SOQs Received: 4

The selection criteria and weightings for project selection are indicated below.

- Firm Experience (25%). The entity's general experience, stability, and experience on projects similar to the one under consideration.
- Staff Capabilities (25%). The education, experience, and expertise of the entity's key employees.
- Schedule/Availability (25%). Quality of the entity's schedule, including how expeditiously the work can be completed realistically. Availability of the staff to perform the requested duties.
- Cost/Value (25%). This category will weigh the value of the services proposed with the cost provided. This category will be reviewed last.
