Subject: **Type I Ambulance- Fire Service, Inc. / Wheeled Coach Purchase Proposal**

Dear Chief Matkovich,

Thank you again for your consideration of Fire Service, Inc. and Wheeled Coach Ambulance. Please find below budgetary pricing for a new build 2022 Ford F550 4x4 7.3 L Gas, Type 1 Wheeled Coach Ambulance. Pricing includes performance bond, Stryker Power Pro Cot and Active Air purification system, Installed. All factory and Ford incentives applied. This build is in accordance with the tag on provisions within the previous contract(s).

Pricing Summary:

(1) 2022 Ford F550 4x4 7.3 L Gas Wheeled Coach Custom Type I ambulance	\$326,903.00
Net Purchase	\$326,903.00

Terms and Conditions:

- Taxes: If Applicable. Customer responsible for all taxes
- Freight: F.O.B. -- Fire Service Inc., St. John, IN (Dealership location)
- Terms: Net Due upon Delivery.
- Delivery: 12-14 months after confirmation and chassis arrival.

This proposal for the ambulance conforms to all Department of Transportation (DOT) rules and regulations, as well as all Federal KKK-1882-F Specifications in effect at the time of bid.

Due to the uncertainty within Ford manufacturing, any changes to chassis model year availability by Ford cannot be the responsibility of the seller. Proof of Ford changes, if applicable will be provided, for the buyer to validate. Purchaser will be responsible for the OEM Model year cost changes after receipt of order. Due to supply chain delays and the fluctuations in material costs we can hold the price on this proposal for sixty (60) Days from the date of this proposal letter, updated pricing/proposal will be made available at your request.

Thank You,

Jeff Meyer
