Grantor shall provide notice, in writing, to Grantee of any such funding failure and its election to terminate or suspend this Agreement as soon as practicable. Any suspension or termination pursuant to this Section will be effective upon the date of the written notice unless otherwise indicated.

4.2. Pre-Award Costs. Pre-award costs are not permitted unless specifically authorized by the Grantor in **Exhibit A, PART TWO** or **PART THREE** of this Agreement. If they are authorized, pre-award costs must be charged to the initial Budget Period of the Award, unless otherwise specified by the Grantor. 2 CFR 200.458.

4.3. Return of Grant Funds. Any Grant Funds remaining that are not expended or legally obligated by Grantee, including those funds obligated pursuant to ARTICLE XVII, at the end of the Agreement period, or in the case of capital improvement Awards at the end of the time period Grant Funds are available for expenditure or obligation, shall be returned to Grantor within forty-five (45) days. Unless notified otherwise in **PART TWO** or **PART THREE**, federal funds received under this Agreement shall be managed in accordance with the Cash Management Improvement Act of 1990 (31 USC 6501 *et seq.*) and any other applicable federal laws or regulations. See 2 CFR 200.305; 44 Ill. Admin. Code 7000.120.

Code 7000.370. Neither discretionary nor non-discretionary line-item transfers may result in an increase to the total amount of Grant Funds in the Budget unless Prior Approval is obtained from Grantor.

6.4. Notification. Within thirty (30) calendar days from the date of receipt of the request for Budget revisions, Grantor will review the request and notify Grantee whether the Budget revision has been approved, denied, or the date upon which a decision will be reached.

(i) Waived and de minimis Indirect Cost Rate elections will remain in effect until the Grantee elects a different option.

(b) A Grantee must submit an Indirect Cost Rate Proposal in accordance with federal regulations, in a format prescribed by Grantor. For Grantees who have never negotiated an Indirect Cost Rate before, the Indirect Cost Rate Proposal must be submitted for approval no later than three months after the effective date of the Award. For Grantees who have previously negotiated an Indirect Cost Rate, the Indirect Cost Rate Proposal must be submitted for approval within 180 days of the Grantee's fiscal year end, as dictated in the applicable appendices, such as:

(i) Appendix V and VII to 2 CFR Part 200 governs Indirect Cost Rate Proposals for state and local governments,

(ii) Appendix III to 2 CFR Part 200 governs Indirect Cost Rate Proposals for public and private institutions of higher education,

(iii) Appendix IV to 2 CFR Part 200 governs Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations, and

(iv) Appendix V to 2 CFR Part 200 governs state/Local Governmentwide Central Service Cost Allocation Plans.

(c) A Grantee who has a current, applicable rate negotiated by a cognizant federal agency shall provide to Grantor a copy of its Indirect Cost Rate acceptance letter from the federal government and a copy of all documentation regarding the allocation methodology for costs used to negotiate that rate, e.g., without limitation, the cost policy statement or disclosure narrative statement. Grantor will accept that Indirect Cost Rate, up to any statutory, rule-based or programmatic limit.

(d) A Grantee who does not have a current negotiated rate, may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. No documentation is required to justify the 10% de minimis Indirect Cost Rate. 2 CFR 200.414(f).

7.3. Transfer of Costs. Cost transfers between Grants, whether as a means to compensate for cost overruns or for other reasons, are unallowable. See 2 CFR 200.451.

7.4. Higher Education Cost Principles. The federal cost principles that apply to public and private institutions of higher education are set forth in 2 CFR Part 200 Subpart E and Appendix III.

7.5. Government Cost Principles. The federal cost principles that apply to state, local and federally recognized Indian tribal governments are set forth in 2 CFR Part 200 Subpart E, Appendix V, and Appendix VII.

7.6. Financial Management Standards. The financial management systems of Grantee must meet the following standards:

(a) **Accounting System**. Grantee organizations must have an accounting system that provides accurate, current, and complete disclosure of all financial transactions related to each state- and federally funded Program. Accounting records must contain information pertaining to state and federal pass-through awards, authorizations, obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other Grant Funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger. To comply with 2 CFR 200.305(b)(7)(i) and 30 ILCS 708/520, Grantee shall use reasonable efforts to ensure that funding streams are delineated within Grantee's accounting system. See 2 CFR 200.302.

(b) **Source Documentation**. Accounting records must be supported by such source documentation as canceled checks, bank statements, invoices, paid bills, donor letters, time and attendance records, activity reports, travel reports, contractual and consultant agreements, and subaward documentation. All supporting documentation should be clearly identified with the Award and general ledger accounts which are to be charged or credited.

(i) The documentation standards for salary charges to grants are prescribed by 2 CFR 200.430, and in the cost principles applicable to the entity's organization (Paragraphs 7.4 through 7.5).

(ii) If records do not meet the standards in 2 CFR 200.430, then Grantor may notify Grantee in **PART TWO, PART THREE** or **Exhibit G** of the requirement to submit Personnel activity reports. See 2 CFR 200.430(i)(8). Personnel activity reports shall account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the grant, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records should be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iii) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Grantee.

(iv) If third party in-kind (non-cash) contributions are used for Grant purposes, the valuation of these contributions must be supported with adequate documentation.

(c) **Internal Control**. Effective control and accountability must be maintained for all cash, real and personal property, and other assets. Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

(d) **Budget Control.** Records of expenditures must be maintained for each Award by the cost categories of the approved Budget (including indirect costs that are charged to the Award), and actual expenditures are to be compared with Budgeted amounts at least quarterly.

(e) **Cash Management.** Requests for advance payment shall be limited to Grantee's immediate cash needs. Grantee must have written procedures to minimize the time elapsing between the receipt and the disbursement of Grant Funds to avoid having excess funds on hand. 2 CFR 200.305.

ARTICLE XIX STRUCTURAL REORGANIZATION

19.1. Effect of Reorganization. Grantee acknowledges that this Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. No promise or undertaking made hereunder is an assurance that Grantor agrees to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee agrees that it will give Grantor prior notice of any such action or changes significantly affecting its overall structure and will provide any and all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. This ARTICLE XIX does not require Grantee to report on minor changes in the makeup of its governance structure. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE XIX shall constitute a material breach of this Agreement.

ARTICLE XX AGREEMENTS WITH OTHER STATE AGENCIES

Grantor shall notify Grantee in writing should Grantor require the transfer of such equipment. Upon such notification by Grantor, and upon receipt or delivery of such equipment by Grantor, Grantee will be deemed to have transferred the equipment to Grantor as if Grantee had executed a bill of sale therefor.

Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.326 for use in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Grant Funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable federal and state statutes and executive orders.

22.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, are no longer needed for their original purpose. Notwithstanding anything to the contrary contained within this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee will provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee will be required to provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement shall be strictly limited to official Grantor or state of Illinois business and not for any other purpose, including any personal benefit or gain.

25.2. Liability. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement shall not be construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

26.5. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

26.6. Severability. If any provision of this Agreement is declared invalid, its other provisions shall not be affected thereby.

26.7. No Waiver. No failure of either Party to assert any right or remedy hereunder will act as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

26.8. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, shall be governed and construed in accordance with the laws of the state of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 *et seq.* Grantor does not waive sovereign immunity by entering into this Agreement.

EXHIBIT E**PERFORMANCE MEASURES**

Key Performance Measures under the AIP: AIP provides funding to airports for infrastructure improvements such as safety, security and capacity projects.

- Eliminate airport conditions that cause aircraft accidents and security breaches.
- Reduce the number of people exposed to high levels of noise.
- Maintain airfield pavement in fair or better condition.
- Updated measures as issued by the FAA.

The GRANTEE will submit to the GRANTOR a complete and detailed final invoice with applicable supporting documentation of all incurred costs, less previous payments, no later than twelve (12) months from the date of completion of this phase of the improvement or from the date of the previous invoice, which ever occurs first. If a final invoice is not received within this time frame, the most recent invoice may be considered the final invoice and the obligation of the funds closed.

The GRANTEE shall provide the final report to the appropriate GRANTOR within twelve (12) months of the physical completion date of the project so that the report may be audited and approved for payment. If the deadline cannot be met, a written explanation must be provided to the district prior to the end of the twelve months documenting the reason and the new anticipated date of completion. If the extended deadline is not met, this process must be repeated until the project is closed. Failure to follow this process may result in the immediate close-out of the project and loss of further funding.

For Federally Funded Projects: The GRANTOR is to comply with FAA Order 5100.38D or most current publication of the Airport Improvement Handbook as well as all current Airport Sponsor Grant Assurances. In accordance with AIP Sponsor Guide – 1500 , drawdowns of federal funds are to be done in a reasonable timeframe; prolonged inactivity (i.e., 12 months) may establish sufficient cause for the FAA to recover the unused funds by unilaterally closing the grant. As stated in the guidelines, inactivity of open grants may also jeopardize future federal projects.

For State-Let Projects: The GRANTEE is to remit payments to the GRANTOR in a timely manner as required under Payment Methods A, B, or C in Exhibit C. Failure to remit the payment(s), shall allow the GRANTOR to internally offset, reduce, or deduct the arrearage from any payment or reimbursement due or about to become due and payable from the GRANTOR to GRANTEE on this or any other contract. The STATE, at its sole option, upon notice to the GRANTEE, may place the debt into the Illinois Comptroller's Offset System (15 ILCS 405/10.05) or take such other and further action as may be required to recover the debt.

EXHIBIT F

PERFORMANCE STANDARDS

The current versions of the *AIP Handbook* and *AIP Sponsor Guide*, as approved by FAA at the time this Agreement is executed, are incorporated by reference.

Performance standards are contained in the resulting **GRANTOR** or **GRANTEE** Contract(s) or Engineering Agreement, whichever is applicable for the project. These performance standards include labor, materials, and other specifications and special provisions applicable to the individual Project(s) subject to the granted funds described herein.

EXHIBIT G

PART TWO – THE GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, the Grantor has the following additional requirements for its Grantee:

AUDIT

Grantee shall permit, and shall require its contractors and auditors to permit, the Grantor, and any authorized agent of the Grantor, to inspect all work, materials, payrolls, audit working papers, and other data and records pertaining to the Project; and to audit the books, records, and accounts of the Grantee with regard to the Project. The Grantor may, at its sole discretion and at its own expense, perform a final audit of the Project. Such audit may be used for settlement of the grant and Project closeout. Grantee agrees to implement any audit findings contained in the Grantor's authorized inspection or review, final audit, the Grantee's independent audit, or as a result of any duly authorized inspection or review

ETHICS**A. Code of Conduct**

1. Personal Conflict of Interest – The Grantee shall maintain a written code or standard of conduct which shall govern the performance of its employees, officers, board members, or agents engaged in the award and administration of contracts supported by state or federal funds. Such code shall provide that no employee, officer, board member or agent of the Grantee may participate in the selection, award, or administration of a contract supported by state or federal funds if a conflict of interest, real or apparent would be involved. Such a conflict would arise when any of the parties set forth below has a financial or other interest in the firm selected for award:

- a. the employee, officer, board member, or agent;
- b. any member of his or her immediate family;
- c. his or her partner; or
- d. an organization which employs, or is about to employ, any of the above.

The conflict-of-interest restriction for former employees, officers, board members and agents shall apply for one year.

The code shall also provide that Grantee's employees, officers, board members, or agents shall neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subcontracts. The Grantor may waive the prohibition contained in this subsection, provided that any such present employee, officer, board member, or agent shall not participate in any action by the Grantee or the locality relating to such contract, subcontract, or arrangement. The code shall also prohibit the officers, employees, board members, or agents of the Grantee from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain.

2. Organizational Conflict of Interest – The Grantee will also prevent any real or apparent organizational conflict of interest. An organizational conflict of interest exists when the nature of the work to be performed under a proposed third-party contract or subcontract may, without some restriction on future activities, result in an unfair competitive advantage to the third party contractor or Grantee or impair the objectivity in performing the contract work.

DISPUTE RESOLUTION

In the event of a dispute in the interpretation of the provisions of this Agreement, such dispute shall be settled through negotiations between the Grantor and the Grantee. In the event that agreement is not consummated at this negotiation level, the dispute will then be referred through proper administrative channels for a decision and ultimately, if necessary, to the Secretary of the Illinois Department of Transportation. The Grantor shall decide all claims, questions and disputes which are referred to it regarding the interpretation, prosecution and fulfillment of this Agreement. The Grantor's decision upon all claims, questions and disputes shall be final and conclusive.

Procurement Procedures/Employment of Grantor Personnel

1. Procurement of Goods or Services - Federal Funds - For purchases of products or services with any Federal funds that costs more than \$10,000.00 but less than the simplified acquisition threshold fixed at 41 USC 134 (currently set at \$250,000) the Grantee shall obtain price or rate quotations from an adequate number (no less than three (3)) of qualified sources. Procurement of products or services with any Federal funds for \$250,000 or more will require the Grantee to use the Invitation for Bid process or the Request for Proposal process. In the absence of formal codified procedures of the Grantee, the procedures of the Grantor will be used. The Grantee may only procure products or services from one source with any Federal funds if: (1) the products or services are available only from a single source; or (2) the Grantor authorizes such a procedure; or (3) the Grantor determines competition is inadequate after solicitation from a number of sources.

For Micro-Purchase (2 C.F.R. 200.67) Procurement of Goods or Services with Federal Funds: where the aggregate amount does not exceed the micro-purchase threshold currently set at \$10,000 (or \$2,000 if the procurement is construction and subject to Davis-Bacon), to the extent practicable, the Grantee must distribute micro-purchases equitably among qualified suppliers. Micro-purchases may be awarded without soliciting competitive quotations if the Grantee considers the price to be reasonable. The micro-purchase threshold is set by the Federal Acquisition Regulation at 48 C.F.R. Subpart 2.1

2. Procurement of Goods or Services – State Funds -- For purchases of products or services with any State of Illinois funds that cost more than \$20,000.00, (\$10,000.00 for professional and artistic services) but less than the small purchase amount set by the Illinois Procurement Code Rules, (currently set at \$100,000.00 and \$100,000.00 for professional and artistic services) the Grantee shall obtain price or rate quotations from an adequate number (no less than three (3)) of qualified sources. Procurement of products or services with any State of Illinois funds for \$50,000.00 or more for goods and services and \$20,000.00 or more for professional and artistic services) will require the Grantee to use the Invitation for Bid process or

the Request for Proposal process. In the absence of formal codified procedures of the Grantee, the procedures of the Grantor will be used. The Grantee may only procure products or services from one source with any State of Illinois funds if: (1) the products or services are available only from a single source; or (2) the Grantor authorizes such a procedure; or, (3) the Grantor determines competition is inadequate after solicitation from a number of sources.

The Grantee shall include a requirement in all contracts with third parties that the contractor or consultant will comply with the requirements of this Agreement in performing such contract, and that the contract is subject to the terms and conditions of this Agreement.

For Procurement of Goods or Services that cost less than \$20,000.00, the Grantee shall comply with the following procurement standards:

(\$1- \$1999, no Grantor Involvement)

1. Estimate the total cost of the procurement.
2. The Grantee may choose any vendor desired.
3. Grantee may choose to award without soliciting competitive quotations if Grantee considers the price to be reasonable.

(\$2,000- \$4,999, requires Grantor approval)

If your organization is requesting reimbursement for indirect costs on line 17 of the Budget Summary, please select one of the following options

1. Our Organization receives direct Federal funding and currently has a Negotiated Indirect Cost Rate Agreement (NICRA) with our Federal Cognizant Agency. A copy of this agreement will be provided to the State of Illinois' Indirect Cost Unit for review and documentation before reimbursement is allowed. This NICRA will be accepted by all State of Illinois agencies up to any statutory, rule-based or programmatic restrictions or limitations. **NOTE: (If this option is selected, please, provide basic Negotiated Indirect Cost Rate Agreement in area designated below.)**

Your organization may not have a Federally Negotiated Cost Rate Agreement. Therefore, in order for your organization to be reimbursed for the Indirect Costs from the State of Illinois your organization must either:

- a. Negotiate an Indirect Cost Rate with the State of Illinois' Indirect Cost Unit with guidance from your State Cognizant Agency on an annual basis;
- b. Elect to use the de minimis rate of 10% modified for total direct costs (MTDC) which may be used indefinitely on State of Illinois awards; or

2b. Our Organization currently does not have a Negotiated Indirect Cost Rate Agreement (NICRA) with the State of Illinois. Our organization will submit our initial Indirect Cost Rate Proposal (ICRP) immediately after our Organization is advised that the State award will be made no later than three (3) months after the effective date of the State award [2 CFR 200 Appendix (C)(2)(b)]. The initial ICRP will be sent to the State of Illinois Indirect Cost unit. **Note: (Check with you State of Illinois Agency for information regarding reimbursement of indirect costs while your proposal is being negotiated.)**

3. Our Organization has never received a Negotiated Indirect Cost Rate Agreement from either the Federal government or the State or Illinois and elects to charge the de minimis rate of 10% modified total direct cost (MTDC) which may be used indefinitely on State of Illinois awards [2 CFR 200.414 (C)(4)(f) and 200.68.] **[Note: Your Organization must be eligible, see 2 CFR 200.414 (f), and submit documentation on the calculation of MTDC within your Budget Narrative under Indirect Costs.]**

4. For Restricted Rate Programs, our Organization is using a restricted indirect cost rate that:

- is included as a "Special Indirect Cost Rate" in the NICRA, pursuant to 2 CFR 200 Appendix IV(5); or
- complies with other statutory policies.

The Restricted Indirect Cost Rate is: _____ %
