RE: Traffic Study Request

Request: Request for No Outlet signs at entrance of Wild Meadow Lane and Aspen Lane

For: Alderman Richard Mervine and resident

Note: Both are no outlet streets off Oakhurst Drive. Cut through traffic is seeking faster routes by heading into these neighborhoods and needs to be prevented from trying this non-solution.

Jeane:

Please put the following on the next GO agenda:

- Request to add signage at the entrance to both of these streets that reads "No Outlet"
- Wild Meadow Lane and Aspen Lane
- Both are no outlet streets off Oakhurst Drive; cut through traffic seeking faster routes during drive time are heading into these neighborhoods with no solution and need to be prevented from trying this non-solution.

Thanks,
Rick

Subject: Request by Wendy Armstrong of Aspen Ln at 630 862-2735 -"No Outlet" or "No Detour" temporary sign due to traffic increase at Oakhurst and Aspen because of construction at Eola Rd

Hello,

Received a call from Wendy Armstrong of Aspen Ln. at 630 862-2735 called to complain that due to new construction beginning today, more traffic is coming through on Oakhurst to get around the construction. There are no outlets, and three streets that are cul de sacs. Mrs. Armstrong is requesting that a temporary sign be displayed such as "No Outlet". Is this possible due to the heavy traffic trying to go through at those streets?

Thank you,
