The purpose of the formation of SPECIAL SERVICE AREA NUMBER 207 in general is to provide for the maintenance and repair of the onsite stormwater retention, detention and drainage controls and common areas, in said Area, all in accordance with the final plat of subdivision or final approved engineering plans for the Area, and the proposed municipal services are unique and are in addition to the improvements and services provided and/or maintained by the City generally. It is hereby determined by the City Council that the establishment of said special service area is desirable and necessary to provide the special services to the said area.

SECTION THREE:

At the hearing, all persons affected will be given an opportunity to be heard. At the hearing, there will be considered the levy of an annual tax in the proposed SPECIAL SERVICE AREA NUMBER 207 by the City of Aurora of not to exceed an annual rate of 1.10 one-hundredths percent (\$1.10 being 110 cents per \$100.00 of the equalized assessed value of the property) sufficient to produce revenues to provide the special services.
