

March 9, 2018

To Whom It May Concern:

Bike MS: Tour de Farms will be held on June 23-24, 2018. The event is a 200-mile fundraising bike ride, which will take place along the roadways of DeKalb, Kane, Kendall counties. This is the 14th year the event has taken place within these counties and the 1st year with some changes. The National MS Society is asking for your cooperation in helping to make this a safe and successful ride.

Bike MS: Tour de Farms is a ride, not a race. Riders travel the route at their own pace, following the rules of the road, as they make their way from Kane County Fairgrounds through the countryside and back. Every 10 to 15 miles, riders will encounter a rest stop manned by volunteers. Each rest stop offers tents, tables, chairs, water, sports drink, snacks, portable toilets, first aid/medical volunteers and bicycle mechanics.

Bike MS: Tour de Farms benefits the National Multiple Sclerosis Society-Greater Illinois Chapter. The money raised through this event, and others hosted by the Chapter, support advocacy, research, local programs and services that enhance the quality of life for people with multiple sclerosis and their families.

On both Saturday and Sunday, riders will depart from Kane County Fairgrounds at 7:00 am. All riders will be on the route no later than 9:00 am. The route will close at 6:00 pm and any rider who has not completed the day's route will be picked up and brought directly to Kane County Fairgrounds.

Please also be advised that the week of the event, members of our route marking team will come through using temporary spray chalk and directional arrows to mark the turns along the route for riders. Additional signage will be used to alert motorists and caution riders. On Sunday, a clean-up team will follow behind the last rider removing all signage and litter.

I have enclosed the proposed Saturday and Sunday route maps, with all route distances, and the route turn-by-turn directions. **Please contact me if there are any construction projects, road maintenance issues, roads that may need police support, or trouble spots that you think may impact the route.**

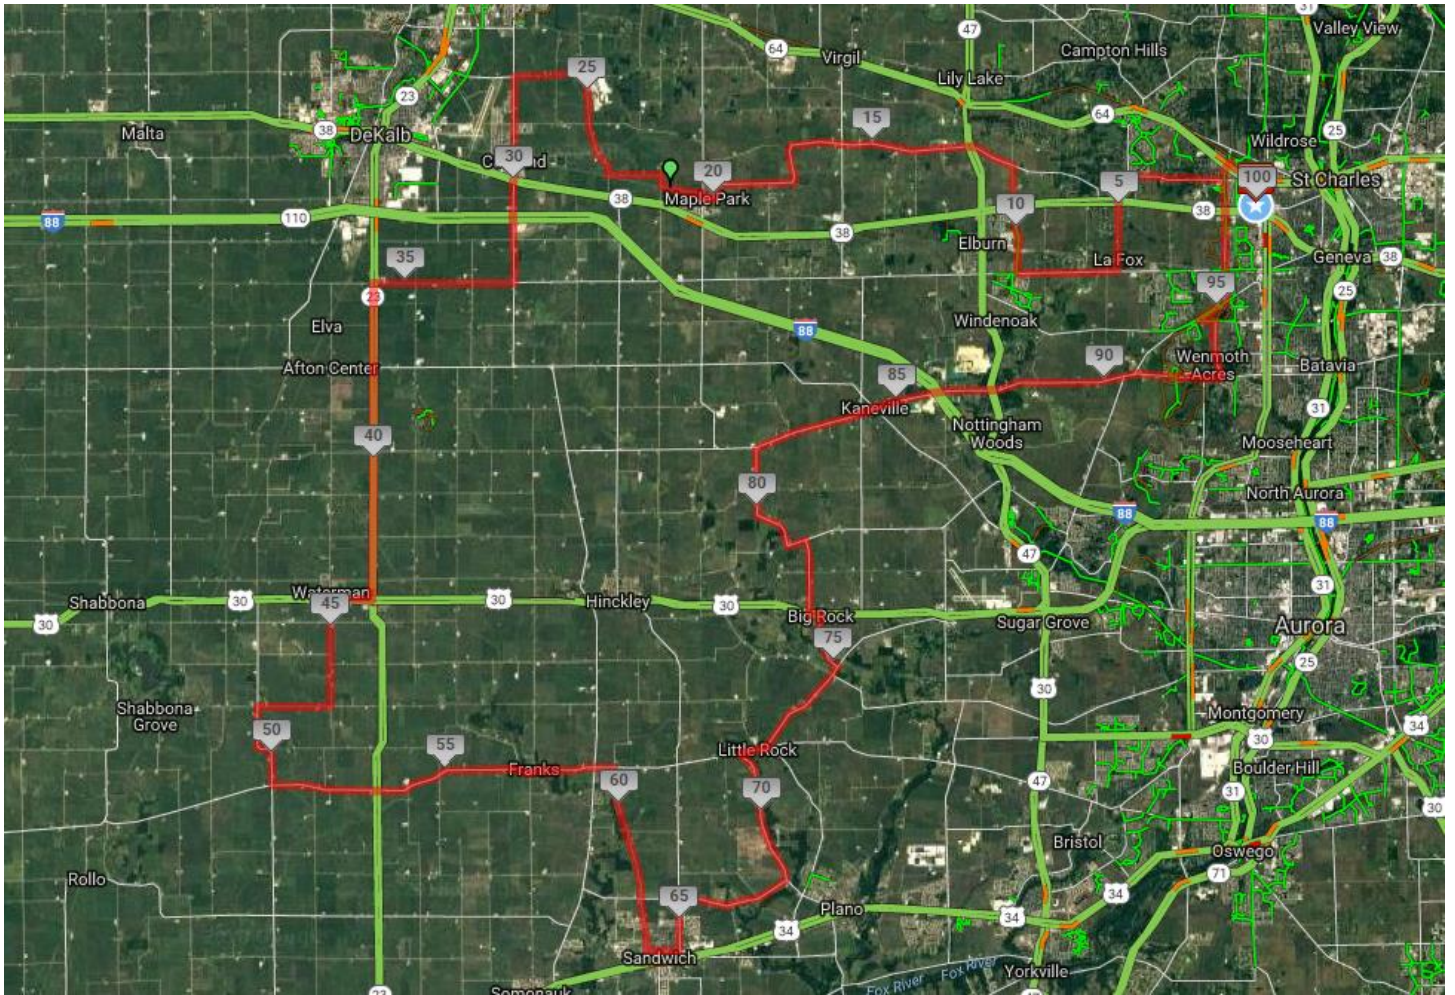

I look forward to working with you to bring this event safely to your jurisdiction. If you have any further questions, or require additional information, please feel free to contact me at 312-423-1174, or via e-mail at chloe.franklin@nmss.org.

Sincerely,

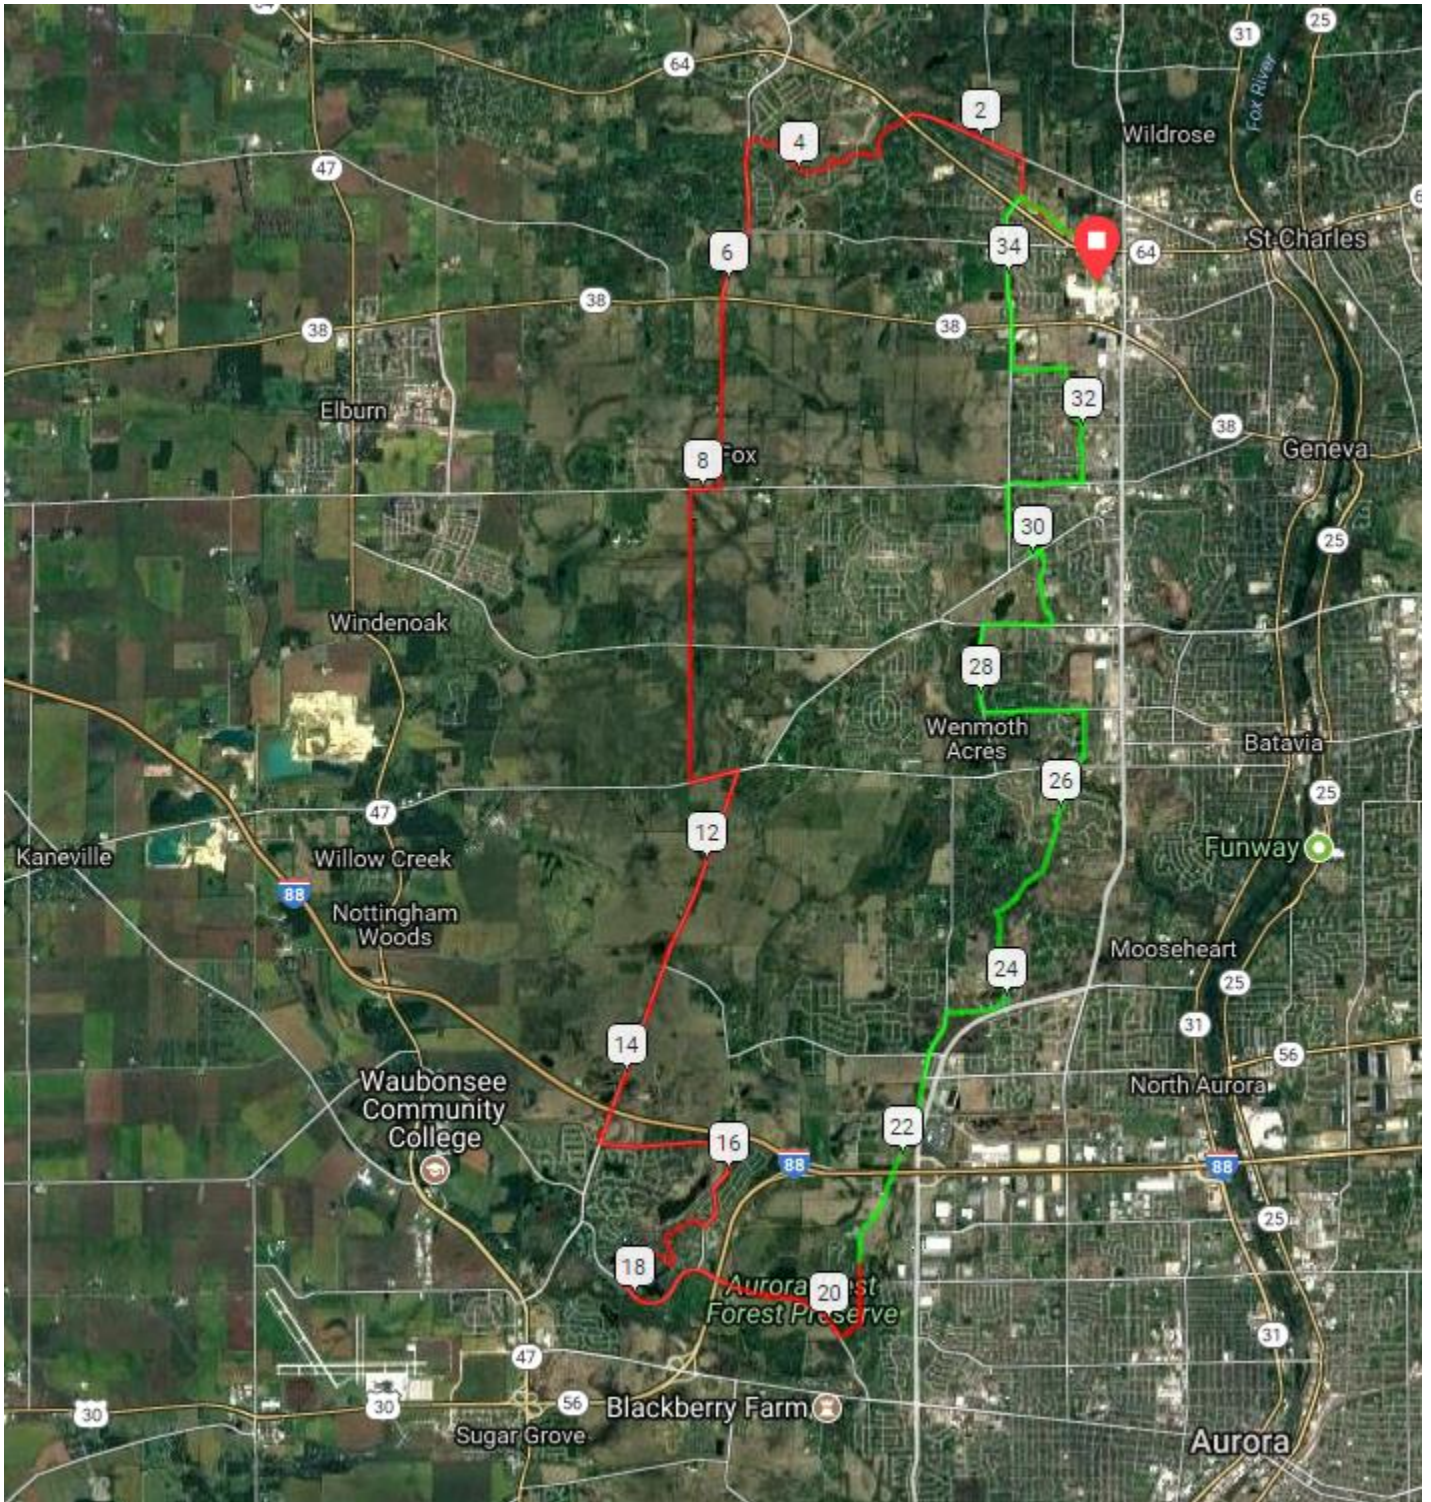

Chloe Franklin
Logistics Coordinator
