**Re: *Indian Trail Water Tank Site Improvements
City of Aurora
Kane County, Illinois***

Dear Mr. Schumacher:

We have tabulated and reviewed the bids received on June 17, 2015, for the Indian Trail Elevated Tank Site Improvements. Enclosed is a bid tabulation summary for reference.

Two bids were received. The low bidder did not acknowledge Addendum No. 1 which included revisions to the Bid Schedule. The second bidder's proposal was significantly higher the Engineer's Opinion of Probable Cost to Construct. Therefore, we recommend the City reject all bids and re-bid the project at a later date.

If you have any questions, please contact me at our office.

Respectfully submitted,

ENGINEERING ENTERPRISES, INC.
