

1 CHAPTER 50: AURORA RESPONSIBLE DATA CENTER ORDINANCE

2 Section 50-1. Definitions.

- 3 a. Data Center: Has the same definition as in Section 49-103.3
4 of the Aurora Zoning Ordinance.
- 5 b. Greenhouse Gas (GHG): Any gas that contributes to atmospheric
6 greenhouse effect, including CO₂, CH₄, N₂O, SF₆, HFCs, PFCs.
- 7 c. Power Usage Effectiveness (PUE): Has the same definition as
8 Section 49-104.3(c)(25) of the Aurora Zoning Ordinance.
- 9 d. Water Usage Effectiveness (WUE): Has the same definition as
10 Section 49-104.3(c)(25) of the Aurora Zoning Ordinance.
- 11 e. Noise Performance Standard: Has the same definition as
12 Section 49-104.3(c)(25) of the Aurora Zoning Ordinance.

13

14 Section 50-2. Applicability.

15 This Chapter applies to all Data Centers within city limits.

16

17 Section 50-3. Performance Standards.

- 18 a. All Data Center Facilities developed after April 1, 2026,
19 must meet the standards in Section 49-104.3(c)(25) of the
20 Aurora Zoning Ordinance.
- 21 b. Any replacement equipment, including but not limited to
22 generators, chillers, and screening, must meet the standards
23 in Section 49-104.3(c)(25) of the Aurora Zoning Ordinance for
24 any Data Center Facilities developed after April 1, 2026.

1 c. For purposes of this Section 50-3, "developed" means Data
2 Center Facilities which do not have zoning entitlements
3 pursuant to Chapter 49 of this Code as of April 1, 2026.

4
5 Section 50-4. Annual Reporting Required.

6 All Data Center Facilities must submit annually on or before April
7 1 of each year to the city's Department of Development Services
8 the following:

9 a. An annual energy and water use data report via ENERGY STAR®
10 Portfolio Manager for the previously calendar year; and

11 b. Third party tested noise level reports for the previous
12 calendar year during both daytime hours and nighttime hours
13 at the property line.

14 If the Data Center has not been operating for a full year, the
15 data center must submit data for the months it has been in
16 operation. The Director of Development Services ensure that the
17 annually reported data is made publicly available by June 1 of
18 each year.

19
20 Section 50-5. Enforcement.

21 Violations of this Chapter are municipal offenses subject to fines
22 up to and including \$1,000 per day per occurrence and any other
23 corrective action the administrative court or circuit court deems
24 appropriate.

1 CHAPTER 51 -Data Center Privacy Protection Ordinance

2
3 Sec. 51-1. Purpose.

4 To protect Aurora resident privacy and establish rules modeled on
5 the Illinois Biometric Information Privacy Act ("BIPA") regardless
6 of its status under state law.

7
8 Sec. 51-2. Short title.

9 This Section may be cited as the Data Center Privacy Protection
10 Ordinance.

11
12 Sec. 51-3. Legislative findings; intent.

13 In 2008, the Illinois General Assembly, when passing BIPA, stated
14 that they found all of the following, all of which continue to be
15 true:

16 "(a) The use of biometrics is growing in the business and
17 security screening sectors and appears to promise streamlined
18 financial transactions and security screenings.

19 (b) Major national corporations have selected the City of
20 Chicago and other locations in this State as pilot testing
21 sites for new applications of biometric-facilitated financial
22 transactions, including finger-scan technologies at grocery
23 stores, gas stations, and school cafeterias.

1 (c) Biometrics are unlike other unique identifiers that are
2 used to access finances or other sensitive information. For
3 example, social security numbers, when compromised, can be
4 changed. Biometrics, however, are biologically unique to the
5 individual; therefore, once compromised, the individual has
6 no recourse, is at heightened risk for identity theft, and is
7 likely to withdraw from biometric-facilitated transactions.

8 (d) An overwhelming majority of members of the public are
9 weary of the use of biometrics when such information is tied
10 to finances and other personal information.

11 (e) Despite limited State law regulating the collection, use,
12 safeguarding, and storage of biometrics, many members of the
13 public are deterred from partaking in biometric identifier-
14 facilitated transactions.

15 (f) The full ramifications of biometric technology are not
16 fully known.

17 (g) The public welfare, security, and safety will be served
18 by regulating the collection, use, safeguarding, handling,
19 storage, retention, and destruction of biometric identifiers
20 and information."

21
22 Sec. 51-4. Definitions.

23 For the purposes of this Ordinance, the following definitions apply:

1 a. "Biometric Identifier" means a retina or iris scan,
2 fingerprint, voiceprint, or scan of hand or face
3 geometry. Biometric identifiers do not include writing
4 samples, written signatures, photographs, human
5 biological samples used for valid scientific testing or
6 screening, demographic data, tattoo descriptions, or
7 physical descriptions such as height, weight, hair color,
8 or eye color. Biometric identifiers do not include
9 donated organs, tissues, or parts as defined in the
10 Illinois Anatomical Gift Act or blood or serum stored on
11 behalf of recipients or potential recipients of living
12 or cadaveric transplants and obtained or stored by a
13 federally designated organ procurement agency. Biometric
14 identifiers do not include biological materials
15 regulated under the Genetic Information Privacy Act.
16 Biometric identifiers do not include information
17 captured from a patient in a health care setting or
18 information collected, used, or stored for health care
19 treatment, payment, or operations under the federal
20 Health Insurance Portability and Accountability Act of
21 1996. Biometric identifiers do not include an X-ray,
22 roentgen process, computed tomography, MRI, PET scan,
23 mammography, or other image or film of the human anatomy
24 used to diagnose, prognose, or treat an illness or other

1 medical condition or to further validate scientific
2 testing or screening.

3 b. "Biometric information" means any information,
4 regardless of how it is captured, converted, stored, or
5 shared, based on an individual's biometric identifier
6 used to identify an individual. Biometric information
7 does not include information derived from items or
8 procedures excluded under the definition of biometric
9 identifiers.

10 c. "Confidential and sensitive information" means personal
11 information that can be used to uniquely identify an
12 individual or an individual's account or property.
13 Examples of confidential and sensitive information
14 include, but are not limited to, a genetic marker,
15 genetic testing information, a unique identifier number
16 to locate an account or property, an account number, a
17 PIN number, a pass code, a driver's license number, or
18 a social security number.

19 d. "Written release" means informed written consent or, in
20 the context of employment, a release executed by an
21 employee as a condition of employment.

22 e. "Data Center" means a facility, whether a single
23 building, or a series of buildings rehabilitated or
24 constructed, which house working servers that primarily

1 provide the storage, management, distribution, and
2 processing of digital data. These facilities include
3 essential infrastructure like networked computers, data
4 storage systems, environmental controls, and security
5 systems. These uses include but are not limited to
6 electronic storage data center facilities and
7 cryptocurrency center facilities.

8 f. "Data Center Business" means any company, entity, or
9 organization that provides the storage, management,
10 and/or processing of digital data, or that is doing
11 business as or within a data center.

12
13 Sec. 51-5. Application.

14 No Data Center or Data Center Business located within Aurora City
15 boundaries can violate the provisions within this Ordinance.

16
17 Sec. 51-6. Retention; collection; disclosure; destruction.

18 a. Any Data Center or Data Center Business in possession of
19 biometric identifiers or biometric information must
20 develop a written policy, made available to the public,
21 establishing a retention schedule and guidelines for
22 permanently destroying biometric identifiers and
23 biometric information when the initial purpose for
24 collecting or obtaining such identifiers or information

1 has been satisfied or within 3 years of the individual's
2 last interaction with the private entity, whichever
3 occurs first. Absent a valid warrant or subpoena issued
4 by a court of competent jurisdiction, a private entity
5 in possession of biometric identifiers or biometric
6 information must comply with its established retention
7 schedule and destruction guidelines.

8 b. No Data Center or Data Center Business may collect,
9 capture, purchase, receive through trade, or otherwise
10 obtain a person's or a customer's biometric identifier
11 or biometric information, unless it first:

12 1. informs the subject or the subject's
13 legally authorized representative in
14 writing that a biometric identifier or
15 biometric information is being collected or
16 stored;

17 2. informs the subject or the subject's
18 legally authorized representative in
19 writing of the specific purpose and length
20 of term for which a biometric identifier or
21 biometric information is being collected,
22 stored, and used; and

23 3. receives a written release executed by the
24 subject of the biometric identifier or

1 biometric information or the subject's
2 legally authorized representative.

3 c. No Data Center or Data Center Business in possession
4 of a biometric identifier or biometric information
5 may sell, lease, trade, or otherwise profit from a
6 person's or a customer's biometric identifier or
7 biometric information.

8 d. No Data Center or Data Center Business in possession
9 of a biometric identifier or biometric information
10 may disclose, redisclose, or otherwise disseminate a
11 person's or a customer's biometric identifier or
12 biometric information unless:

13 1. the subject of the biometric identifier or
14 biometric information or the subject's
15 legally authorized representative consents
16 to the disclosure or redisclosure;

17 2. the disclosure or redisclosure completes a
18 financial transaction requested or
19 authorized by the subject of the biometric
20 identifier or the biometric information or
21 the subject's legally authorized
22 representative;

1 3. the disclosure or redisclosure is required
2 by State or federal law or municipal
3 ordinance; or

4 4. the disclosure is required pursuant to a
5 valid warrant or subpoena issued by a court
6 of competent jurisdiction.

7 e. A Data Center or Data Center Business in possession
8 of a biometric identifier or biometric information
9 shall:

10 1. store, transmit, and protect from
11 disclosure all biometric identifiers and
12 biometric information using the reasonable
13 standard of care within the private
14 entity's industry; and

15 2. store, transmit, and protect from
16 disclosure all biometric identifiers and
17 biometric information in a manner that is
18 the same as or more protective than the
19 manner in which the private entity stores,
20 transmits, and protects other confidential
21 and sensitive information.

22
23 Sec. 51-7. Enforcement.

1 a. Applicability. This Section applies to all Data Centers
2 and Data Center Businesses operating within the City of
3 Aurora that collect, store, process, transmit, or
4 otherwise handle Biometric Identifiers or Biometric
5 Information, as defined under applicable law.

6 b. Enforcement Authority.

7 1. The City shall have authority to enforce this
8 Ordinance through its Corporation Counsel or
9 designated enforcement officer.

10 2. The City may investigate suspected violations,
11 require production of relevant records
12 (subject to lawful confidentiality
13 protections), and conduct compliance reviews.

14 3. The City may issue notices of violation and
15 impose administrative penalties as provided
16 herein.

17 4. The City may recover costs associated with
18 enforcement if entity is found in violation of
19 this Ordinance.

20 c. Violations. It shall constitute a violation of this
21 Ordinance to:

22 1. Violate any provision of the Aurora Data
23 Center Privacy Protection Ordinance;

1 2. Fail to maintain required biometric data
2 policies, retention schedules, or security
3 safeguards;

4 3. Fail to timely file the Annual Certificate of
5 Compliance required herein; or

6 4. Submit false, misleading, or incomplete
7 information to the City. Each day a violation
8 continues shall constitute a separate offense.

9 d. Annual Certificate of Compliance.

10 1. Annual Filing Required. On or before April 1
11 of each calendar year, each Data Center and
12 Data Center Business subject to this Ordinance
13 shall file with the City Clerk an Annual
14 Certificate of Compliance.

15 2. Contents of Certification. The Certificate
16 shall be signed under penalty of perjury by a
17 duly authorized corporate officer and shall
18 attest that:

19 i. The Data Center or Data Center
20 Business is in full compliance with
21 BIPA and this Ordinance;

22 ii. The Data Center or Data Center
23 Business has not been found liable
24 for any violation of BIPA during the

1 preceding calendar year, or if such
2 finding occurred, it has disclosed
3 the nature of the violation and
4 corrective actions taken;

5 iii. All required written biometric data
6 policies, consent procedures, and
7 retention/destruction schedules are
8 in effect and actively implemented;

9 iv. Reasonable industry-standard
10 administrative, technical, and
11 physical safeguards are maintained.

12 3. Disclosure of Claims. The Certificate shall
13 disclose any pending BIPA-related litigation,
14 settlement, administrative action, or
15 regulatory investigation involving operations
16 within the City.

17 4. Independent Review. The City may require, upon
18 reasonable cause, submission of a third-party
19 compliance audit summary prepared by an
20 independent privacy professional.

21 e. Penalties

22 1. Administrative fines of not less than \$1,000
23 and not more than \$5,000 per violation.

1 2. Suspension or revocation of local operating
2 permits for repeated or willful violations.

3 3. Ineligibility for local tax incentives or
4 development agreements during periods of non-
5 compliance.

6 4. The City may seek injunctive relief in a court
7 of competent jurisdiction.

8 f. Cumulative Remedies. The remedies provided herein are
9 cumulative and shall not preclude enforcement under
10 state law, including BIPA.

11
12 Sec. 51-8. Right of action.

13 Any person aggrieved by a violation of this Ordinance shall have
14 a right of action in the 18th Judicial Circuit Court of Kane County
15 or as a supplemental claim in a state or federal district court
16 against an offending party. A prevailing party may recover for
17 each violation:

18 a. against a private entity that negligently violates a
19 provision of this Ordinance, liquidated damages of
20 \$1,000 or actual damages, whichever is greater;

21 b. against a private entity that intentionally or
22 recklessly violates a provision of this Ordinance,
23 liquidated damages of \$5,000 or actual damages,
24 whichever is greater;

1 c. reasonable attorneys' fees and costs, including
2 expert witness fees and other litigation expenses;
3 and
4 d. other relief, including an injunction, as the State
5 or federal court may deem appropriate.

6 Sec. 51-9. Construction.

7 a. Nothing in this Ordinance shall be construed to impact
8 the admission or discovery of biometric identifiers and
9 biometric information in any action of any kind in any
10 court, or before any tribunal, board, agency, or
11 person.

12 b. Nothing in this Ordinance shall be construed to conflict
13 with the X-Ray Retention Act, the federal Health
14 Insurance Portability and Accountability Act of 1996 and
15 the rules promulgated under either Act.

16 c. Nothing in this Ordinance shall be deemed to apply in
17 any manner to a financial institution or an affiliate of
18 a financial institution that is subject to Title V of
19 the federal Gramm-Leach-Bliley Act of 1999 and the rules
20 promulgated thereunder.

21 d. Nothing in this Ordinance shall be construed to conflict
22 with the Private Detective, Private Alarm, Private
23 Security, Fingerprint Vendor, and Locksmith Act of 2004
24 and the rules promulgated thereunder.

1 e. Nothing in this Ordinance shall be construed to apply to
2 a contractor, subcontractor, or agent of a State agency
3 or local unit of government when working for that State
4 agency or local unit of government.

5

6 SECTION 3. Effective Date

7 This Ordinance shall take effect 30 days after approval by City
8 Council.
