

Nelson C. Santos is the President and Cofounder of Scientel Solutions LLC. He has successfully led many organizations in strategically customizing technology solutions for over twenty years. Nelson's entrepreneurial spirit, natural leadership ability and his passion for delivering creative technology solutions lead him to the purchase of Scientel Solutions in 2005. He provides first-hand knowledge on both the technical and business aspects of various wireless communication networks. Throughout his career, Nelson has held senior management positions in the technology and nuclear industries, including international experiences within the Caribbean and Middle East.

Nelson is also actively involved within our local communities. As a member of the Board of Directors in several organizations including; Invest Aurora, Naperville Responds for Veterans and White Eagle Golf Club. In addition to these prestigious groups, he is also a member of the Young Professionals Organization (YPO) where he is focused on continuously refreshing his leadership, innovation and professional/personal development skills to better lead his organization.

In Nelson's spare time you can find him spending time with his wife and two children, attending local charitable events, traveling or playing a round of golf.
