YEAR	PRINCIPAL AMOUNT
------	------------------

If the Series 2018A Bonds shall have been called for optional redemption in part, then the amount of the remaining annual sinking fund installments (including the final maturity amount) shall be reduced in the order of the mandatory redemption dates as the City may determine.

The City shall, at least forty-five (45) days prior to the date fixed for an optional redemption (unless a shorter notice shall be satisfactory to the Bond Registrar), notify the Bond Registrar of such date fixed for redemption, of the principal amount of the Series 2018A Bonds to be redeemed prior to maturity and of the order of the Series 2018A Bonds to be redeemed prior to maturity. It shall not be necessary for the City to give the Bond Registrar any notice or

other direction with respect to a mandatory redemption. For purposes of any redemption of less than all of the outstanding Bonds of a single maturity, and in the event there is more than one registered owner of a given maturity to be redeemed, the particular Series 2018A Bonds or portions of Series 2018A Bonds to be redeemed shall be selected by the Bond Registrar, by lot from the outstanding Series 2018A Bonds of such maturity or maturities selected, by such method as the Bond Registrar shall deem fair and appropriate; *provided*, that such lottery shall provide for the selection for redemption of Series 2018A Bonds or portions thereof so that any \$5,000 portion of a Series 2018A Bond shall be as likely to be called for redemption as any other such \$5,000 portion.

Unless waived by any registered owner of Series 2018A Bonds to be redeemed, official notice of the call for any such redemption shall be given by the Bond Registrar on behalf of the City by mailing the redemption notice by first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Series 2018A Bond or Series 2018A Bonds to be redeemed at the address shown on the Bond Register maintained by the Bond Registrar or at such other address as is furnished in writing by such registered owner to the Bond Registrar. Failure to give such notice by mail to any registered owner of any Series 2018A Bonds (or portions thereof) or any defect therein shall not affect the validity of any proceedings for the redemption of any other Series 2018A Bonds (or portions thereof) for which such notice is properly given.

All official notices of redemption shall state:

- (a) the date fixed for redemption;
- (b) the redemption price;
- (c) the identification of the Series 2018A Bonds to be redeemed, including
 - (i) the date of issue of the Series 2018A Bonds as originally issued, (ii) the maturity date

and interest rate borne by each Series 2018A Bond to be redeemed, (iii) the respective principal amount redeemed of each Series 2018A Bond to be redeemed in part, (iv) the CUSIP number of each Series 2018A Bond to be redeemed, and (v) any other descriptive information needed to identify accurately the Series 2018A Bonds being redeemed;

(d) a statement that on the date fixed for redemption the redemption price will become due and payable upon each such Series 2018A Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and

(e) the place where such Series 2018A Bonds are to be surrendered for payment of the redemption price, which place of payment shall be at the designated corporate trust office of the Paying Agent, or at a successor Paying Agent and locality as may then be acting.

On or prior to any date fixed for redemption, the City shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all Series 2018A Bonds or portions of Series 2018A Bonds which are to be redeemed prior to maturity on that date. With respect to an optional redemption of any Series 2018A Bonds, unless moneys sufficient to pay the principal of and interest on the Series 2018A Bonds to be redeemed shall have been received by the Bond Registrar prior to the giving of such notice of redemption, such notice may, at the option of the City, state that said redemption shall be conditional upon the receipt of such moneys by the Bond Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Series 2018A Bonds and the Bond Registrar shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Series 2018A Bonds will not be redeemed.

Official notice of redemption having been given as aforesaid, the Series 2018A Bonds or portions of Series 2018A Bonds so to be redeemed shall, on the date fixed for redemption, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price), such Series 2018A Bonds or portions of Series 2018A Bonds shall cease to bear interest. Neither the failure to mail such redemption notice, nor any defect in any notice so mailed, to any particular registered owner, shall affect the sufficiency of such notice with respect to other Series 2018A Bonds. Notice having been properly given, failure of a registered owner of a Series 2018A Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Series 2018A Bond entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by registered owners shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver. Upon surrender of such Series 2018A Bonds for redemption in accordance with said notice, such Series 2018A Bonds shall be paid by the Paying Agent at the redemption price. The procedure for the payment of interest due as part of the redemption price shall be as herein provided for payment of interest otherwise due. Upon surrender for any partial redemption of any Series 2018A Bond, there shall be prepared for the registered owner a new Series 2018A Bond or Series 2018A Bonds of like tenor, of authorized denominations, of the same series, maturity, and interest rate, and in the amount of the unpaid principal.

If any Series 2018A Bond or any portion of any Series 2018A Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the date fixed for redemption at the interest rate borne by the Series 2018A Bond or

the portion of Series 2018A Bond so called for redemption. All Series 2018A Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

In addition to the foregoing notice of redemption, if the Series 2018A Bonds are owned by more than one person or one entity, further notice shall be given by the Bond Registrar on behalf of the City as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner invalidate, limit or delay the redemption action if notice thereof is given as above prescribed.

Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption, and additionally shall contain (a) the CUSIP numbers of all Series 2018A Bonds being redeemed; (b) the date of issuance of such Series 2018A Bonds as originally issued; (c) the rate of interest borne by each Series 2018A Bond being redeemed; (d) the maturity date of each Series 2018A Bond being redeemed; and (e) any other descriptive information needed to identify accurately the Series 2018A Bonds or portions thereof being redeemed.

Each further notice of redemption shall be sent at least thirty (30) days before the date fixed for redemption by legible facsimile transmission, registered or certified mail (postage prepaid) or overnight delivery service to The Depository Trust Company of New York, New York, and to at least one (1) national information service that disseminate notices of redemption of obligations such as the Series 2018A Bonds.

Upon the payment of the redemption price of Series 2018A Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Series 2018A Bonds being redeemed with the proceeds of such check or other transfer.

series of Additional Bonds, the Pledged Revenues shall not be used to pay the principal of, premium, if any, or interest on such series of Additional Bonds, but such Additional Bonds shall otherwise rank on a priority with the Series 2018A Bonds and any other Additional Bonds under this Ordinance. The City may pledge the Pledged Revenues to the payment of the principal of, premium, if any, and interest on other obligations on a parity with the Series 2018A Bonds and any Additional Bonds (to the extent so pledged thereto), as provided in this Ordinance. [Form of Series 2018A Bond - Reverse Side]

City of Aurora, Kane, DuPage, Kendall and Will Counties, Illinois

Tax Increment Revenue Refunding Bond,
Series 2018A (East River Area TIF Number 6)

This Bond and each bond of the series of which it forms a part in the aggregate principal amount of \$ _____ (the "*Series 2018A Bonds*"), are issued pursuant to Division 74.4 of Article 11 of the Illinois Municipal Code, and all laws amendatory thereof and supplemental thereto (the "*TIF Act*"), and specifically as supplemented by the Local Government Debt Reform Act, as supplemented and amended (collectively, the "*Act*"), and the principal hereof and premium, if any, and interest hereon are payable solely from (i) the ad valorem taxes, if any, arising from the taxes levied upon taxable real property in the East River Area TIF Redevelopment Project Area established by the City in accordance with the provisions of the TIF Act (the "*Project Area*") by any and all taxing districts or municipal corporations having the power to tax real property in the Project Area, which taxes are attributable to the increase in the then current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in the Project Area over and above the initial equalized assessed value of each such piece of property, all as determined by the County Clerk of The County of Kane, Illinois, in accordance with the provisions of the TIF Act (the "*Incremental Property Taxes*"), after deducting certain prior commitments and pledges of the Incremental Property Taxes, (ii) the amounts on deposit in and pledged to the various funds and accounts of the East River Area TIF Redevelopment Project Area Special Tax Allocation Fund (the "*Special Tax Allocation Fund*") heretofore established by the City in connection with the designation of the Project Area, and (iii) on a parity with the City's outstanding Tax Increment Revenue Refunding Bonds, Series 2018B, certain admissions tax revenues and wagering tax revenues, after deducting certain prior commitments and pledges (the "*Pledged Revenues*"), to the extent such Pledged Revenues are available. The Incremental Property Taxes (after such deductions) constitute, collectively, the

“Pledged Taxes” under the hereinafter defined Bond Ordinance. The Series 2018A Bonds are being issued for the purpose of refunding outstanding obligations of the City, pursuant to the Act, and in an ordinance adopted by the City Council of the City (the *“Corporate Authorities”*) on October 23, 2018, and authorizing the issuance of the Series 2018A Bonds (the *“Bond Ordinance”*), to all the provisions of which the Registered Owner hereof assents by the acceptance of this Bond. The Series 2018A Bonds are special, limited obligations of the City, payable solely from the Pledged Taxes and Pledged Revenues and the amounts on deposit in and pledged to the various funds and accounts of the Special Tax Allocation Fund, all as provided in the Bond Ordinance. For the prompt payment of this Bond at maturity the Pledged Taxes are hereby irrevocably pledged, and the Pledged Revenues are hereby pledged as provided in the Bond Ordinance. THE SERIES 2018A BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE CITY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION. NO OWNER OF THIS BOND SHALL HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY TAXING POWER OF THE CITY FOR PAYMENT OF THE PRINCIPAL OF, OR PREMIUM, IF ANY, OR INTEREST ON THIS BOND.

Under the Act and the Bond Ordinance, the Pledged Taxes shall be deposited in the Special Tax Allocation Fund. Moneys on deposit in the Special Tax Allocation Fund shall be used first and are pledged for paying the principal of, premium, if any, and interest on the Series 2018A Bonds and any additional bonds issued on a parity with the Series 2018A Bonds under the Bond Ordinance (the *“Additional Bonds”*) and then in making any further required payments to the funds and accounts as provided by the terms of the Bond Ordinance. Under the Bond Ordinance, the Pledged Revenues shall be deposited and used to pay the principal of, premium, if any, and interest on the Series 2018A Bonds and, if the City so determines, certain Additional Bonds and certain other obligations of the City. Additional Bonds may be issued on a parity with the Series 2018A Bonds pursuant to the terms of the Bond Ordinance.

This Bond is transferable by the Registered Owner hereof in person or by his attorney duly authorized in writing at the designated corporate trust office of the Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in the Bond Ordinance, and upon surrender and cancellation of this Bond. Upon such transfer a new Series 2018A Bond or Series 2018A Bonds of authorized denominations of the same maturity and series and for the same aggregate principal amount will be issued to the transferee in exchange for this Bond.

The Series 2018A Bonds are issued in fully registered form in authorized denominations of \$5,000 or integral multiples thereof. This Bond may be exchanged at the principal corporate trust office of the Bond Registrar upon the terms set forth in the Bond Ordinance.

The City and the Bond Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal, premium, if any, or interest due hereon and for all other purposes and neither the City nor the Bond Registrar shall be affected by any notice to the contrary.

The Series 2018A Bonds due on or after December 30, __ are subject to redemption prior to maturity at the option of the City as a whole, or in part in such order of maturity as shall be specified by the City (less than all of the Bonds of a single maturity to be selected by the Bond Registrar as provided in the Bond Ordinance), on any date on or after December 30, 20___, at a redemption price of 100% of the principal amount thereof being redeemed, plus accrued interest to the date fixed for redemption.

[The Series 2018A Bonds are subject to mandatory sinking fund redemption in part as provided in the Bond Ordinance, on December 30 of the years and in the respective aggregate principal amounts, at a redemption price of 100% of the principal amount thereof being redeemed (unless any such principal amount shall have been reduced as provided below and in

the Bond Ordinance by reason of the earlier redemption of such Series 2018A Bonds), as follows:

YEAR	PRINCIPAL AMOUNT
------	------------------

If the Series 2018A Bonds shall have been called for redemption in part from a source other than from a mandatory sinking fund installment, then the amount of the remaining annual sinking fund installments (including the final maturity amount) shall be reduced in the manner provided in the Bond Ordinance.

Unless waived by the registered owner of Series 2018A Bonds to be redeemed, notice of any such redemption shall be given by the Bond Registrar on behalf of the City by mailing the redemption notice by first class mail, postage prepaid, not less than thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to each registered owner of the Series 2018A Bond or Series 2018A Bonds to be redeemed at the address shown on the registration books maintained by the Bond Registrar or at such other address as is furnished in writing by such registered owner to the Bond Registrar. Such notice of redemption may be conditional as provided in the Bond Ordinance. Neither the failure to mail such redemption notice, nor any defect in any notice so mailed, to any particular registered owner of a Series 2018A Bond, shall affect the sufficiency of such notice with respect to other registered owners. Notice having been properly given, failure of a registered owner of a Series 2018A Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in such notice. Such notice may be waived in writing by a registered owner of a Series 2018A

Bond entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Notice of redemption having been given as aforesaid, the Series 2018A Bonds or portions of Series 2018A Bonds so to be redeemed shall, on the date fixed for redemption, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Series 2018A Bonds or portions of Series 2018A Bonds shall cease to accrue interest. Upon surrender of such Series 2018A Bonds for redemption in accordance with said notice, such Series 2018A Bonds shall be paid by the Paying Agent at the redemption price. The procedure for the payment of interest due on or prior to the date fixed for redemption shall be as herein provided for the payment of interest otherwise due. Upon surrender for any partial redemption of any Series 2018A Bond, there shall be prepared for the Registered Owner a new Series 2018A Bond or Series 2018A Bonds of like tenor, of authorized denominations, of the same series, maturity and interest rate, in the amount of the unpaid principal thereof.

The rights and obligations of the City and of the registered owners of the Series 2018A Bonds may be modified or amended at any time with the consent of the City and of the owners of not less than two-thirds in aggregate principal amount of outstanding Series 2018A Bonds and any Additional Bonds in the manner, to the extent, and upon the terms provided in the Bond Ordinance; *provided*, that no such modification or amendment shall extend the maturity of or reduce the interest rate on or otherwise alter or impair the obligation of the City to pay the principal hereof and the interest hereon on the dates, at the place, at the rates and in the currency provided herein without the express consent of the Registered Owner of this Bond, or permit the creation of a preference or priority of any Series 2018A Bond or Series 2018A Bonds over any other Series 2018A Bond or 2018A Bonds, or reduce the percentage of Series 2018A Bonds

required for the affirmative vote or written consent to an amendment or modification, all as more fully set forth in the Bond Ordinance.

Section 8. Special Tax Allocation Fund – Accounts. (a) *Accounts.* There is hereby continued the heretofore created special fund of the City, which fund shall be held separate and apart from all other funds and accounts of the City and shall be known as the “*East River Area TIF Redevelopment Project Area Special Tax Allocation Fund*” (the “*Special Tax Allocation Fund*”). All of the Pledged Taxes and any other revenues from any source whatsoever (except for the Pledged Revenues, which shall be held as hereinafter provided) designated to pay the principal of, premium, if any, and interest on the Bonds shall be set aside as collected by the City Treasurer for deposit in the Special Tax Allocation Fund, which is a trust fund established for the purpose of carrying out the covenants, terms and conditions imposed upon the City by this Ordinance. The Bonds are secured by a pledge of all of the moneys on deposit in the Special Tax Allocation Fund (other than the Pledged Revenues which have been pledged to the payment of the Series 2018A Bonds and which may, if so designated by the City, be pledged to certain Additional Bonds), and such pledge is irrevocable until the obligations of the City are discharged under this Ordinance.

As provided in the TIF Act, the Incremental Property Taxes are to be paid to the City Treasurer by the officers who collect or receive the Incremental Property Taxes. Whenever the City Treasurer receives any of the Incremental Property Taxes, he or she shall promptly deposit the same into the Special Tax Allocation Fund. The moneys on deposit in the Special Tax Allocation Fund shall be used solely and only for the purpose of carrying out the terms and conditions of this Ordinance, and shall be deposited as hereinafter provided to the separate accounts hereby created within the Special Tax Allocation Fund to be known as the “*Principal and Interest Account*,” the “*Reserve Account*” and the “*General Account*.”

As moneys are deposited by the City Treasurer into the Special Tax Allocation Fund, the City Treasurer shall credit to and deposit the same in the following accounts on the respective dates, after deducting certain prior commitments and pledges of the Incremental Property Taxes, in the order in which hereinafter mentioned, as follows:

(a) *The Principal and Interest Account.* On the fifteenth day of each June and December the City Treasurer shall first credit to and transfer into the Principal and Interest Account all of the Pledged Taxes. The Pledged Revenues shall be deposited directly into a separate, segregated subaccount in the Principal and Interest Account promptly after receipt by the City. On the fifteenth day of each June, the amount on deposit in the Principal and Interest Account shall be equal to the interest coming due on the Bonds the immediately following June 30 and at least one-half of the principal coming due on the Bonds on the immediately following December 30. On the fifteenth day of each December, the amount on deposit in the Principal and Interest Account shall be equal to the principal and interest coming due on the Bonds on the immediately following December 30. Moneys to the credit of the Principal and Interest Account shall be used solely and only for the purpose of paying the principal of, premium, if any, and interest on the Bonds as the same become due at Stated Maturity or upon redemption prior to maturity. Pledged Revenues on deposit in the separate, segregated subaccount in the Principal and Interest Account shall be used to pay the principal of, premium, if any, and interest on the Bonds so designated for payment from the Pledged Revenues, before any other moneys on deposit in the Principal and Interest Account are used for such purpose. On each December 30, any moneys still on deposit in the Principal and Interest Account after the payment of the principal of, premium, if any, and interest coming due on the Bonds shall be transferred, first to the Reserve Account if the Debt Service

Reserve Requirement is not on deposit in the Reserve Account, and then to the General Account.

(b) *The Reserve Account.* At the time of delivery of any Series 2018A Bonds, there shall be credited to the Reserve Account an amount sufficient to establish a balance on deposit in and to the credit of the Reserve Account which is equal to the Debt Service Reserve Requirement. The funds on deposit in and to the credit of the Reserve Account shall be used solely to pay the principal of or interest becoming due or subject to redemption prior to maturity on any Bonds then outstanding whenever funds are not available in the Principal and Interest Account therefor, and for that purpose the City shall promptly transfer (without further official direction of or action by the Corporate Authorities) from the Reserve Account to the Principal and Interest Account, as applicable, not less than five (5) days prior to the Stated Maturity or redemption of principal of or interest on any such Bonds a sum which, together with the funds then on hand in the Principal and Interest Account shall be sufficient to pay such principal or interest.

On each Interest Payment Date, if the amount on deposit in and to the credit of the Reserve Account is less than an amount equal to the Debt Service Reserve Requirement, whether by withdrawal or investment loss or otherwise, the City shall credit the balance of the Pledged Taxes to the Reserve Account and, if the Pledged Taxes are insufficient for the purpose, shall transfer Pledged Revenues to the Reserve Account, until such credit balance equals Debt Service Reserve Requirement. Thereafter, no such payments shall be made into the Reserve Account, except that when any money is paid out of the Reserve Account, payments of Pledged Taxes and the Pledged Revenues shall be resumed and

continued until the Reserve Account has been restored to an aggregate credit balance equal to Debt Service Reserve Requirement.

Moneys on deposit in and to the credit of the Reserve Account shall be used solely to pay the principal of or interest on the Bonds at any time when there are insufficient funds available in the Principal and Interest Account to pay such principal or interest. Any amount on deposit in the Reserve Account in excess of the Debt Service Reserve Requirement shall be transferred to the General Account.

Upon the issuance by the City of any Additional Bonds as hereinafter provided the City hereby covenants and warranties that it will immediately deposit to the Reserve Account an amount sufficient to establish a balance to the credit of and on deposit in the Reserve Account equal to the Debt Service Reserve Requirement; *provided, however,* that the Debt Service Reserve Requirement shall be calculated by including any such Additional Bonds.

(c) *The General Account.* All moneys remaining in the Special Tax Allocation Fund on each Interest Payment Date, after crediting the required amounts to the respective accounts hereinabove provided for, shall be transferred by the City Treasurer for credit to the General Account. At any time and from time to time as necessary, the City Treasurer shall transfer any moneys on deposit in the General Account to remedy any deficiencies in any prior accounts in the Special Tax Allocation Fund. Except as hereinbefore provided in this subsection (c), moneys on deposit in the General Account shall be used first to remedy any such deficiency in the Principal and Interest Account and the Reserve Account, in that order, and then for one or more of the following purposes, in the following order of priority among them:

- (i) for the purpose of paying any Project Costs

(ii) to pay the principal of, premium, if any, and interest on any subordinate lien bonds; or

(iii) for the purpose of redeeming outstanding Bonds; or

(iv) for the purpose of purchasing Bonds at a price not in excess of par and accrued interest and applicable redemption premium to the date of purchase; or

(v) for the purpose of creating such additional reserves as the City Treasurer may determine to be reasonably necessary, without further action of the Corporate Authorities; or

(vi) for the purpose of reimbursing the City for any transfers of general corporate funds of the City to the Special Tax Allocation Fund; or

(vii) for the purpose of distributing such funds to the taxing districts or municipal corporations having the power to tax real property in the Project Area in accordance with the TIF Act; or

(viii) for any other purpose set forth in the Redevelopment Plan for the Project as may be authorized under the TIF Act.

(d) *Investments.* The moneys on deposit in the Special Tax Allocation Fund and the various accounts therein may be invested from time to time in Qualified Investments. Any such investments may be sold from time to time as moneys may be needed for the purposes for which the Special Tax Allocation Fund and such accounts have been created. In addition, such investments shall be sold when necessary to remedy any deficiency in the Special Tax Allocation Fund and such accounts. All investment earnings or losses shall be attributed to the fund or account for which the investment was made.

Section 9. General Covenants. The City covenants and agrees with the owners of the Bonds that, so long as any Bonds remain outstanding and unpaid:

(a) The City will punctually pay or cause to be paid from the Special Tax Allocation Fund the principal of, interest on and premium, if any, to become due in respect of the Bonds in strict conformity with the terms of the Bonds and this Ordinance, and it will faithfully observe and perform all of the conditions, covenants and requirements thereof and this Ordinance.

(b) The City will pay and discharge, or cause to be paid and discharged, from the Special Tax Allocation Fund any and all lawful claims which, if unpaid, might become a lien or charge upon the Pledged Taxes, or any part thereof, or upon any funds in the hands of the City Treasurer, or which might impair the security of the Bonds. Nothing herein contained shall require the City to make any such payment so long as the City in good faith shall contest the validity of said claims.

(c) The City will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the City, in which complete and correct entries shall be made of all transactions relating to the Project and to the Pledged Taxes and the Pledged Revenues. Such books of record and accounts shall at all times during business hours be subject to the inspection of the owners of not less than ten per cent (10%) in aggregate principal amount of the Bonds then outstanding, or their representatives authorized in writing.

The City will prepare or cause the preparation of complete financial statements with respect to the preceding fiscal year showing the Pledged Taxes and the Pledged Revenues received, all disbursements from the funds and accounts created by this Ordinance and the financial condition of the Project, including the balances in all funds

and accounts relating to the Bonds and the Project as of the end of such fiscal year, which statements shall be accompanied by a certificate or opinion in writing of an Independent certified public accountant. The City will furnish a copy of such statements to any registered owners of ten percent (10%) or more in aggregate principal amount of outstanding Bonds, upon the written request of such owners.

(d) The City will preserve and protect the security of the Bonds and the rights of the owners of the Bonds, and will warrant and defend their rights against all claims and demands of all persons. From and after the sale and delivery of any of the Bonds by the City, the Bonds shall be incontestable by the City.

(e) The City will continue to implement the Project with all practicable dispatch in accord with its stated objectives and purposes in conformity with the Redevelopment Plan and the TIF Act.

(f) The City will adopt, make, execute and deliver any and all such further ordinances, resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention of, or to facilitate the performance of, this Ordinance, and for the better assuring and confirming unto the registered owners of the Bonds of the rights and benefits provided in this Ordinance.

(g) So long as any Bonds remain outstanding, the City will take no action, nor will the City omit to take any action, which act or omission will in any way adversely affect the ability of the City to collect the Pledged Taxes or the Pledged Revenues, and the City and its officers will comply with all present and future applicable laws in order to assure that the Pledged Taxes and the Pledged Revenues will be collected, held and deposited in the funds and accounts as herein provided.

(h) So long as any Bonds remain outstanding, the City will not grant a lien on the Pledged Revenues senior to the prior commitment to the Aurora Civic Center Authority or the Series 2018B Bonds.

Section 10. Sale of the Series 2018A Bonds; Approval of Documents. As soon as may be after this Ordinance becomes effective, the Series 2018A Bonds shall be executed in the manner provided in this Ordinance and be delivered by a Designated Officer to the Purchaser upon payment of the Purchase Price. The purchase contract for the sale of the Bonds presented to the Corporate Authorities at this time is hereby approved and confirmed, it being hereby found and determined that said contract is in the best interests of the City and that no person holding an office of the City either by election or appointment, is in any manner financially interested, either directly in his or her own name or indirectly in the name of any other person, association, trust or corporation, in said contract for the purchase of the Series 2018A Bonds. The Designated Officers are hereby authorized to execute said purchase contract as acceptance thereof, together with such additional documents, certificates and agreements, including but not limited to a Tax Exemption Certificate and Agreement relating to the Series 2018A Bonds, and to take all actions as shall be deemed necessary to effectuate the issuance and delivery of the Series 2018A Bonds and to perform the obligations of the City under this Ordinance. The Preliminary Official Statement of the City, dated October __, 2018, relating to the Series 2018A Bonds and heretofore presented to the Corporate Authorities is hereby ratified and approved. The Official Statement of the City, to be delivered within seven (7) days of the date of adoption hereof, relating to the Series 2018A Bonds (the "*Official Statement*") is hereby approved, and the Purchaser is hereby authorized on behalf of the City to distribute copies of the Official Statement to the ultimate purchasers of the Series 2018A Bonds.

Section 11. Use of Series 2018A Bond Proceeds. The proceeds derived from the sale of the Series 2018A Bonds shall be used as follows:

A. Accrued interest, if any, shall be credited to the Principal and Interest Account and applied to pay interest due on the Series 2018A Bonds.

B. The sum of principal proceeds of the Series 2018A Bonds as is necessary, together with such money in the debt service funds for the Refunded Bonds as may be advisable for the purpose, shall be used to provide for the Refunding, and the payment of such expenses as may be designated, pursuant to the provisions of the Escrow Agreement, in substantially the form now before the Corporate Authorities and attached hereto as *Exhibit A*, with the Escrow Agent as is designated, all in accordance with the provisions of the Escrow Agreement; the parties appearing signatory to such Escrow Agreement are hereby authorized and directed to execute same, their execution to constitute conclusive proof of action in accordance with this Ordinance, and approval of all completions or revisions necessary or appropriate to effect the Refunding. Amounts in the escrow will be held in cash or will be used to purchase Government Securities. The Escrow Agent and the Purchaser are each hereby authorized to act as agent for the City in the purchase of the Government Securities. Prior to the issuance of the Series 2018A Bonds, the City shall deposit with the Prior Paying Agent or with the Escrow Agent an amount from lawfully available funds sufficient to pay the principal on the Prior Bonds due on December 30, 2018, and interest thereon.

Section 12. Call of the Refunded Bonds. In accordance with the redemption provisions of the ordinance authorizing the issuance of the Refunded Bonds, the City by the Corporate Authorities does hereby make provisions for the payment of and does hereby call (subject only to

the issuance and delivery of the Series 2018A Bonds) the Refunded Bonds on December 30, 2018.

Section 13. Arbitrage. The Corporate Authorities certify and covenant with the purchasers and owners of the Series 2018A Bonds from time to time outstanding, that so long as any of the Series 2018A Bonds remain outstanding, moneys on deposit in any fund or account in connection with the Series 2018A Bonds, whether or not such moneys were derived from the proceeds of the sale of the Series 2018A Bonds, or from any other sources, will not be used in a manner which will cause such Series 2018A Bonds to be “*arbitrage bonds*” within the meaning of Section 148(a) of the Code and any lawful regulations promulgated or proposed thereunder, as the same presently exist, or may from time to time hereafter be amended, supplemented or revised. The Corporate Authorities reserve the right, however, to make any investment of such moneys permitted by Illinois law and this Ordinance, if, when and to the extent that said Section 148(a) or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation or decision would not, in the opinion of bond counsel of nationally recognized competence in such matters, result in making the interest on the Series 2018A Bonds includible in gross income of the owners thereof for federal income tax purposes.

Section 14. Further Tax Covenants. The City agrees to comply with all provisions of the Code which, if not complied with by the City, would cause the interest on the Series 2018A Bonds not to be Tax Exempt. In furtherance of the foregoing provisions, but without limiting their generality, the City agrees: (a) through its officers to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to comply with all representations, covenants and assurances contained in certificates or agreements as may be prepared by counsel approving the Series 2018A Bonds; (c) to consult with such

counsel and to comply with such advice as may be given; (d) to pay to the United States of America, if necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Series 2018A Bonds; (e) to file such forms, statements and supporting documents as may be required and in a timely manner; and (f) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the City in such compliance.

Section 15. Registered Form. The City recognizes that Section 149 of the Code requires the Series 2018A Bonds to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the Series 2018A Bonds are delivered. In this connection, the City agrees that it will not take any action to permit the Series 2018A Bonds to be issued in, or converted into, bearer or coupon form.

Section 16. Continuing Disclosure Undertaking. Any Designated Officer is hereby authorized, empowered and directed to execute and deliver the Continuing Disclosure Undertaking (the “*Continuing Disclosure Undertaking*”) in customary form as approved by legal counsel to the City, or with such changes therein as the Designated Officer executing the Continuing Disclosure Undertaking on behalf of the City shall approve, his execution thereof to constitute conclusive evidence of his approval of such changes. When the Continuing Disclosure Undertaking is executed and delivered on behalf of the City as herein provided, the Continuing Disclosure Undertaking will be binding on the City and the officers, employees and agents of the City, and the officers, employees and agents of the City are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. Notwithstanding any other provision of this Ordinance, the sole remedies for failure to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any

Series 2018A Bond to seek mandamus or specific performance by court order, to cause the City to comply with its obligations under the Continuing Disclosure Undertaking.

Section 17. Additional Bonds and Additional Obligations. The City reserves the right to issue Additional Bonds from time to time for the purposes authorized in the Redevelopment Plan, and any such Additional Bonds shall share ratably and equally in the Pledged Taxes and, to the extent so designated by the City, the Pledged Revenues with the Series 2018A Bonds; *provided, however,* that no Additional Bonds shall be issued, except upon compliance with all of the following conditions:

(a) All deposits and credits required to be made into the Principal and Interest Account and the Reserve Account shall have been made up to and including the date of adoption of any such ordinance authorizing the issuance of Additional Bonds.

(b) (i) The aggregate annual amount of Pledged Taxes deposited to the credit of the Special Tax Allocation Fund for the completed Tax Year immediately preceding the date of adoption of any ordinance authorizing the issuance of Additional Bonds, together with the Pledged Revenues deposited to the credit of the Principal and Interest Account to the extent that the Pledged Revenues are pledged to the payment of the Additional Bonds then proposed to be issued, shall have been equal to at least 150% of Maximum Annual Debt Service calculated for all succeeding years on all Bonds then outstanding and the Additional Bonds then proposed to be issued, *or*

(ii) the City shall have received a report of a nationally recognized Independent consultant, knowledgeable as to urban redevelopment, tax increment financing and municipal finance, which includes the information and conclusions as follows:

1. A description of the purposes for which such Additional Bonds are to be issued; and

2. A statement that, in such Independent consultant's opinion, based upon his or her review of executed redevelopment agreements and such other documents as he or she reasonably deems pertinent, Pledged Taxes to be generated, together with Pledged Revenues to the extent pledged, will be equal to at least 150% of Maximum Annual Debt Service calculated for all succeeding years on all Bonds then outstanding and the Additional Bonds then proposed to be issued.

(c) Any such Additional Bonds which may be issued in compliance herewith shall be payable as to principal and as to interest on the same dates of the year on which principal and interest come due on the Series 2018A Bonds.

(d) The City specifically reserves the right to issue bonds on a subordinate lien basis from time to time for the purposes authorized in the Redevelopment Plan.

Notwithstanding the foregoing restrictions, if, prior to the payment in full of the Series 2018A Bonds, the City shall determine, as hereinafter provided in Section 18 of this Ordinance, to refund part or all of the Series 2018A Bonds then outstanding, said Series 2018A Bonds may be refunded, and any refunding bonds or obligations so issued shall share ratably and equally in the Pledged Taxes and, to the extent so designated by the City, the Pledged Revenues, with the portion, if any, of the Series 2018A Bonds which is not refunded; *provided, further*, that if any portion of the Series 2018A Bonds is refunded such that the interest rate is increased or the refunding bonds or obligations mature at a date earlier than the maturity of the Series 2018A Bonds not refunded, then such refunding bonds or obligations shall be in all respects subordinate to the Series 2018A Bonds, and shall not share ratably and equally in the Pledged Taxes and the Pledged Revenues with the portion of the Series 2018A Bonds remaining outstanding, except that if it is found necessary to refund any annual installment of the Series 2018A Bonds at

maturity or within one (1) year of maturity thereof in order to prevent a default, such refunding bonds or obligations may be issued to share ratably and equally in the Pledged Taxes and the Pledged Revenues with the portion of the Series 2018A Bonds not refunded notwithstanding the fact that the interest rate is increased, *provided, however*, that such refunding bonds or obligations shall not mature at a date earlier than the maturity of any installment of principal of and interest on said Series 2018A Bonds not refunded and then outstanding.

The City reserves the right to issue other obligations from time to time, and any such obligations shall share ratably and equally in the Pledged Revenues with the Series 2018A Bonds and any Additional Bonds to which the Pledged Revenues are pledged; *provided, however*, that no such obligations shall be issued, except upon compliance with all of the following conditions:

(a) All deposits and credits required to be made into the Principal and Interest Account and the Reserve Account and any similar funds and accounts relating to all other such obligations shall have been made up to and including the date of adoption of any such ordinance authorizing the issuance of such other obligations.

(b) (i) The aggregate annual amount of Pledged Revenues for the completed Tax Year immediately preceding the date of adoption of any ordinance authorizing the issuance of such other obligations shall have been equal to at least 150% of Maximum Annual Debt Service and maximum annual debt service on all such other obligations calculated for all proceeding years on all Bonds and such other obligations then outstanding and the additional obligations then proposed to be issued, or

(ii) the City shall have received a report of a nationally recognized Independent consultant, knowledgeable as to urban redevelopment, tax increment financing and municipal finance, which includes the information and conclusions as follows:

1. A description of the purposes for which such other obligations are to be issued; and

2. A statement that, in such Independent consultant's opinion, based upon his or her review of executed redevelopment agreements and such other documents as he or she reasonably deems pertinent, Pledged Revenues to be generated will be equal to at least 150% of Maximum Annual Debt Service and maximum annual debt service on all such other obligations calculated for all succeeding years on all Bonds and such other obligations then outstanding and the additional obligations then proposed to be issued.

(c) Any such additional obligations which may be issued in compliance herewith shall be payable as to principal and as to interest on the same dates of the year on which principal and interest come due on the Series 2018A Bonds.

The City is issuing its Tax Increment Revenue Refunding Bonds, Series 2018B (River City TIF Number 3) with a pledge of the Pledged Revenues on a parity with the lien on such Pledged Revenues in favor of the Series 2018A Bonds.

Section 18. Refunding Bonds. Refunding bonds issued to refund, whether at or in advance of maturity, Bonds issued under this Ordinance, may be issued by the Corporate Authorities hereunder.

Section 19. List of Bondholders. The Bond Registrar shall maintain a list of the names and addresses of the owners of all Bonds and upon any transfer shall add the name and address of the new owner and eliminate the name and address of the transferor owner.

Section 20. Rights and Duties of Bond Registrar and Paying Agent. If requested by the Bond Registrar or Paying Agent, any Designated Officer is authorized to execute the standard form of agreement between the City and the Bond Registrar or the Paying Agent with respect to

the obligations and duties of the Bond Registrar or the Paying Agent as bond registrar or paying agent hereunder, which may include the following:

- (a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;
- (b) to maintain a list of Bondholders as set forth herein and to furnish such list to the City upon request, but otherwise to keep such list confidential;
- (c) to give notice of redemption of any Bonds;
- (d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;
- (e) to furnish the City at least annually a certificate with respect to Bonds cancelled and/or destroyed; and
- (f) to furnish the City at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

The City Clerk of the City is hereby directed to file a certified copy of this Ordinance with the Bond Registrar and Paying Agent.

The City covenants that it shall at all times retain a Bond Registrar and a Paying Agent with respect to the Bonds, that it will maintain at the designated office of such Bond Registrar or Paying Agent a place or places where the Bonds may be presented for payment or registration of transfer or exchange, and that it shall require that the Bond Registrar properly maintain the Bond Register and require the Bond Registrar and the Paying Agent to perform the other duties and obligations imposed upon them by this Ordinance in a manner consistent with the standards, customs and practices of the municipal securities industry.

The Bond Registrar shall signify its acceptance of the duties and obligations imposed upon it by this Ordinance by executing the certificate of authentication on any Bond, and by such

execution the Bond Registrar shall be deemed to have certified to the City that it has all requisite power to accept and has accepted such duties and obligations. The Bond Registrar is the agent of the City, and shall not be liable in connection with the performance of its duties, except for its own negligence or willful wrongdoing. The Bond Registrar shall, however, be responsible for any representation in its certificate of authentication on the Bonds.

The City may remove the Bond Registrar or the Paying Agent at any time. In case at any time the Bond Registrar or the Paying Agent shall resign, shall be removed, shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator or conservator of the Bond Registrar or the Paying Agent, or of the property thereof, shall be appointed, or if any public officer shall take charge or control of the Bond Registrar or the Paying Agent, or of the property or affairs thereof, the City covenants and agrees that it will thereupon appoint a successor Bond Registrar or Paying Agent, as the case may be. The City shall mail notice of any such appointment made by it to each registered owner of any Bond within twenty (20) days after such appointment. Any successor Bond Registrar or Paying Agent appointed under the provisions of this Section shall be a bank, trust company or national banking association.

Section 21. Evidence of Bondholder Action. Any request, direction or other instrument required by this Ordinance to be signed or executed by the owners of the Bonds may be in any number of concurrent writings of similar tenor and may be signed or executed by such owners in person or by agent appointed in writing. Proof of the execution of any such request, direction or other instrument, or of the writing appointing such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any purpose of this Ordinance:

- (a) The fact and date of the execution by any person of any such writing (other than an assignment of a Bond) may be proved by the certificate of any officer in any

jurisdiction, who, by the laws thereof, has power to take acknowledgments within said jurisdiction, to the effect that the person signing such writing acknowledged before his or her execution thereof, or by an affidavit of a witness to such execution;

(b) The ownership of the Bonds shall be proved by the Bond Register.

Section 22. Payment and Discharge; Refunding. The Bonds may be discharged, payment provided for, and the City's liability of the City therefor terminated, as follows:

(a) *Discharge of Indebtedness.* If (i) the City shall pay or cause to be paid to the registered owners of the Bonds the principal, premium, if any, and interest to become due thereon at the times and in the manner stipulated therein and herein, (ii) all fees and expenses of the Bond Registrar and the Paying Agent shall have been paid, and (iii) the City shall keep, perform and observe all and singular the covenants and promises in the Bonds and in this Ordinance expressed as to be kept, performed and observed by it or on its part, then these presents and the rights hereby granted shall cease, determine and be void. If the City shall pay or cause to be paid to the registered owners of all outstanding Bonds, or of a particular maturity or series thereof, the principal, premium, if any, and interest to become due thereon on the dates and in the manner stipulated therein and herein, such Bonds shall cease to be entitled to any lien, benefit or security under this Ordinance, and all covenants, agreements and obligations of the City to the owners of such Bonds shall thereupon cease, terminate and become void and discharged and satisfied.

(b) *Provision for Payment.* Bonds for the payment or redemption of which sufficient moneys and/or sufficient Government Securities shall have been deposited with the Paying Agent or with a similar institution having fiduciary powers and duties (whether upon or prior to the maturity or the redemption date of such Bonds) shall be

deemed to be paid within the meaning of this Ordinance and no longer outstanding under this Ordinance; *provided, however*, that if such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given as provided therein or arrangements satisfactory to the Bond Registrar shall have been made for the giving thereof. Government Securities shall be considered sufficient only if said investments are not redeemable prior to maturity at the option of the issuer and mature and bear interest in such amounts and at such times as will assure sufficient cash to pay currently maturing interest and to pay principal and redemption premiums, if any, when due on the Bonds without rendering the interest on any Series 2018A Bonds and any Tax Exempt Additional Bonds includible in gross income of the owners thereof for federal income tax purposes.

The City may at any time surrender to the Bond Registrar for cancellation by it any Bonds previously authenticated and delivered hereunder, which the City may have acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

(c) *Termination of City's Liability.* Upon the discharge of indebtedness under paragraph (a) hereof, or upon the deposit with the Paying Agent or similar institution of sufficient money and/or Government Securities (such sufficiency being determined as provided in paragraph (b) hereof) for the retirement of any particular Bond or Bonds, all liability of the City in respect of such Bond or Bonds shall cease, determine and be completely discharged and the owners thereof shall thereafter be entitled only to payment out of the money and the proceeds of the Government Securities deposited with the Paying Agent or similar institution as aforesaid for their payment.

Section 23. Supplemental Ordinances. Supplemental ordinances may be adopted as follows:

(a) *Supplemental Ordinances Not Requiring Consent of Bondholders.* The City, by the Corporate Authorities, may adopt an ordinance or ordinances supplemental hereto, which ordinance or ordinances thereafter shall form a part hereof, for any one or more of the following purposes:

(i) To add to the covenants and agreements of the City in this Ordinance contained, other covenants and agreements thereafter to be observed or to surrender, restrict or limit any right or power herein reserved to or conferred upon the City;

(ii) To make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Ordinance, or in regard to matters or questions arising under this Ordinance, as the City may deem necessary or desirable and not inconsistent with this Ordinance and which shall not adversely affect the interests of the registered owners of the Bonds;

(iii) To designate one or more bond registrars or paying agents;

(iv) To issue Additional Bonds in accordance with this Ordinance; and

(v) As to Bonds which are authorized but unissued hereunder:

(1) to change the amount of such Bonds authorized, or

(2) to change in any way the terms upon which such Bonds may be issued or secured.

Any supplemental ordinance authorized by the provisions of this Section may be passed by the City without the consent of or notice to the registered owners of any of the

Bonds at the time outstanding, notwithstanding any of the provisions of paragraph (b) of this Section.

(b) *Supplemental Ordinances Requiring Consent of Bondholders.* With the consent (evidenced as provided herein) of the registered owners of not less than two-thirds in aggregate principal amount of the Bonds at the time outstanding, the City, by the Corporate Authorities, may adopt from time to time and at any time an ordinance or ordinances supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Ordinance or of any supplemental ordinance; *provided*, that no such modification or amendment shall extend the maturity or reduce the interest rate on or otherwise alter or impair the obligation of the City to pay the principal, interest or redemption premium, if any, on the date, at the place, at the rate and in the currency provided therein of any Bond without the express consent of the registered owner of such Bond, or permit the creation of a preference or priority of any Bond or Bonds over any other Bond or Bonds, or reduce the percentage of Bonds required for the affirmative vote or written consent to an amendment or modification, or deprive the registered owners of the Bonds (except as aforesaid) of the right to payment of the Bonds from the Pledged Taxes and/or the Pledged Revenues pledged thereto without the consent of the registered owners of all the Bonds (as the case may be) then outstanding.

It shall not be necessary for the consent of the owners of the Bonds under this paragraph to approve the particular form of any proposed supplemental ordinance, but it shall be sufficient if such consent shall approve the substance thereof.

(c) *Supplemental Ordinance to Modify this Ordinance.* Upon the adoption of any supplemental ordinance pursuant to the provisions of this Section, this Ordinance

shall be modified and amended in accordance therewith and the respective rights, duties and obligations of the City under this Ordinance and all registered owners of Bonds outstanding hereunder shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendments, and all the terms and conditions of any such supplemental ordinance shall be and be deemed to be part of the terms and conditions of this Ordinance for any and all purposes.

Section 24. This Ordinance a Contract. The provisions of this Ordinance shall constitute a contract between the City and the registered owners of the Bonds, and no changes, additions or alterations of any kind shall be made hereto, except as herein provided.

Section 25. Partial Invalidity. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 26. Prior Inconsistent Proceedings. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance, are to the extent of such conflict hereby repealed.

Section 27. Immunity of Officers, Employees and Members of City. No recourse shall be had for the payment of the principal of or premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Ordinance contained against any past, present or future officer, director, member, employee or agent of the City, or of any successor public corporation, as such, either directly or through the City or any successor public corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officers, directors, members, employees or agents as such is hereby expressly waived and released as a condition of and consideration for the passage of this Ordinance and the issuance of such Bonds.
