of Premium

b. Value HSA (HDHP)

The individual deductible will be \$2,500, first individual in a family deductible will be \$3,200 and family deductible will be \$5,000. Employees that elect to participate in a Value HSA (HDHP) and open a Health Savings Account (HSA) will receive a city contribution in the amount listed below:

Coverage	Contribution by Tier
Single	\$1,375
Employee plus child(ren)	\$1,875
Employee + spouse	\$2,000
Family	\$3,000

The City will contribute to the HSA per tier as shown above on or about January 1st.

Opt. Out

The City will permit any or all employees in any City health insurance plan to opt out during open enrollment or in the event of a life change, provided such employee provides proof of other health insurance within the applicable timeframe. During each full calendar month an employee is not covered by a City health insurance plan, the City will pay such employee the amount of \$250 per month. Any employee who opts out may apply to re-enroll at the next annual open enrollment period no less than two years from the opt out date or in the event of a life change within the applicable timeframe, pursuant to the City health insurance plan.

3. Dental

The City offers a dental insurance plan for eligible Executive personnel. Employees who choose to take dental insurance will be responsible for the full premium cost, and the cost may be changed from time to time. Dental plan insurance information is available from the Human Resources Department.

4. Cafeteria Plan

Effective January 1, 1993, the City has established and maintained in effect a plan that excludes premium payments for health benefits from their gross income pursuant to Title 26 USC (125 (Section 125/Flexible Benefit Plan)).

6. Disabled Employee Coverage

The group insurance coverage provided above shall be made available at the current retiree rate, as adjusted from time to time, to any disabled employee who is granted a statutory disability pension on or after January 1, 1987. Failure to pay said premium within thirty (30) days of the due date shall result in termination of coverage. Every six (6) months, eligible disabled employees

shall be requested to sign an affidavit stating they have not been eligible for medical benefits as a result of any new employment during the preceding six (6) months.

7. Continued Health Coverage under COBRA

The City shall provide continued health coverage under the provisions of P.L. 99-272, Consolidated Omnibus Budget Reconciliation Act (COBRA), subject to current federal law and any amendments, which may be annexed thereto. However, it is the responsibility of the employee to make application for same through the City's Plan Administrator. Information regarding the Plan Administrator may be obtained through the Human Resources Department.

8. Compliance with Health Care Legislation

Nothing herein shall limit the right of the City to unilaterally make any and all changes it deems necessary in its sole discretion to insure the insurance it provides pursuant to this Plan complies with the Affordable Care Act, and other state, federal or local insurance and/or health care reform legislation, to avoid being subject to fees (including but not limited to the employer shared responsibility assessable payment), fines, taxes or penalties, including, but not limited to, taxes/fees because employees are eligible to obtain subsidized or discounted insurance through an insurance exchange; or to avoid the coverage being subject to "Cadillac" taxes (a.k.a. the excise tax on high cost employer-sponsored health coverage).

SECTION C. Retiree Health Insurance

1. Retired Employee Coverage

Employees who retire from the City shall be considered qualified to continue group health and dental insurance coverage as provided for in the Summary Plan description, which is available in the Human Resources Department.

A retiring employee will be allowed to elect, at time of retirement and on a one-time only basis, the City dental and/or group health insurance plan. Eligibility for such coverage shall automatically cease upon the death of such retired employee. A surviving spouse is eligible to continue coverage provided that spouse is currently enrolled in the City's health plan as a dependent. For purposes of insurance coverage, the term "surviving spouse" shall mean the spouse of the employee at time of retirement only.

The retiring employee will be allowed, at the time of retirement and on a one-time basis only, to pre-pay up to two (2) years of insurance premiums at the current retiree rate. The two years shall consist of the year in which the employee retires and the following calendar year. However, if the employee retires in December the employee may purchase two full calendar years.

It is the responsibility of the retiree to pay the cost for such group health premium coverage: based on established percentage of premium rates for each level of coverage offered in the Plan, which may be adjusted from time to time.

Any increase in the annual contribution shall be capped at 20% of the previous year's annual contribution.

Such premiums may be adjusted from time to time; and such dental premium at one hundred percent (100%) of the prevailing rate, which the rate may be amended from time to time. Failure to pay said premiums will result in termination of coverage.

Once a retiree opts out or is discontinued by virtue of non-payment of the City's health insurance plan that action shall be final and said retiree shall not be allowed to retain coverage through the City again.

Upon attaining the age of 65, the health premium paid by the retiree will be frozen at whatever applicable premium level being paid at that time.

2. Retiree Supplemental Coverage

Retirees and their spouses who are currently covered by the City's group health plan and who reach Medicare eligibility will have the option to continue with a Medicare Advantage Plan offered by the City, as indicated in Sec. C1.

Such premiums may be adjusted from time to time. Failure to pay said premiums will result in termination of coverage.

Retirees and their spouses who are currently covered by the City's dental plan shall be eligible to continue dental coverage at one hundred percent (100%) of the prevailing rate, which rate may be amended from time to time.

A retired employee who, by virtue of new employment, becomes eligible for group health benefits as a result of employment, may choose to continue coverage with the City, provided such retiree must utilize his/her new employer's health insurance plan as primary coverage and the City's insurance shall only be secondary and supplemental to the retiree's new employer's insurance plan. The premium shall be the retiree's prevailing rate, which rate and percentage may be amended from time to time.

For further details on supplemental coverage, information is available from the Human Resources Department.

3. General Information

All retired employees eligible for insurance coverage under the terms of Sections C (1) and C (2) above shall be billed for their premiums. In the event the retiree fails to pay specified premiums to the City within thirty (30) days of the premium due date, his/her health/dental insurance coverage shall automatically be terminated by the City.

At the time of paying said premium, all eligible retirees shall be requested to sign an affidavit stating that they have not been eligible for group insurance benefits as a result of any new employment during the preceding six (6) months. A retiring employee may also elect to have health/dental insurance premiums deducted from his/her applicable pension check.

Once a retiree opts out or is discontinued by virtue of non-payment of the City's health insurance plan, the action shall be final and said retiree shall not be allowed to retain coverage through the City again.

Eligible part-time retirees may elect health insurance. Dental coverage premiums for single, family and/or dependent coverage shall be at the prevailing rate, which rate may be amended from time to time.

Retiree rates for employees hired on or after January 1, 2014 are as follows:

Those retiring with twenty (20) or more years of City service credit will pay seventy five percent (75%) of the prevailing premium in retirement, as adjusted from time to time.

Those retiring with less than twenty (20) years of City service will pay one-hundred percent (100%) of the prevailing premium in retirement as adjusted from time to time.

Retiree rates for employees hired on or after January 1, 2010 are as follows:

Those retiring with twenty (20) or more years of City service credit will pay forty percent (40%) of the prevailing premium in retirement, as adjusted from time to time.

Those retiring with less than twenty (20) years of City service will pay one-hundred percent (100%) of the prevailing premium in retirement as adjusted from time to time.

The City shall have the right to move retirees over to a separate retiree-only insurance plan substantially similar to the plan for active employees to the extent permitted by Illinois law.

SECTION D. Time Off

All full-time Executives are required to schedule and take a minimum of forty (40) hours of vacation time each year, unless otherwise authorized by the Chief Human Resources Officer or designee. Part-time employees minimum vacation time is based on the calculation of pro-rata hours scheduled per week.

All unused paid time off in excess of forty (40) hours or the pro-rata scheduled amount for part-time employees, as of December 31st, shall be paid at the straight time rate on or before the first payroll period in February of the following year.

1. Vacations

Paid vacation shall be granted in accordance with the following schedule based upon the service requirements indicated:

SERVICE REQUIREMENTS*	VACATION PERIOD
1 year through 4 years	80 hours per year
Beginning 5 years through 9 years	120 hours per year
Beginning 10 years through 16 years	168 hours per year

Beginning 17 years and thereafter	200 hours per year
-----------------------------------	--------------------

An employee shall be allowed two (2) weeks of vacation during the calendar year in which he/she completes his/her first (1st) year of employment. Furthermore, an employee shall be permitted to take three (3) weeks' vacation during the calendar year in which he/she begins his/her fifth (5th) year of employment; four (4) weeks' vacation during the calendar year in which he/she begins his/her tenth (10th) year of employment, and five (5) weeks of vacation during the calendar year in which he/she begins his/her seventeenth (17th) year of employment.

Vacations shall be accrued at a rate of one twelfth for every calendar month of service. Vacations may be scheduled and taken at any time during the calendar year with advance approval, in writing, from the department/division head; provided, however that if an employee terminates for any reason after having taken more vacation time than they have accrued, his/her final check shall be reduced pro rata. Likewise, vacation which has been accrued but unused shall be paid pro rata upon termination. Vacation may not be used to extend employment.

Upon approval of vacation, written documentation shall be forwarded to the Human Resources Department. Vacation periods should be scheduled and taken in forty (40) hour increments or the pro-rata amount for part-time employees, but in no event less than two (2) hour increments.

Vacation periods shall be taken in the year accrued provided, however, if the full time employee has used forty (40) hours of vacation (for part-time employees the amount calculated based on their hours scheduled), then up to forty (40) hours for full time employees (for part-time employees the amount calculated based on their hours scheduled) may be carried over until February 28th if the employee gives written notification to the Human Resources Department by December 1st of the current year. The time must be used by February 28th of the succeeding year or such time will be paid out.

a. Part-Time Employee Vacation

Employees listed above who are regularly scheduled to work at least twenty (20) hours per week, but less than thirty-five (35), shall be granted vacation hours based on the calculation of hours worked per calendar year, beginning the year in which their first anniversary occurs. After five years, part-time employees shall be based on a calculation based of service requirements. Vacation scheduling shall be subject to the provisions of this Article. Part-time employees shall be entitled to vacation hours pro-rata based on their scheduled number of hours in a regular pay period.

*The City reserves the right to decrease service requirements in order to facilitate acquisition of needed personnel. Any change to such requirements is at the sole discretion of the Mayor.

b. Vacation Buy Back

Executive Service employees may request any amount of time to be paid at straight time in lieu of time off. Provided, however, all written requests for payment of vacation must be made to the Finance Department at least two weeks in advance of date of payment. Written documentation of the buy-back shall be forwarded to the Human Resources Department.

2. Holidays

Full-time employees shall have 17.5 days of holiday time including designated and floating holidays as seen below.

a. **Designated Holidays**

Full-time employees shall be allowed ten full-day holidays and two half-day holidays per year (10.5); twelve (12) of which shall be designated and established by resolution of the City Council.

The designated holidays are as follows:

New Year's Day	Veteran's Day
Dr. Martin Luther King Day	Thanksgiving Day
Memorial Day	Friday after Thanksgiving
Juneteenth	½ day Christmas Eve
Independence Day	Christmas Day
Labor Day	½ day New Year's Eve

Part-time employees shall be entitled to holiday pay pro-rata based upon their scheduled number of hours in a regular pay period.

b. **Floating Holidays**

The balance of six and one half (6.5) days shall be deemed “floating holidays”, which shall accrue at a rate of two (2) hours per pay period. Floating holidays may be scheduled and taken at any time during the calendar year with advance approval, in writing, from the department/division head; provided, however if an employee terminates for any reason after having taken more floating holidays than have accrued, his/her final check shall be reduced pro rata. Likewise, floating holidays accrued but unused shall be paid pro rata upon termination. Floating holidays may not be used to extend employment.

Floating holidays must be taken in no less than two (2) hour increments and shall not be carried over after December 31st of any calendar year. All unused floating holidays as of December 31st shall be paid at the straight time rate, on or before the first payroll period paid in February of the following year. Additional holidays, which may be authorized by City Council action, shall automatically be included in this section.

Holiday pay for both designated and floating holidays shall be computed at the employee's regular straight-time hourly rate of pay for the number of regular hours in the workday, up to a maximum of eight (8) hours.

i. **Part-time Employees**

Floating holidays must be taken in no less than two (2) hour increments. Floating holiday time shall accrue at the rate of one (1) hour per pay period, or pro-rated according to hours scheduled the previous year, whichever is greater. Employees shall not accrue floating holiday time for any period during which they have not worked seventy percent (70%) of the available working hours of that period. For purposes of this section, the “available working hours” shall be the regularly scheduled hours, which include any paid time off.

3. Personal Days

This benefit is provided to employees in the Executive Service inasmuch as such individuals are not entitled to overtime or compensatory time off; however, they are expected to work beyond the scope of the regular workday or workweek as necessary.

Employees shall accumulate one (1) Personal Day off in the calendar year in which the employee completes a full year of employment in the Executive Service, and one (1) day thereafter for each complete year of service, up to a maximum of seven (7) days.

Personal days off are subject to the prior approval of the department/division head in writing and scheduled so as not to interfere with the efficient operation of the department. Further, they should be taken in no less than two (2) hour increments. Personal days may not be used to extend employment. Such days do not accumulate, but must be used each year. Any unused Personal Days as of December 31st will be paid at the straight time, hourly rate on or before the first payroll period paid in February of the following year.

Part-time employees will earn personal days pro-rata based upon their scheduled number of hours in a regular payroll period.

SECTION E. Paid Leaves of Absence

Employees who are promoted into the Executive Service from any other classification within the City shall be paid for any compensatory balances and any eligible sick leave prior to the promotion. No compensatory time or sick time will be allowed to be carried over.

1. Sick Leave

Persons employed in the above qualifying positions may use up to a maximum of twelve (12) sick leave days within any calendar year. Unused days do not accumulate. At the end of the calendar year, employees may request pay for unused sick leave excluding the Fire Chief, Deputy Fire Chief, Police Chief and Deputy Police Chief. Request for pay must be received in writing by the Finance Department no later than December 1st or such sick leave shall automatically be credited to I.M.R.F. as described below. Employees who were granted Extended Disability/Sick leave during the year do not qualify for unused sick leave pay out. Said hours shall be compensated at one-hundred percent (100%) of the employee's straight time rate of pay; provided however, unused sick leave shall be paid upon separation from employment if employee leaves employment in good standing. Such time is pro-rated at pay off for the actual months worked less any hours used.

Effective January 1, 1998, employees retiring from the Executive Service shall be allowed to request and obtain up to one (1) year of I.M.R.F. (Illinois Municipal Retirement Fund) service credit for unused/unpaid Executive Sick Leave days per year, in accordance with I.M.R.F. established rules and regulations. Such allowances would be the total unused/unpaid sick leave recorded since January 1, 1979, less any sick leave used for both regular paid sick leave and extended disability paid sick leave time used.

Sick leave may be used for the purposes set forth below and shall be paid at the regular straight time, hourly rate of pay in effect for the employee's classification at the time the sick leave is being used.

a. Personal Illness or Disability

Employees who have contracted or incurred and are suffering from any illness or disability which renders them unable to perform the duties of their position.

In order to receive any such sick leave payment, the employee must notify the appropriate department/division head that is charged with the responsibility for keeping a record of each such employee's use of sick leave. The department head or Chief Human Resources Officer or designee may require a physician's verification for absences in excess of three (3) consecutive days, or instances where the nature of the sickness or illness is unknown or requires verification. For the mutual protection of the employee and the City, an employee may be required to submit to a complete fitness-for-duty medical examination when performance has become seriously limited or weakened by injury or illness in order to determine whether the employee can perform the essential functions of the job, with or without reasonable accommodations.

b. Family Illness or Disability

Employees shall be eligible to use their sick leave in the event of an illness or disability involving their spouse, parent or child(ren), which requires the employee's personal care and attendance.

Procedures not specifically set forth herein shall be governed by reference to the Family and Medical Leave Act (FMLA) of 1993 and the federal rules and regulations.

In the event of serious illness or surgery in the immediate family of an employee (as described above), the employee will be granted up to five (5) working days of leave of absence with pay in any one calendar year. Such leave approval shall be predicated upon comprehensive documentation on a form provided by the Employer from the patient's physician and must be approved by both the department director and the Chief Human Resources Officer or designee. Such approval shall not be unreasonably denied.

c. Medical and Dental Appointments

Employees shall be eligible to receive unused paid sick leave for absences due to the employee's attendance at medical and dental appointments; provided, however, that the employee should make every effort to schedule such appointments outside of normal working hours, if possible.

2. Extended Disability

In the event a single illness or non-duty related injury extends or is expected to extend beyond the sick leave provision above and is substantiated comprehensively by the employee's physician in writing including the anticipated date of return to work, to the Chief Human Resources Officer or designee, and a written request for extended illness has been submitted to and approved by the

Mayor, then the employee shall continue to receive his/her full salary for up to one hundred eighty (180) business days.

Employees are not required to use accrued sick leave for a single illness, which turns into extended disability under this section if the illness is more than two weeks (10 business days). Employees who are granted Extended Disability/Sick leave during the year do not qualify for unused sick leave pay out (as noted under Section E, 1. Sick Leave page 15). Any employee who is on extended disability shall be required to submit a monthly status evaluation to the Chief Human Resources Officer or designee from his/her personal physician, providing information on projected return to work date. Failure to do so will result in termination of benefits.

The City shall have the right at any time to have the employee examined by an independent medical specialist to determine his/her fitness or ability to return to work. As a result of the independent examination or the determination of the employee's personal physician, the City may instruct the employee to apply for disability to the applicable pension plan. The City will continue to pay the full salary until the employee is eligible for the applicable pension plan but, in no event, for more than one hundred eighty (180) business days.

3. Family Death

In the event of death in the immediate family of an employee (spouse, parents, step-parent, children, step-children, brother, sister, grandchildren, grandparents, or spouse's father, mother, brother, sister, grandparents or legal dependents) the employee shall be granted three (3) working days leave of absence with full pay.
