re: RKON Technologies/Websense Technologies Software Maintenance

I, James Dahl, Director, Management Information Services, being duly sworn on oath do hereby state:

1. The City of Aurora MIS Division uses Websense software for Internet use tracking, and website filtering.
2. The MIS Division's current Websense maintenance agreement with RKON Technologies will expire in November of 2015.
3. Websense, Inc has named RKON Technologies as the City of Aurora's preferred vendor for the purchase of software and maintenance.
4. Websense Inc. has indicated that RKON will receive the deepest available discounts for this purchase, and no other vendor can receive the same discount level.
5. Pricing of a three year agreement presents a 30% total savings over one year agreements.
6. RKON Technologies has submitted a quote for a three-year agreement in the amount of \$26,742.00.
7. That pursuant to Aurora Code of Ordinances this purchase requires a three-fifths (3/5) City Council vote for approval.

Further affiant sayeth not.
