

AURORA DOWNTOWN

EAT • DRINK • PLAY • MORE

March 1, 2020

To whom it may concern:

I am fully aware of the plan to paint a mural on the back portion of my building located at 5 S. Lake St. Aurora, Ill.

The hired artist, Joshua Schultz (Creative Edge - Murals and More), has communicated with me all details including final rendering, timelines and process.

I understand that the artist has been hired by Aurora Downtown, and the artist has been paid in full for his labor and all materials.

I agree to being cooperative to this process, and assisting with any building needs such as electrical, lighting, etc.

Upkeep, maintenance and preservation of the mural will be the responsibility of Aurora Downtown for a 5 year period. If the property is sold to another owner this contract is transferable for the 5 year obligation from today's date.

I agree not to paint over the mural without first consulting Aurora Downtown.

This letter serves as formal proof that I understand this process.

Sincerely,
