

EXHIBIT B – OUD APPLICANT SUMMARY

OPIOID USE DISORDER

Applicant:	East Aurora School District
Project Proposal:	East Aurora CARES
Project Description:	East Aurora CARES is a school-district initiative led by an after-school program designed to de-stigmatize mental health while providing access to no-cost care to address the mental health needs of young people who may be at-risk.
Project Request:	\$95,000
Project Recommendation:	\$62,000

Applicant:	Family Guidance Centers
Project Proposal:	Enhancing Access to Behavioral Health Treatment for Uninsured Patients
Project Description:	This project will fund a licensed clinical professional counselor, supported by a peer recovery specialist and other supervising (clinical and administrative) leadership, to deliver integrated behavioral health services for uninsured individuals with co-occurring substance use and mental health conditions, ensuring access to therapy, treatment, and referrals through inperson or telehealth care with transportation assistance to promote consistent engagement in care.
Project Request:	\$99,681
Project Recommendation:	\$56,000

Applicant:	Kane County Collaborative
Project Proposal:	Kane County Collaborative Diversion Program
Project Description:	This project will provide long-term case management and comprehensive wraparound care through a trauma informed lense for individuals with opioid use disorder, including the use of harm reduction methods and referrals to appropriate treatment agendas to support sustained recovery.
Project Request:	\$85,900
Project Recommendation:	\$85,000
