Re: 18-01 RFP Interactive Mastodon Exhibit
RFP Results Review and Recommendation

Dear Mr. Anderson,

The City of Aurora received five (5) proposals before 5:00 pm on Tuesday, January 23, 2018 for the 18-01 RFP Interactive Mastodon Exhibit. The proposal results breakdown follows:

FIRM/COMPANY	TOTAL FEE	COMPLETION	WARRANTY
Taylor Studio	\$89,289.00	July 2018	1 year
Brees Studio	\$90,000.00	July 2018	1 year
Life Formations	\$80,000 plus interactive elements	July 2018	1 year
Cemrock	\$89,545.00	Aug/Sept 2018	1 year
Billings Productions	\$158,000.00	July 2018	1 year

We reviewed the proposals in detail and rank them as follows:

1. Taylor Studio
2. Cemrock
3. Brees Studio
4. Life Formations
5. Billings

We believe that the overall package of cost, quality of references and experience, and timeline make Taylor's proposal the strongest. They have completed multiple similar projects in both scope and content, and their clients are very happy with the results. We have also touched base with Taylor Studios to confirm the scope and timeline and they confirmed they are ready to proceed per the project requirements.

Pursuant to this review, we also confirmed that Taylor Studio's proposal meets all the requirements of the RFP as defined by the City of Aurora.

Therefore, we recommend Taylor Studio for the design, fabrication, delivery and installation of the Interactive Mastodon Exhibit for the Mastodon Island project.

Please let me know if you have any questions or need any other information.

Sincerely,
RGC DESIGN
