Zoning Map (1:5,000):

The map displays a residential neighborhood with several streets: Duke Pkwy, Ferry Rd, and Meadow Rd. A large, irregularly shaped lot is highlighted in red, indicating it is the subject property. This lot is situated between Duke Pkwy to the north and Ferry Rd to the south. The lot is bounded by a red line. Surrounding the subject property are various other lots, many of which are marked with pink dots and numerical addresses. These addresses include 3883, 2850, 2863, 2805, 2810, 4200, and 4000. Some lots are also marked with a '0'. A legend in the bottom right corner identifies the subject property and includes the Aurora Planning & Zoning Division logo and a north arrow.
