USED/INVENTORY EQUIPMENT POWERTRAIN WARRANTY AGREEMENT

Limited Warranty:

Used John Deere self-propelled equipment, excluding software, sold by RDO Equipment Co. (RDO) is warranted against mechanical failure for a period of one hundred engine hours or one year after delivery (whichever comes first). This limited warranty is subject to the age, hour limitations and deductibles set forth on the attached Schedule of Equipment. Any mechanical failure within the stated warranty period will be replaced or repaired. The customer will be responsible for the deductible as stated for the specific machine.

Only persons specifically authorized by RDO shall perform the repairs to the equipment that are covered under this limited warranty. Any work performed by unauthorized persons shall void this warranty. Consequential damages, lost productive hours, inconvenience and contingent liabilities are not covered under this warranty. All service technician travel, lodging, time, and sustenance costs remain solely the Buyer's responsibility and RDO's sole liability under this warranty shall be to replace or repair mechanical failures covered by the warranty.

This warranty does not extend to software or expendable parts such as, but not limited to, filters, fuses, belts and lamps. RDO does not warrant failure of parts or components resulting from misuse, improper adjustment, lack of proper maintenance, electrical current surges, or from general wear. Damage to the equipment while being crated or transported by a third party provider or due to damage caused by installation by other than a qualified manufacturer's technician are specifically excluded from this warranty. Also excluded from this Warranty Agreement are damages caused by natural disasters, such as earthquakes, hurricanes, floods, tornados and fires, and riots, acts of terrorism, wars or other major upheavals.

The equipment subject to this Warranty Agreement is used and Buyer acknowledges and agrees that RDO is not a manufacturer of any equipment. Other than the warranty described above RDO makes no warranties, express or implied, including warranties of merchantability or fitness for a particular purpose, manufacturers design defects, capacity, use, compliance with governmental regulations, or with respect to patent or copyright infringement, title or the like.

This warranty is applicable to the original buyer listed below and cannot be transferred to subsequent owners. Pre-owned equipment sold through RDO Auctions or other auction facilities do not qualify for this limited warranty.

The undersigned accepts and agrees to the foregoing terms and conditions as stated in this Warranty Agreement.
