

CITY OF AURORA	CAPITAL IMPROVEMENT PLAN 2026-2035
-----------------------	---

Project #	Project Name	Project Category
C153	Fiber Optic Expansion East Side	Facilities

Project Manager	Year Submitted	Wards	Strategic Plan Task No.
Jeff Anderson	2025		

Description Expand the City's backbone fiber infrastructure on the east side of the fiber ring, increasing both capacity and redundancy of the City network. Funding to be provided by Illinois Department of Commerce and Economic Opportunity (DCEO) grant.

Justification These improvements are essential to support future distribution points and to ensure the reliable delivery of services as more city operations move online. Enhanced capacity and redundancy are particularly critical as the City continues to expand technology for Public Safety and other essential municipal services.

Impact on Operating Budget None-Funded by Illinois DCEO grant.
