AFFIDAVIT

re: Accela, Inc. of San Ramon, California PublicStuff Subscription

I, James Dahl, Director, Management information Services, being duly sworn on oath do hereby state:

1. The City of Aurora's current CRM system is in need of replacement.
2. The City has identified Accela, Inc.'s PublicStuff hosted solution to best meet the city's current and future CRM need.
3. The City had previously put out an RFI and RFP for Public Administration ERP including CRM, and none of the market respondents' customer services products met the City's requirements.
4. The Administrative Services Department has negotiated an annual subscription cost of \$27,000.00.
5. In addition to the annual cost there is a \$6,000.00 data conversion fee.
6. As Accela, Inc. does not allow sales by channel partners, this is a sole source contract.
7. WHEREAS, pursuant to Aurora Code Section 2 335(a)(3) the desired product is provided by only one source in this situation.

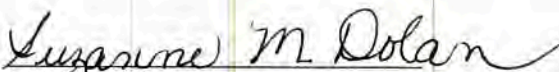

Further affiant sayeth not.
