Alderman Laesch specified that his second of Alderman Bugg's motion was to hold pursuant to the section of the Code of Ordinances regarding the ability of two members of the City Council to hold an item without full City Council vote. Corporation Counsel Veenstra confirmed that Section 2-107(c) of the Code of Ordinances provides that two Aldermen may hold an item initially appearing for consideration before the City Council until the next regularly scheduled meeting of the City Council, without a vote of the full City Council to hold that item.

Alderman Franco asked that a determination be made as to whether prior presentation of an item to the Committee of the Whole constitutes presentation to the City Council for purposes of Section 2-107(c). Corporation Counsel Veenstra opined that this interpretation of the City Council's rules should be made by the City Council.
