QUALIFYING STATEMENT

February 3, 2016
Hills Banquet Hall
649 Hill Avenue
Aurora, IL 60505

PROJECT # 2011.317

The owners of Hills Banquet Hall located at 649 Hill Avenue is seeking approval of a Final Plan and Special Use for a Liquor License within 500' of a residential property. The Special Use will allow the liquor license for only the west half of building that currently has the banquet facility. The project will also include improvements to the parking lot, new sidewalks and a new grease trap at this location.

The proposed project consists of parking lot improvements on the north and south sides of the building to accommodate 127 parking spaces, new areas of concrete and paver brick sidewalk, new concrete approach pavement at the two entrances off Hill Avenue and the installation of a new grease trap on the north side of the building. Total area of new parking lot asphalt surface covers approximately 3,890 S.F.

The total area of the site covers 3.18 acres with the parking lot and existing building covering 1.44 acres. Landscaping covers the remaining 1.74 acres.

The south parking lot will continue to drain from the north to the south allowing the overland flow to the existing southwest corner of the site and into an existing pond on the golf course west of the property. The existing north parking lot will continue to drain out to Hill Avenue. There will be additional landscaping installed around parts of the building and near areas of the south parking lot improvements.

The proposed project is an improvement to the public health, safety, morals, and general welfare of the general public utilizing this facility. The proposed site improvements will have no impact on surrounding property values and will have no effect on the use and enjoyment of the surrounding property. The development of this property is in the normal and orderly development of the area.
