

Amendment 1

Section I

The proposed ordinance (draft of November 22, 2023) is amended by adding paragraph (f) as follows:

(f) Authority of the committee. The committee is authorized

1. to resolve questions as to whether this section authorizes a proposed expenditure is authorized or whether a proposed expenditure requires authorization by the committee. Decisions of the committee with respect to a proposed expenditure may be appealed to the committee of the whole.

2. to adopt supplemental rules and procedures as it determines are reasonably necessary to carry the provisions of this section into execution.

Section II

The proposed ordinance (draft of November 22, 2023) is amended changing paragraph (e) by substituting subparagraphs 9 and 10 with the following:

9. Funds budgeted in fiscal year 2024. All funds budgeted for the use of ward alderpersons for capital or non-capital purposes shall be subject to the provisions of this ordinance. The city treasurer shall transfer previously budgeted funds available to each ward alderperson to their respective capital and non-capital accounts, in accordance with an office of the aldermen office policy dated June 12, 2015 (allocating 2/3 of such funds to capital

1 and 1/3 of such funds for non-capital purposes). All funds
2 appropriated in fiscal year 2024 for the use of alderpersons
3 elected at-large collectively shall be evenly divided among the
4 alderpersons elected at-large and may be used by such alderpersons
5 for the non-capital purposes authorized by this section.

6 10. Funds reappropriated or budgeted from years prior to 2024.
7 Any funds appropriated or budgeted for the use of ward alderpersons
8 for capital improvement purposes prior to 2024 which remain unspent
9 shall remain available for the use of the respective ward
10 alderpersons in the manner provided for the use of capital funds
11 in this section and deposited into the appropriate ward account.
