

19 - 21 BROADWAY PROPOSAL

PREPARED FOR

OUR MISSION

The Foundation's reason for being is to preserve, promote and protect the wonderful music of the Fox Valley area of Illinois while providing Music Education to people of all ages and from all walks of life.

A LITTLE BACKGROUND

The initial spark for the forming of the Fox Valley Music Foundation was rooted in the annual Blues On The Fox Festival which takes place in downtown Aurora each June providing area music lovers with some of the finest in live blues on the planet.

The Festival initially began as a grass roots volunteer effort, led by a group of blues loving locals who were turned on by the history of the Blues and the historic recordings made in the Sky Club of the Leland Hotel in downtown Aurora. Now in it's 21st year, the Festival has undergone numerous changes and the role of the original Blues committee has been redefined.

The one thing that hasn't changed is the commitment of the core group of music lovers that nurtured the festival during its formative years and established it as a destination event. This group has reinvented itself and become a foundation. And we would like to make Aurora our base of operations with a new venue not unlike the Old Town School of Music and the Rock & Roll Hall of Fame rolled into one.
