Special Notes and Comments
CONTRACTOR IS REQUIRED TO SCHEDULE AN AM OR PM INSPECTION WITH THE DIVISION OF ENGINEERING BY CALLING (630) 256-3200. ONE (1) DAY ADVANCE NOTICE NEEDED PRIOR TO INSPECTION DATE

Aurora allows placement of unprotected concrete in the right of way until the third Friday in October provided the minimum temperature of 45 degrees is maintained. Work may be performed after this date until the first Friday in November if full time inspection is provided by a certified testing service following ACI standards. Questions may be directed to Engineering (630) 256-3200.

All, good afternoon:

The City of Aurora Engineering Division has signed off AHC APPROVED / HOLD PENDING CONTRACTOR for the captioned right of way permit application and has approved the plan that was submitted with the application. The permit shall be held until the required contractor information has been provided and confirmed as properly licensed. Please contact Emma, in the Engineering Division, should there be questions regarding the licensing process or requirements. Emma is copied on this email and can also be reached at 630-256-3200.

A portion of the proposed work may not be within City of Aurora Public Right-of-Way(s). Therefore, this Public Works Engineering Division sign-off is only to acknowledge the review of City of Aurora utility facilities within that
