Re: East Aurora School District 131  
Intergovernmental Agreement for School Impact Fees

Dear Tracey:

As you know our firm represents the East Aurora School District 131. This correspondence will serve as a follow up to our prior email communications and telephone conferences to the effect that the District is requesting the City of Aurora to approve the Intergovernmental Agreement between the School District and the City regarding School Impact Fees to be collected by the City. It is our understanding that the draft dated March 8, 2017 would be the form presented to the City.

Please let me know should you need anything further.

Very truly yours,

Peter K. Wilson, Jr.
