RE: Two-Year Instrumentation Service Agreement with the HACH Company of Loveland, CO

I, Robert G. Leible, being duly sworn on oath do hereby state:

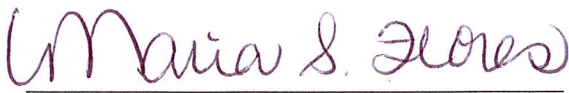

1. The Water Production Division seeks a two-year Instrumentation Service Agreement for maintenance of existing analytical equipment manufactured by the HACH Company, Loveland, CO.
2. The maintenance and repair services provided under this agreement support on-line and laboratory analytical instrumentation essential to maintaining operational effectiveness and regulatory compliance.
3. Obtaining these services from HACH under the subject agreement ensures reliability, prioritized repair services, and eliminates the need for the Water Production Division to maintain its own expertise and spare parts inventory.
4. The HACH Company is the only known source for this factory-authorized service.
5. A proposal has been received from the HACH Company for a two-year Instrumentation Service Agreement for the time period January 20, 2024 thru January 19, 2026 for the price of \$161,678.51 (\$79,254.17 for year 1 and \$82,424.34 for year 2).
6. Affiant believes Section 2-335 (a) (3) of the Aurora Code of Ordinances is therefore applicable for this agreement.

Further Affiant sayeth not.
