c: Alex Alexandrou, Chief Management Officer Jennifer Stallings, City Clerk

Included below are the ending balances as of March 31, 2024, for both fund and cash balances. Of these two amounts, cash balance is the more meaningful metric since this represents liquid cash and/or invested assets which can be used (or easily sold) to support and fund current operations. While ending fund balance is also an important measurement of the City's financial health, it usually includes illiquid assets or future cash receipts or disbursements such as receivables (including property tax) due to the City and accounts payable/accrued expenses. The enterprise funds' fund balances reflect net short-term assets and liabilities, to more accurately present current operations.

The fund balances included in this financial report are based on preliminary unaudited 2023 year-end balances. Additional closing entries to 2023 activity are still being processed and balances may change as a result of the audit process. The audit fieldwork has been completed and the audit report is expected to be issued by the end of June.

As of March 31, 2024, the General Fund is reporting a net deficit balance of \$23,053,407.04. The General Fund balance is \$2,005,047.96 with a cash balance of \$6,424,236.32. The attached supplemental chart shows the General Fund revenues are at 6% and expenses are at 19% of the annual budget. Expenses typically exceed revenues in the first quarter of each year as the City does not receive property taxes during this time frame.

Through March 31, 2024, the HOME Program Grant Fund is showing a fund balance of negative \$153,266.89 and a negative cash balance of \$2,460,081.50. This is due to the timing of grant funding revenues that are funded on a reimbursement basis.

Through March 31, 2024, the Block Grant Fund is showing a negative fund balance of \$383,584.76 and a cash balance of \$146,460.24. This is due to the timing of grant funding revenues that are funded on a reimbursement basis.

Through March 31, 2024, the Section 108 Loan Fund is showing a negative fund balance of \$43,056.46 and a negative cash balance of \$106,806.42. This is due to the timing of payments made and revenues received.

Through March 31, 2024, the TIF #11 Benton/River Fund is showing a negative fund balance of \$7,233.53 and a negative cash balance of \$7,233.53. This is due to the timing of payments made with redevelopment agreements and TIF funds received.

Through March 31, 2024, the TIF #13 River/Galena Fund is showing a negative fund balance of \$1,581,132.22 and a negative cash balance of \$1,532,044.51. This is due to the timing of payments made with redevelopment agreements and TIF funds received. Short term lines of credit are treated differently than long term bonds and the deficit balance will be addressed when the lines of credit are paid in the near future through developer payments or long-term bond issuance.

Through March 31, 2024, the TIF #14 Lincoln/Westin Fund is showing a negative fund balance of \$2,999,029.87 and a cash balance of \$37,970.13. This is due to the timing of payments made with redevelopment agreements and TIF funds received. Short term lines of credit are treated differently than long term bonds and the deficit balance will be addressed when the lines of credit are paid in the near future through developer payments or long-term bond issuance.

Through March 31, 2024, the TIF #18 DAC Fund is showing a negative fund balance of \$312,138.96 and a cash balance of \$861.04. This is due to the timing of payments made with redevelopment agreements and TIF funds received. Short term lines of credit are treated differently than long term bonds and the deficit balance will be addressed when the lines of credit are paid in the near future through developer payments or long- term bond issuance.

Through March 31, 2024, the TIF #19 110 Cross Fund is showing a negative fund balance of \$104,637.44 and a negative cash balance of \$104,637.44. This is due to the timing of payments made with redevelopment agreements and TIF funds received.

Through March 31, 2024, the TIF #20 River Vine Fund is showing a negative fund balance of \$14,458.14 and a negative cash balance of \$14,458.14. This is due to the timing of payments made with redevelopment agreements and TIF Funds received.

Upon approval of Ordinance O21-044 dated August 24, 2021, amending purchasing provisions in the City Code, the City Council requested a monthly update of purchase orders issued between \$25,000 and \$50,000. A list of purchase orders generated under the updated code provision has been included with this month's Treasurer's Report.
